## Subject of the Month

"God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? or hath he spoken, and shall he not make it good?" [Numbers 23:19]

"And the Spirit of God came upon Zechariah the son of Jehoiada the priest, which stood above the people, and said unto them, Thus saith God, Why transgress ye the commandments of the LORD, that ye cannot prosper? because ye have forsaken the LORD, he hath also forsaken you." [II Chronicles 24:20]

"For he is not a man, as I am, that I should answer him, and we should come together in judgment." [Job 9:32]

"God gave His first family the Word of God to live by, every Word of it. The first family that was put up here on the earth, was given Eternal Life as long as they stayed with God's Word. That was His plan. "I am God," He says, "I change not." That's still His plan. It's never His plan for creed, or organization, or man-made rules, that man shall live by, but by every Word that proceeds out of the mouth of God." [The Harvest Time, Phoenix AZ, 64-1212]

"I want you to notice the unchanging continuity of God's Word and His works. See, He never changes His--His program. He never changes His ways. Just as perfectly, the Scripture is in perfect continuity. Everything that God does is in continuity with what He done. See? And what He did first, that's, He'll do it the second time the same way. And just to prove it to you, He has made laws in the earth. And He has always given His people a sign before the event happens. Now He has always done it. And He will always do it, because He is the unchangeable God. "I am God," He said, "I change not." The way He sets His program at the beginning, that's the way it is in each age. He never changes it." [The Super Sign, Shreveport LA, 63-1129]

"Hear people say, "Look." If they mention the word look, means, "to pay attention, look up, or to look at, and look out." And now God is saying here, "Look unto Me. I am God, and there is none other." And I wonder, in a time that we are living in now, what could we look to that would be more solid than God? And God is the Word, so look to the Word of God, today, for your answer. The Bible has the answer for this day. It's had it for other days. It's got it forever, because it is Christ the same yesterday, today, and forever. The Bible has the answer, because the Bible is the revelation of Jesus Christ, being revealed since the foundation of the world. He has been revealed in the form of prophets, He has been revealed in the form of kings, He has been revealed in the form of law-givers, because that's what He is: King, Prophet, Law-Giver, and God. Now, He said, "Look to Me." [Looking Unto Jesus, Phoenix AZ, 64-0122]

"We should never pray to change God's mind; we should pray to change our mind. God's mind don't need any changing. See? See, it's right." I said, "Not what you prayed for..." I know a young Catholic boy, one time, was had a prayer book, saying prayers, and for his mother to live.

And she died, and he threw the prayer book in the fire. Well, see, I don't go for the prayer book; but, anyhow, see, you take the wrong attitude. **You're trying to tell God what to do. Prayer should be, "Lord, change me to fit Your Word." Not, "Change," not, "let me change Your mind. You change my mind."** See? **"You change my mind to Your will. And Your will is written here in the Book. And, Lord, don't-- don't let me go till you got my--my mind set just like Your mind. And then when my mind is set like Your mind, then I'll believe every Word You wrote. And You said, in there, You'd make 'everything work together for good' to them that loves You. And I love You, Lord. It's all working together for the good."** *[Christ Is Revealed In His Own Word, Jeffersonville IN, 65-0822M]*

"Notice here, **God never changed His mind, His Word. But He is a good God, and He'll give you the desire of your heart, though it be against His will. You believe that? Look, God told Moses, "You go down there," this anointed prophet. Said, "Go down there and speak to that rock." It's already been smitten. Moses went down there in his anger, picked up the rod, and said, "You rebels, must we fetch you water out of this rock?" and smote the rock. The water didn't come. He smote it again; it come. It was against God's will. It broke every plan in the Bible; Christ had to be smitten second time. See? Christ was smitten once. It broke the whole plan. But He give him His permissive will. Then, after, he said, "See, we got the water for you. Yeah, I brought it for you, you bunch of rebels!"** *[Does God Ever Change His Mind About His Word, Jeffersonville IN, 65-0418E]*

"God said, "Come here, Moses. Come here. Come up here on top... You're been a faithful servant." (Like the woman with the high heels, "You climbed," see.) "Look over yonder. See the promised land?" "O Lord!" **"But you're not going over. You took My permissive will, down here at the Rock. You have glorified yourself, see, and not Me. You sanctified yourself. You didn't sanctify Me. You didn't keep My original Word, what I told you to do."** Yet, the waters did come. You can lay hands on the sick and they recover. You can prophesy, or speak with tongues. **But, the thing is, keep His original Word! God don't change His mind, friend. You've got to keep His commission, His will. "Oh, well, that was for the disciples."** *[Does God Ever Change His Mind About His Word,*

*Jeffersonville IN, 65-0418E]*

"Jesus said, **"Let every man's word be a lie, and Mine the Truth. Heavens and earth will pass away, but my words shall never pass away."** So, you see, **they go beyond the camp of God's Word, to find their answer. When he was... persuaded them from the camp of God's Word, like he did Eve in the garden of Eden, Satan has done the same thing today. All right. We find that. People are persuaded to their dogmas and creeds without the camp, in their camp of dogma and creed. They have a camp, also, and that puts them into his camp. His is the camp of education, theology, works, doctors degree, educational, personality, everything that's against God's Word camp. God has a camp for His people. The denomination has their own camp."** *[Going Beyond The Camp, Jeffersonville IN, 64-0719E]*

"**And if a man really gets a hold of God, God gets into the man's heart, don't worry, sparks will be flying from every side; because he's deep enough in God, and his whole life is rooted and grounded in Christ. Therefore, we know that it isn't just lazy preachers. It's because that the--the convert doesn't go deep enough till he loses the sight of the world and the things of the world. If he ever gets close enough to God, he doesn't do that. But we find out that the churches change and the people changes. The roads changes; the scenes changes; the politics changes. But there's one thing that does not change; that's God. He remains the same. "I am God and I change not." No matter how long it is, God has never changed one bit, and He cannot change. What a place. The reason He cannot change is because God is infinite, and anything that's infinite cannot change."** *[The Unchangeable God Working In An Unexpected Way, Phoenix AZ, 62-0120]*

"**You think of what you've done. Look at the evil. Look how you've put off Christ. You've intended to be a real Christian. You've intended to be filled with the Holy Ghost. You've intended someday, but your intention will never get you there. Hell's paved with good intentions. Brother, when you think on your ways, do the same thing the Roman soldier did, cry out to God, and say, "Truly, He is the Son of God. And I'll turn my feet to His testimonies. I'll live for Him Who died for me."** *[As I Thought On My Ways, Chautauqua OH, 59-0814]*

"Jesus stood still, said, "Bring him here." Oh, brother, Jesus stood still. And they brought the beggar to Him. **His faith had stopped the Son of God and brought Him to a standpoint, to a still stop.** I say tonight: I don't care who you are, or what your name is, how poor you are, how far gone you are, **your faith tonight will bring God to a standstill to hear your humble cry.** "Be still and know that I am God." Don't listen to the rumbling bubble of the outside world and these things like that, "Stand still and know that I am God." It stopped Him. And they brought blind Bartimaeus to Him. And He said, "What would you that I'd do?" He said, "That I might receive my sight." That was the--the little talk that he wanted with Him. He said, "Thy faith has saved thee." " [Stand Still, Saskatoon SK, Canada, 57-0518]

"Oh, how God always makes a way of escape. Every trial, He'll make a way. Stand still. Don't go to jumping about and getting scared. "Stand still." He said, "and know that I am God." And when the trials get hard, remember, it's God sometime, trying to demonstrate His love to you. But remember, no matter how many Red Seas, God's path went through it. God lead... Isn't it strange how God leads His children?" [An Exodus. Indianapolis IN, 56-0615]

"Dear God, we have just read what we believe

to be the sacred Word of God. And that's what we are believing, that not **one jot** or one tittle shall in nowise pass from This until all is fulfilled. And we believe that our Lord told us, in Revelations the 22nd chapter, that, "Whosoever shall take one Word from It or add one word to It, the same, his part, will taken from the Book of Life." And we see that, by misrepresentation of this Word, as Satan misrepresented It to Eve, caused her to doubt one Word, threw the whole human race into a fallen chaos. Just one Word! Then we see in the middle of the Book, came our Lord and Saviour, and He gave us this quotation concerning It. "Man shall not live by bread alone, but by every Word that proceedeth out of the mouth of God." Then the solemn warning in the last Book, of the Revelation of Jesus Christ, "Whosoever shall add a word or take a Word away, his part will be taken from the Book of Life." " [The Invisible Union Of The Bride Of Christ, Shreveport, LA, 65-1125]

Our Bible Study Subject for August 2012: **God Is Not A Man, That He Should Lie; Hath He Said, And Shall He Not Do It?**

"Whosoever shall add a word or take a Word away, his part will be taken from the Book of Life". May the Lord have mercy on us never to take from or add to His Word.

**Featured Questions & Answers**

**QUESTION:**

**What Does The Biblical Red Heifer Mean?**

**ANSWER:**

"If you notice, **RED HEIFER**, notice, being the female, typing the church. **RED**, the **COLOR**, had...couldn't be spotted, now, it had to be a solid **COLOR**. And **RED** always gives a--a--a signifies redemption. You say, "**RED** always signifies danger." It does to us in a **RED** light, but it's always redemption too; don't run it. So **RED** is always been the sign through the Bible. The harlot Rahab let the spies down through a scarlet cloth or scarlet cord, which was a sign that God left her house standing." [Redemption By Judgment 54-1114 Jeffersonville, Indiana]

"God telling Moses and Aaron, as he was the prophet and priest: Moses the prophet, Aaron the priest. He said, "Now, I want you to go out and get a **HEIFER**, a young **HEIFER** which is all one

**COLOR**, one complete **COLOR: RED.**" **RED** we always think, looks of... The **RED** is danger. **RED** does signify danger, or a life, or so forth. But **RED** in the Scripture signifies redemption through the Blood. Harlot Rahab, when she put the scarlet streak down; and all through the Bible is a scarlet streak. redemption comes through **RED**, through the shedding of the Blood. And without the shedding of blood, there's no remission of sin. And how that God said go get this **HEIFER** that's **RED** all over, not one spot of anything else, but perfectly **RED**. For God looked through **RED**. And you know what **COLOR RED** is, looking through **RED**? **RED** through **RED** makes white. Try it one time. **RED** through **RED** produces white. So when God looks through the Blood of Jesus Christ to we who are scarlet **RED** with sin and covered by the Blood, He sees us white as snow. "Though your sins be **RED** like crimson, they shall be white like snow." [The Water Of Separation 55-0121 Chicago, Illinois]

"Watch how beautiful this is, now, before we close. The first, the **RED HEIFER**, the **COLOR RED** means something. Now, **RED** to us means "danger." It's a bad sign to see **RED**, means, "Stop." It's danger. And also, **RED** in the Bible is a covering. **RED** is an atonement. **RED** is a safety. You remember when the harlot, Rahab, let the spies down on the **RED** string to safety? Always safety under **RED**. Now, the blood is **RED**. Now, look. You take the scientific research. And you take **RED**, a piece of **RED** goods or a **RED** piece of stuff, cellophane, and look through at a piece of **RED**, and **RED** through **RED** looks white. Try it. Take **RED** and look through **RED**; it looks white. Well, we, through wrong doings, are **RED**. "Though your sins be like scarlet," **RED**. Through the shed Blood of the Lord Jesus, God looking through there, **RED** through **RED** looks white. "They shall be white like snow." See? Not through your something else, but through the Blood, the only place that He can fellowship. Outside of there, your own righteous, He will never see it. Your good works, He will never know it until you come beneath the Blood, then He sees you as His own beloved son or His daughter. **RED** through **RED** looks white. No matter what you've done, sinner friend. When God looks, sees you're confess your sins as being wrong, and God looks through the Blood of the Lord Jesus, He sees you snow white. No matter what you've done, He's looking through you through Christ's Blood. You're redeemed, precious thing. God will never condemn you no more. He can't condemn you." [*Fellowship By Redemption 55-0403 Jeffersonville, Indiana*]

"God said, "Take me a **HEIFER** that's **RED**, that never a yoke has ever been upon her." **HEIFER**, and she must be **RED**, scarlet. **RED** speaks of redemption, blood, **RED**. That's the reason our sins are **RED**. That's the reason the Blood of Christ is **RED**. You take a **RED** piece of glass and look at a **RED** piece of glass and see what **COLOR** you'll get. **RED** through **RED** looks white. Though our sins be as scarlet, when God looks through them through the Blood of His Son they are white as snow. **RED**, redemption, **RED** through **RED** looks white. When God looks through the Blood of His Son that you confessed to be your Saviour, He don't see your sins any more; they are white as snow. **RED** through **RED**!" [*Dedication Of Building To The Lord 59-0708M, Cleveland, Tennessee*]

"We take over in Numbers, the 19th chapter of Numbers, when they were in their journey, God told them to go and get a **RED HEIFER**. Now, watch this just a moment, the symbol here. Now,

"Go, get a **RED HEIFER**, that had never a yoke has been on her." She's not yoked up, never been under a yoke. And she's **RED**, has to be **RED** all over. Now, **RED** is a bad **COLOR** to some. **RED** means stop at the stop light, and so forth. But **RED** also is the sign of an atonement. Now, did you ever scientifically take **RED** and look through **RED**? If you take **RED** and look through **RED**, **RED**'s white, take **RED** through **RED** looks white. And so when God looks through... Our sins be as **RED** as crimson, yet they shall be white as snow. When He looks through the Blood of His own Son and sees us, He cannot see us as **RED** crimson sinners; He sees us white as snow, washed in the Blood of His own Son when we are under the Blood. Oh, how beautiful the Bible and Its illustrations. **RED** through **RED** looks white. I know that that is a great sign to us, the sign of an atonement, the **RED HEIFER**." [*The Basis Of Fellowship 61-0214 Long Beach, California*]

"If we had time we could go into those symbols: a **RED HEIFER**. She must be **RED**, not a spot on her: **RED**. **RED** is a bad **COLOR** in one sense of the word. But **RED** is the **COLOR** of atonement. Did you ever know, scientifically **RED** through **RED** looks white? That's right. **RED** through **RED**, looking at **RED** through **RED**, it looks white. "Though your sins be **RED** like crimson..." But when God looks through them through the shed Blood of His Son, you're as white as snow: **RED** through **RED**. No other **COLOR** does it. **RED** through **RED** looks white. And that's the way God looks at you, though you... No matter what you are, if you've come under the shed Blood, God don't see you, but He looks through the Blood. And though your sins be so many, yet you look as white as a lily to Him." [*Fellowship 62-0519, Green Lake, Wisconsin*]

"Notice in Exodus 19, I want you to read it when you go home, when you have more time. Notice, when Israel had committed sin, first they took a **RED HEIFER** which had never had a yoke on her neck. That means she never was yoked up with anything. And she had to be **RED**. The **COLOR RED** is a-an atonement **COLOR**. You know, science knows that if you take **RED** and look through **RED**, to **RED**, it's white. Look through **RED**, at **RED**, it's white. He looks through the **RED** Blood of the Lord Jesus, and our **RED** sins become as white as snow; **RED** through **RED**." [*A Thinking Man's Filter 65-0822e, Jeffersonville, Indiana*]

## Excerpts From Guestbook, Testimonybook, & Eye Witness Accounts

● July 17, 2012 - 05:02 AM Joseph from United States May God bless you all. Hi all, I have been a Christian since my parents bore me but I strayed away from the ways of God. I had never read a single book of WMB, I thought my parents were extremists. A year ago after almost dropping out of college and a promising career, I asked my mom (whom I have seen God answer) to pray for me, she told me she would pray but I had to make my ways straight with God. Sitting on my gym chair on morning, I asked God for His mercy, it was a soft sincere prayer but the Lord took me in His presence in front of his throne, I have never been so terrified! (I would not say this if it was not so) I begged for my life, He voice was directly to my soul, and not dwelling on what He told me, I have set my records straight and I am seeking the Holy Ghost with all my heart. (I was numb for a week! truly numb) Brethren, do not be deceived, There is a Holy Ghost experience, God is still calling and filling his bride with the Holy Ghost today ( a portion of Him), do not rest till you get filled! After He calls you (and you hear His voice) after that first experience, do not stop till you enter in! God abundantly bless you.
