## **56-0415 - Revival Assembly Church, Columbia, SC (Paragraphs: 47 - 79)**

**L-48** To every person that raised their hand, and to those who did not raise their hand, I'm going to ask you if you'll do something for me, not for me alone, but for yourself, and for God mainly... As soon as the service is over, the prayer for the sick, will you come up around the altar here? And you're a Christian when you raised your hand, and in your heart accept Christ, you become a live person. God's Word is true. "He that heareth My Word, and believeth on Him that sent Me, hath (that's present tense) Eternal Life." [\[John 5:24\]](#)

**L-49** Now, but what you need, you need the baptism of the Holy Spirit to put you in the body of believers. You believed unto Life, but now, God baptizes you with the Holy Ghost in the church for service. Now, that may be just a little contrary, if it is, I didn't mean to say it. It's... I sometimes...?... Don't say this...?... Well, anyhow, you come to Christ. Just believe the Lord Jesus Christ with all your heart. And believe with all your soul. And the pastor where you belong now, if you don't belong to any church, look setting here behind me. If I lived in this city, and was like you around where these ministers are, they believe in this type of ministry or they wouldn't be here to represent it. They believe it. Now, you go to them, and shake hands with the pastor, and say, "Pastor, I want you to baptize me. And I want you to instruct me how I must receive the Holy Spirit. I want to become a real true baptized saint of God. I..." And they'll instruct you; they know how to do it. And you go to them. Won't you do that for me now? And when I come back, I want to shake your hand, and say, "Oh, Brother Branham, I'm so happy, I was once burdened and out in the world, and so many things was so wrong with me, but now I'm all over it. I'm happy and free. I belong to this fine church down here, and they--and they are teaching me Divine healing, and the powers of God, and I'm just enjoying myself so much." I want you to do that, a fellow pilgrim on the road with me now to glory. We are brothers and sisters in Christ. We're not here to harm one another. We're here to help one another. We're here to go along.

**L-50** Now, setting there in a wheelchair, a young fellow, a little boy setting here, my. I wonder back in the audience; there may be people back there with more serious things than that, maybe, with heart trouble, going to die in the next few days. Maybe, someone with cancer, passed going, oh, my, if something isn't done they're going to die. The doctors has looked and said, "I can't do no more; it's between you and God now." When the doctor's done all he can do, then I come to try to try to help you to get to God (See?); not to take you away from your doctor, not to take you away from your church, but to help bring you to Christ (See?), so you can believe. And He's done so many things Christians, I--I just believe He does all things well. That's why I'm here to help you.

**L-51** Now, I can't heal you...?... [Blank.spot.on.tape--Ed.]... this boy here, any of you out there that's suffering, and sick, wished I could do it. If I could do it, I'd sure do it. You believe that, don't you? But I can't. I'm just a man. But by the grace of God, He has given me a gift to see visions. And that was only done, not because I merited it, that... I wish I could trade it for any good preacher, to go out and preach, and just walk out right now, and make my altar call. You don't know the sorrows that go with this. You just don't understand.

**L-52** Five years ago, six years ago I was strong, shoulders straight, once had the bantamweight championship of the three states, full head of hair, not a wrinkle on my face. Look what five years has done for me. See? What will another five do? But here's what it is: when the end comes, and I've done fought my last battle, preached my last sermon, and I stand where the breakers are dashing against my

soul, I know I'm going, I want to put the old sheaf back in the shield, take off my armor, say, "God, send out the Lifeboat; I'm coming home this morning." He will be there. Don't worry.

**L-53** And I want to meet you, set down by the evergreen trees, where the angelic choir's singing all the time, for there's no night, it's all day. I want to meet you There, and say, "Oh, Brother Branham, you might've went through a lot of toil and things, but I heard you one day. I watched Christ work by you, and I believed. And here I am. I'm so happy." Oh, how good that'll be then.

Say, "Come over to my house, over here on the hill, visit with me just a thousand years." You see? That won't be very long, just a thousand years, that's nothing.

That's what I want to do. That's why I'm gradually dying, as I am. But it's for His glory. And I love to do it. Wished I had a thousand lives I could live for him.

Now, Billy, I forgot to ask... Where's he at? Did... Prayer cards? How many? One hundred, one to a hundred?

[Blank.spot.on.tape--Ed.]...?... Now, He said, "A little while and I'm going to be the Vine, and you're going to be the branches." Now, the--the vine only energizes the branch. The--the vine doesn't bear fruit. The branch bears fruit. How many knows that? You don't pick it off the vine; you pick it off of the branch. And who is the branch? The Church, the branch. [\[John 15:5\]](#)

**L-54** Well, now if the line--if the vine has a certain life in it, won't that same life be in the branch? Is that right? It's got to be. Wish we had time to preach that unconditional covenant to you for a few days, and show you just how God gets into that branch, and what kind of fruit it is.

Notice, but when He was here on earth, He was the Vine. And when He's gone away, He's still the Vine and made up the branches. Now, He doesn't have any eyes on earth but yours and mine, no hands but mine and yours. We are His mouthpiece, earpiece, and eyes, and so forth of the earth. Is that right? Because His literal physical body sets at the right hand of God the Father on the throne of God in heaven, as a--a Meditator, or an Offering, a Sacrifice. And there's no other meditator between God and man, but that Man, Christ Jesus. You get that? No other meditator, no saint, nor nothing else, no man, no, nobody but Jesus Christ Himself. He's the Meditator between God and men. The Bible said that. [\[Timothy 2:5\]](#)

**L-55** Now, watch. What kind of works did He do here on earth? Let's follow Him, see what He did then. One of His first miracles performed, after laying hands on some sick; one of His disciples (Now, this is for the newcomers.), went over and--by the name of Philip went over and found Nathanael praying under a tree, several miles from him, brought the man back. And the man said, when Philip saw him; he said, "Come see Who we found. Jesus of Nazareth."

And this man from the orthodox church, raised up, and said, "Could any good thing come out of Nazareth?"

Said, "Come, see." That's the best answer I know to give anybody. "Come and see. Find out for yourself." If you don't believe Jesus has raised from the dead, come, find out. I've challenged that before hundreds of thousands of heathens, witch doctors, devil worshippers...?... leaders, never has He failed, and He never will. He can't. He's God. [\[John 1:42, 46\]](#)

**L-56** Then, said, "Come, see." So he... They went along the road talking. He said, "I'll tell," as he went along, "you know the Messiah was supposed to do signs and wonders."

"Yes, this is Him."

"What? Wait till I get there and see." So he walked right up in the crowd, standing like you are there. Jesus praying for the sick, Jesus looked around and said, "Behold, there's an Israelite in whom there's no guile." Well, how did He know he was a believer? What astonished him...

He said, "Rabbi, when did You know me?"

"Oh," He said, "when Philip, before Philip called you, when you were under the tree praying, I saw you." And the Jews was standing there, the priests, and the orthodox from the big church, real scholars and

educated men out of the seminary. They said, "That's the devil. That's Beelzebub. He's the chief of all the fortunetellers. And that's what's doing that."

Jesus said, "You can speak that against Me; it'll be forgiven. But when the Holy Ghost comes and does the same work, you speak one word against That, it'll never be forgiven in this world, or the world to come." [\[John 1:46-48\]](#), [\[John 1:48\]](#), [\[Matthew 12:32\]](#)

**L-57** But what did the man do... Nathanael, when he heard that? He said, "Rabbi, Thou art the King of Israel; You're the Son of God." He recognized that that was the Son of God, by being that sign.

If that would be the sign of the Son of God then, and He's raised from the dead, would not that be the sign of the Son of God today, after He promised He would do the same thing?

When the woman at the well was told of her sins... She was just a woman. Jesus went to talking to her. He talked to her lengthy. And He said, "Go, get your husband." He found her trouble.

She said, "I don't have any husband."

Said, "You got five."

She said. Now listen. "Sir, I perceive that You're a prophet." She said, "Now, we know that when the Messiah comes, He will do these things. He will tell us all things. But Who are You?"

Jesus said, "I'm He that speaks to you."

Look, if that was the sign of Messiah for the Jews, it was the sign of the Messiah also when He was here on earth for the Samaritans, there's only one left for the sign; that's the Gentiles. Jesus was killed before, and sacrifice was made before the Gentiles. And Paul and Peter, and those come along vindicating with the same sign of the resurrected Lord Jesus. If that was the sign of Messiah of then, it's the sign of Messiah today. [\[John 1:49\]](#), [\[John 4:16-19, 25-26\]](#)

**L-58** Now, how many newcomers, first time being here, if Jesus will come to this platform and do the very same thing that He did back there... And look. Now, you say, "Jesus healed everybody." You're mistaken. He didn't heal everybody; certainly He didn't. He went through a pool of people. The Bible said in Saint John 5, a great multitude, thousands of lame, halt, blind, withered, twisted, waiting for the moving of the water. And Jesus went right through that crowd; He had seen a vision where God had showed Him someone laying on a pallet, went over there and healed him, and turned around and walked away. Is that Scripture? Certainly is.

And the Jews questioned Him. They questioning Him today. But watch what He said, Saint John 5:19 now. He said, "Verily, verily, I say unto you, the Son can do nothing in Himself, but what He sees the Father doing, that doeth the Son likewise." Is that right? Saint John 5:19. [\[John 5:3, 19\]](#)

**L-59** Now, He will do the same today. Now, let me say this one more thing. If there wouldn't be a chance... I speak in the Name of Jesus Christ; you, not understanding will have to take My Word. But if the Holy Spirit comes today, and performs the work that He did, do you realize that unclean spirits and things will leave people? Do you realize that you're an open sepulcher for them? Did you know the diseases goes from one to another? You remember the other night when we talked, what it was? It's spiritual. Cancer is a...?... live matter. It's a life. Certainly, it is. It's got a master behind it, the devil. Jesus said so. All kinds of diseases, demons... And if you are unbelieving, or a critic, I ask you, as a friend of Christ, don't stay any longer in the meeting. I'd go out, because you're... I haven't time to explain it to you. But there's hundreds of people today that's been in the meeting, and stricken down with cancer, and paralyzed, and some of them insane, and in the institutions and so forth. For spirits can jump one to the other. Noted men, I have their names with seals on it, by notary public, and so forth, that it's true.

So now, don't--don't be critical. Believe. And if you can't believe, then, I believe that after you heard the message, and may sometime the Lord Jesus bless you and bring you to another meeting. Now, we shall pray.

**L-60** And now, Father dear, all the words I would say through the evening, wouldn't amount to as much

as one word You would say. My word is the servant's word; You Word is the word of the Master. And, Father dear, I have tried to say to this Your heritage, that You have died for them to save them and to heal them. And if they will only believe You, and believe that You're alive today and not dead, and You're here, raised from the dead, and performing the same things that You did, no man can never raise above that, to do what God anoints and shows what to do. Then, Father, I pray that this city, and these people that You have given to me today to teach to, that there'll will never another doubt in their heart, but they will believe in You today, with all their hearts.

**L-61** And these newborn babes that's just come to You, God, speak to their hearts definitely now, to let them know that the Jesus that they just accepted is a live One, the One Who will never die no more and will come someday to take all that has their name on His Book to a better world, where we'll live, eat, drink, build houses and inhabit them, and enjoy ourselves together with Him forever and ever.

Now, Father, will You anoint Your unprofitable servant? As I yield myself to Your Spirit may You used these unworthy hands, unworthy lips, unworthy eyes for Your service. But, God, I am so unworthy. But if You look for worthiness, where would You find it? It's not on earth, Lord; there's no one worthy. But it's the grace of Jesus the Son of God, Who has granted this to the people, knowing that the Scriptures must be fulfilled. These I commit into Your hands, Father. May You reap the results. And help Thou me in Jesus Christ's Name. Amen. [Blank.spot.on.tape--Ed.]

The Lord be with you. Usually the meetings have me in such a condition till I hardly know where I am. I've enjoyed being here. God be with you till we meet again. Pray for me.

Now, we will pray for the sick.

**L-62** You bring the person..?... [Blank.spot.on.tape--Ed.]...?... in this prayer line, are you all strangers to me? How many here is strangers to me? Let's see your hands, everybody. You're every one strangers. There's only one person in the building I know, and that's this boy setting here, and this one standing here; and my boy is here somewhere. He's around here somewhere, my boy. And I know this is the pastor standing here, Brother Bigby. Outside of that, they're strangers. I don't know you. But God knows you.

Now, I wished I could do something for you people setting here. I see, maybe, if you don't have prayer cards, or either if your number wasn't called, you don't have to have prayer cards. Let me show you. How many here doesn't have prayer cards, and wants to be healed, raise your hand? See? See, you don't have to have prayer cards; you have to have faith. Now, Jesus is the same. The only thing that I do, is just yield myself to Him, His Spirit. [Blank.spot.on.tape--Ed.]...?...

It's not my Gospel; it's His. It's not my word at stake; it's His. So, I will not fear; He will do all things well.

**L-63** Now, here's a lady standing here, if you wish to, you can come up just a little closer, lady. You and I being perfectly strangers to each other, I suppose, first, time we've ever met, or been this close together in life... If that's so, raise up your hand. Now, the woman's standing here for some purpose. I don't know. God knows I don't know. But He knows this woman. And now, what if it was exactly the same thing, if this woman was just like the woman who came to the well where Jesus Christ was setting up against the side of the wall. What would He do to this woman?

Now, what if the woman's sick? She might not be. But what if she is sick? Her... If Jesus was standing here with this suit on, that He gave me, could He heal the woman? Be careful. No, He couldn't. He couldn't do it twice. He's done it once when He died at Calvary. Do you believe that? See? You wasn't saved last week. You wasn't saved five minutes ago. You were saved nineteen hundred years ago when Jesus paid the price for it. You accepted it five minutes ago (See?), same thing with healing.

Now, but if He being the resurrected Son of God, and He was standing here in a corporal body like mine, He would say to the woman, the woman, say, "Oh, Jesus, I want You to heal me."

You know what He's say? "I did that when I died for you, don't you believe My vicarious suffering and

death at Calvary, That I was wounded for your transgressions, with My stripes you were healed? That's all He could say. If He done anything more, He'd break the Gospel. Is that right, ministers? He'd break the Gospel. He couldn't. It's already finished. [\[Isaiah 53:5\]](#)

**L-64** Everything a Christian has, it's his faith resting in the finished works of Calvary. Everything was finished and completed, and we rest our faith in the finished work. Any gift that says anything different from that, don't believe it; it's not of God. 'Cause there's where the price was paid. There's where everything was finished, right there.

But now, He set gifts in the church. Now, if this woman... Me talking to her, is to carry a conversation like Jesus...[Blank.spot.on.tape--Ed.]

The Angel of the Lord...?... I seen it here this morning on something. Have you gone one here, sir? It's in one of the pictures? Have you got one, Gene? That's just a portion of It on there, sonny. That was taken; it's just the end of It, one's that we've got on the pictures of Him; we won't sell on Sunday, that's all. But we got It here; It hangs in Washington, DC and copyrighted, and It was taken in Houston, Texas. It was taken again in Germany, was taken again at Little Rock, Arkansas. And It's been taken many times.

**L-65** And that same Angel of God is not five feet from where I'm standing right now. That's right. That's the reason I feel satisfied He hears me. See? I wouldn't make a challenge like that, if I didn't know He was here. But making a challenge like that, with the purchased of Christ's Blood before me, you have to know what you're speaking of.

Now, if He speaks, then that's Him. You can doubt me; that's all right. But if you doubt Him, you'll repent for it, or never see Him. That's right. And if you made fun of it, or criticized it, there's never forgiveness in this world or the world to come, said Jesus. Now, that's a serious thing to think.

**L-66** Now, sister, me not knowing you... The reason I called you sister because you are a believer. Your spirit, as I witness to you feels welcome, so then you're not a critic. You are here for help. And I don't know you. But if Jesus Christ will tell me what you're here for, will you accept it just like the woman at the well said, "Why, You must be a prophet. And we know that when Jesus comes, or Christ, He will do these things"? Then if He's raised from the dead, as I said in my sermon, then He's here. Or the Bible says, rather, that He's raised from the dead, to do the same things. Then you know the resurrected Jesus is here. Will the rest of you believe with all your hearts? Would you believe on the stretcher, lady? Will you believe on the wheelchair, sir? Will you believe over here, all of you? The woman now, perfectly strange, we don't know one another. And I'm trusting in Him.

Now, I go to meet her in the way of faith in the Name of Jesus Christ.

If the operator will watch the microphone, I don't know just how loud I'm speaking at times, whether the audience will hear it or not. That's between God.

The woman is aware that something's going on. She knows that she's in the presence of Something besides a man, her brother. It's the Presence of God, 'cause between me and her now stands that Fire whirling around. The woman is very conscious of It. If she can raise your hand at this time, if you are conscious of that? The lady is suffering, I see her, with a--a mental nervousness. She's all upset about something. And I see her getting something on her arm; oh, it's--it's a blood checking. It's a high blood pressure she's got. And she's got... I see them look over the heart, with a garment looking over the heart here. It's a heart trouble, got a heart trouble too. And then, there's something that's looking in the throat. It's--it's a growth on the inside of your throat. That's **THUS SAITH THE LORD**.

Now, you know whether that's true or not. You're the witness of that. It is true? Now, do you believe that Jesus... Now, you know Something has to come here to tell me that. Is that right? Do you believe that it's the Son of God in His resurrection power to fulfill His Words. Do you believe that? Then will you accept Him now, as Your Healer?

Then, Lord God of heaven and earth, I now condemn the disease of this believer's body and ask for her healing in Jesus Christ's Name. Go home and rejoice, sister, and be happy, be over your sickness. Amen.

**L-67** Now you believe? Well, just settle it. You know there might just that one woman. You say, "Maybe she come with me." I don't know the woman, but... [Blank.spot.on.tape--Ed.]

Now, the man before me is a stranger. I don't know him. I've never seen him. Is that right, sir? If it is, raise your hand. The man is a stranger, not a stranger before God.

Now, sir, you're here for something [Blank.spot.on.tape--Ed.] is in your heart. And I don't know, but if God will reveal it, will you accept it? You're very seriously sick. There's a dark shadow over you. There's two of them. One of them is a spirit of epilepsy. And the other one is a condition of the stomach, that's causing hemorrhages to break forth. I see a doctor examine you, look at that stomach, and he says, that it's even as bad as cancer in your stomach. That's what he told you. That's exactly. Are you a believer? Will you accept it? Then go in the Name of Jesus Christ...?... God bless you, my brother.

Have faith in God. Don't doubt. Believe. All things are possible. [\[Mark 11:22\]](#), [\[Mark 9:23\]](#)

**L-68** Now, I cannot heal; it's your faith in God that does the healing. The lady before me being a stranger that I never seen, I suppose. Are we strange? Perfect strangers. Have faith in God. Don't doubt. Now, it's people out there. See? Their faith operates It as the same as you. I'm singling you out, if I can (You see?), to talk to you. But their faith is the one, just like your faith will have to operate. It's not me; I--I'm not Him. I don't know you. See? It takes your faith in me to believe that. See? Just like their faith is believing and it's just pulling everywhere. But, maybe, if I can just keep your spirit in line...

You're very weak. And you've been somewhere to a place where they had you in bed. It's a hospital. You just come from the hospital, bursitis. that's right. It's left you in an awful weak condition. That's THUS SAITH THE HOLY SPIRIT. Do you believe now? Do you believe that God... You're supposed go back, but you won't have to if you believe with all your heart. Do you believe it? Come here.

Lord Jesus, I bless this daughter of God, and condemn the enemy in Jesus Name. May she receive her healing. Amen. Have a good courage, sister. Believe on Him now, while...?... then worship Him in the Spirit. Amen.

Now, you're just believing everywhere. Would you bring the...?... or whoever? [\[Mark 11:22\]](#)

**L-69** Nervous aren't you? You're looking just straight at me; you're arm is folded. But you're suffering with a nervous trouble. You was praying, wasn't you that God would make me speak to you? You promised God, if I would speak to you, you'd believe Him? Is that right? Is that your prayer? If that's right, raise you hand. How did I know your prayers then? Uh-huh. All right. You're healed.

I wonder now, if you'd do a favor for me? You believe now that the nervousness is gone from you? There's a lady setting right next to you with cancer. That's right. Is that right, lady? Now, you lay your hand over on her.

**L-70** Dear heavenly Father, in the Name of the holy Child Jesus, stretch forth His hands today, Lord, empowering faith, and condemn that blackness over her. And may she be healed through Jesus Christ's Name. Amen.

If thou canst believe. Oh, I challenge your faith.

Now, now, I take every spirit under my control in the Name of Jesus Christ. You believe on Him? Don't you doubt. Get all that funny feeling away from you. That's the only thing keeping you from being made well.

You believe God will heal you with that gallbladder trouble, setting right back there? You believe with all your heart? Will you accept it? If you will, you can have it. All right. God bless you. Raise up your hand; that's right. He healed you of that. See?

You don't need your prayer; you don't need any prayer card. You need faith. I seen the woman when she was trying to eat, and it was coming back up in her mouth, and just the--the gall and stuff in her throat. That's right, isn't it, lady? Raise your hand. It's all gone now. Your faith...

What did that? The same, like the woman that touched the hem of His garments. Well, you said, "She touched His garment."

But the Bible said, "He's a High Priest that can be touched by the feeling of our infirmities." Tell Him what's wrong with you. Just breathe it out to Him in prayer and say, "Lord, heal me." Watch what He will do. That settles it. He's raised from the dead. He's a living Jesus. [\[Mark 9:23\]](#), [\[Mark 5:27\]](#), [\[Hebrews 4:15\]](#)

**L-71** No doubt in my mind, but what there's more people, millions in the world, more worthy of the task of the--of proclaiming Jesus Christ than I am. That's true. I'm nothing, the least among you. I was born out of season, amongst you full Gospel people. I was a Baptist. And you know more about the Scripture, maybe, than I do, but I know the Author of It real good. And I know that He's here. And I know Who I believe. And I want you to believe me. That's why I'm here to help you. Mercy...

**L-72** His Divine love for you is the One. Finger up to your jaw, like that, setting down there, praying, got a stomach trouble, he wants God to heal you. I ain't reading your mind, but that's the truth. You're praying for God to... You said, "Lord, just speak to me." Is that right? If it is, wave your hand, the lady there with the stomach trouble. You're healed. That's right? Your stomach trouble's over. Go eat you a hamburger. It's all right. Your faith has healed you. I had nothing to do with it. I don't know you, never seen you. But your faith touched Him, and He spoke. I saw a vision break over you, seen you trying to hold your food in your mouth with your hand. It's a peptic ulcer. But it's over now; you're going to be well. Amen. Wonderful.

Sir, the man just pulled hisself in front of you. You got a hernia. But do you believe that God is going to make you well...?... I wasn't reading His mind. It was his faith that did that. God be praised.

If thou canst believe, all things are possible. But you must believe. [\[Mark 9:23\]](#)

**L-73** How do you do, lady. You believe me to be His servant? You know that I have... I don't know you. But Christ knows you. Now, it's going to be your attitude towards Him. And if... He said, "If you get the people to believe you," not believe me as Him, but believe that I am here under His orders. I never come myself. He brought me here. I can't do nothing for you. Only thing I can tell you is what has been done for you. And if I tell as a man, then you still could believe that by your preacher, 'cause you're a Christian and have the Spirit of God. But you're wanting help, just a little boost in faith.

Now, if God will explain to me what you're here for, will you accept it and believe it? You will? The first place, as the woman is leaving me, I see her at a table. And she's refusing to eat, because she has stomach trouble. And she is at a place where there's somebody looking through, or into her bowels. It's a doctor. And he says, she's got a--something wrong in the colon. He calls it a stoppage, or a block, or something in the colon, the doctor did. I see it on the paper there that he was writing on. That's right. That's THUS SAITH THE LORD. There's two of them consulted that. That's right. See two of them. Do you believe me to be His prophet? Now, here's another thing. I see someone standing by you. It's a child, little fellow about ten years old, and he's here with you today. And he suffers with a migraine headache. That's right. Amen. Now, take that handkerchief in your hand and lay it on him and it shall leave him. Go in peace and may the Lord Jesus Christ the Son of God grant these blessings. Don't fear, mother. Believe. Amen.

Have faith. Have faith in God. Don't doubt.

**L-74** How do you do, sir. We're strangers to each other. You believe? Oh, my. He lives tonight.

Something happened. If I can only find it. To you again, sir, 'course you're wearing glasses; your eyes are bad or you wouldn't have glasses on. Of course, a man of your age, it actually has to have reading glasses after you pass forty years of age. Your eyeballs just actually get flat, you have reading glasses after that. But your eyes are bad.

But I see someone that's here by you. It's a woman. You're standing for someone else. That's your wife. And she's not here, and she's suffering with arthritis. That handkerchief that you wiped the tears from your eyes, just go lay it on her, believe, and as you believe so shall receive it in the Name of the Lord Jesus. God bless you, my brother.

Don't fear. Have faith.

Sir, you're praying for your wife too. She's a crippled woman. She's not here. But you believe that Jesus Christ make her well? You do? You can have what you ask for, the elderly gentlemen. Have faith in God. You do? Then you can have what you ask for. God bless you...?...

Something has happened to you too, hasn't it? You hear me now. Your ears come open. I trust you find wife well. May the Lord bless you, my dear brother. [\[Acts 19:12\]](#), [\[Mark 11:22\]](#)

**L-75** Let's say praise the Lord. [Congregation says, "Praise the Lord."--Ed.] The Alpha, Omega, Beginning and the Ending, the Fairest of ten thousand, the Lily of the valley, the lovely One; the Son of God, the All-sufficient One, He that Was, which Is and shall come, the Root and Offspring of David, the Morning Star, His Presence is here. In Him dwells the Fullness of the Godhead bodily; in Him there's no disappointment; in Him lays Life; in Him lays healing; in Him lays everything. He is, not was. He is and will ever be the same. God be praised. Hallelujah.

Is this the woman? Excuse me, lady. Feeling terribly weak, have... You believe? If you'll believe with all your heart, he will quit drinking. You believe it? All right. He's an alcoholic. But He will quit it. Take your handkerchief, put it under his pillow, the one that you got in your hand, when the Holy Ghost struck you. [\[Revelation 22:16\]](#), [\[Colossians 2:9\]](#), [\[Acts 19:12\]](#)

**L-76** The woman next to you there, with that rupture, she'd like to be well too, wouldn't you, lady? Uh-huh...?... The man that just jumped and shook his head, he's bothered with nervousness, he'd like to get well too. The man who raised up his hands, had eye trouble for a long time, he wants to get...?... don't you, sir?

You can't hide your life. He's here.

Lady, there's...?... I don't know you, never seen you, but God does know you. Look at me and believe. You've been away for an examination or something. And they examined the chest. And they found infection. That's right. Chest x-ray... And you got to go back. Well, I see a man appear. And that man is relation to you by marriage. He's your brother-in-law. He has kidney trouble and stomach trouble. That's **THUS SAITH THE LORD**. Now, it's your faith. Do you believe? Then go and receive what you've asked for, and lay the handkerchief on the other parties body, in the Name of the Lord Jesus.

Have faith.

**L-77** Lady, the thing that you have is killing more people than any. Heart trouble. But, how many people out there has got heart trouble, let's see your hand. You can be healed the same time she's healed, if you'll believe it. Do you believe it? Then raise your hands, and hold your hand.

Dear God, in the Name of the Lord Jesus the Son of God, I condemn the enemy. You can puzzle the doctors, but you'll never puzzle God. Come out of her in the Name of Jesus Christ, may you go. God bless you, lady. Have faith now and believe.

Do you believe Him? Come on. There's just some suffering there. Cancer, but God can heal it. It's no job for Him to heal cancer if you'll believe. Every person with cancer raise your hand now. You're ready for your healing.

**L-78** Listen, sister. I have never in my life, God knows, and my hand on my Bible, ever seen anybody stand here, but what something happened to them. He promised it. Now, by God's grace, I tell you this now, by your faith coming here, the cancer is gone from you now. But now, if you'll just keep believing, it'll...?... I want to ask you something. As soon as I spoke, you come up here, a strange feeling struck you. If that's right, raise your hand. That's when the cancer left you. See? Now, it's gone now. But he'll walk in dry places and try to return. Ask you pastor, he's been instructed, as he did the other night, now go believing with all your heart and be well. And to confirm this, I lay my hands on this mother in the Name of Jesus Christ, and ask that the power of the devil will stay off of her. Amen. Go, believing now, having faith. Amen.

Lady, do you believe me to be God's prophet, or God's servant? I'm not beside myself, but if God will tell me what you're trouble... I'm just getting so weak; I can't look much more. Will you believe? Then go eat

your dinner; your stomach trouble left you. That's what it was.

Have faith in God.

What if I told you your back trouble left you when you was standing right down there? Would you believe it? Then go. Have faith and believe.

You're up for an operation, take that tumor out. But God's going to heal you if you'll believe it. You believe it? Then receive your healing in the Name of the Lord Jesus called the Christ. Grant it.

Go ahead and eat, your stomach trouble is gone from you, go on, that's right. Hallelujah! Oh, He's great. Christ the Son of God lives. Amen.

**L-79** Little laddie, bless your little heart, honey, just a baby boy. Come here to me. Oh, bless his little heart. Honey, boy, do you believe Jesus Christ the Son of God? If He was here, He'd lay His hands upon you; you'd get well, wouldn't you? You'd quit that old coughing, wouldn't you? That old asthma would leave you. It would leave you too, if you'd believe it. You come here today in an ambulance, a big white Cadillac ambulance, suffering like that. Lady, don't you believe? If you want to, you can rise up out of that cot, and push the thing home, and go home and be well. Why don't you obey God?

How many of you believe? Then stand on your feet. I challenge every person in Jesus Christ's Name, no matter what's wrong with you. O God, I plead for mercy.

Satan, you're a loser. You're exposed. You bluff. You can't hold God's people, longer. I challenge you in the Name of Jesus Christ, you unbelieving spirit, come out of these people, and get out of them. I adjure every one of you in the Name of the living God, Jesus Christ, to rise to your feet to be made whole...?...

#### **56-0419 - Spindale House Recreation Center, Spindale, NC (Paragraphs: 54 - 68)**

**L-55** All right, you may raise your heads. Now, the reason you're to watch this, is because I don't know just how loud or how low. Now...?... the mike because, you'd be... if the Lord does appear, and many visions take place, I just get weak. I get depleted, that's what the boys are standing, watching. They know just when it's enough.

Now, remember friends, to you people here who wouldn't understand spiritual things, it's going into another dimension, into another world. And when the Spirit begins to anoint down...

Now, you see that Angel on the picture there? It's hanging in Washington, DC, where the FBI has examined it, as the only Supernatural Being ever proved to be taken. Just find out, George J. Lacy, the head of the FBI then, just find out his name and address and so forth.

Now, that same Angel isn't five feet from where I'm standing right now. Now, it's true. Now, it's not me, it's Him. There was a Pillar of Fire, Who led the children of Israel, how many Bible students knows that? A Pillar of Fire, is that right? Who was that Pillar of Fire? Christ, the Angel of the Covenant, Which was Christ. He was with Moses in the wilderness, sure. He said, "Before Abraham was I AM." He was the I AM.

Now, if He's still the same, He's still here, in the Light like the Pillar of Fire. Paul saw Him when he was on his road to Damascus, is that right? He saw Him. He said, "I come from God, I go back to God. The world won't see Me, but you'll see Me." [\[John 8:58\]](#), [\[Acts 22:6\]](#), [\[John 13:3\]](#)

**L-56** Now, I want to talk to the woman just to contact her spirit. Now, if the Lord Jesus will do the same miracle here, between this woman and I; or any of you sitting out there, no matter who you are, if you'll look this a--way and believe that I've told you the Gospel truth; I'll assure you that the Holy Spirit will speak right back to you. Now is that a direct challenge, and I'm sure you Christians appreciate, as your brother in Christ, where I'm standing, and why I'm explaining what It is at this moment. I either told the truth or told a lie and God's got to be the One to vindicate it. Would you like to come take the place? Put yourself up here now. You have to know...?... before witch doctors and everything, the other nations.

Now, just to speak to the lady a moment, just like our--our Lord Jesus spoke to the woman. He was God, I'm just His servant. But then if He does do the same thing, will every one of you here that's sick and

needy, would you believe He's raised from the dead and you will accept it, everybody? See?

Now, I do that because, see, it's putting His words in effect. I can't heal her, and I--I have nothing to do with it. It's all her own faith will do the healing, if she's sick. It's your faith. But now, as a gift, see... No one could save you if you're lost, Jesus already did that. No one can heal you if you're sick, Jesus already did that, it's your personal faith in the finished work that does the work.

But now, the woman standing before me, just now, she's aware that something is going on. If the woman can still... She knows that right between her and I stands the Angel of the Lord. Woman if your... the feeling that you have is... you've never had it before, if that's right, raise your hand, see. Sure, He will stand... here He stands right between you and her.

I see the woman on her road coming here, she's not from here. You come from the west and north. You come from the state of Ohio, here. You got a throat condition, cancer at that. Black, you're shadowed to death. That's THUS SAITH THE LORD. You believe now? Now, lady there's something here that knows you. Come here just a moment, I'll pray.

Now, Heavenly Father, I pray that in the Name of Your Son, the Lord Jesus, that You'll bless this woman and heal her, and may the shadow of death be taken from her, and may she live for God's glory. In the Name of Your holy Son, Jesus, I ask it. Amen.

God bless you, sister. Go happy and rejoicing, and praising God. Write your testimony, for the glory of God.

**L-57** Would you come, lady?

Everyone believe, have faith; just a moment, everyone real reverent, now.

Now, lady, you're standing here. I have no idea of what you want, why you're here. But God does know...?... But there's something strange about you. There's a Light around you. You have...you have just been healed. You're praying for somebody else. You've been healed in a Divine healing service, and you were...?... and that wasn't here. That was in my meeting in Colombia, down yonder, because I see the same platform, down at that church, that's right. And you're here for something else, and that is a man, it's your... not your hus... it's a brother, and he's got cancer, and you're here for him. And the handkerchief you're packing in your hand, go lay it on him, in the Name of the Lord, and he will recover...?... Amen.

Have faith, don't doubt, believe in God, so shall it be. Now, do you believe?

You raised up your hand, you've got arthritis, haven't you?...?... you down, I seen you trying to get out of bed, moving sideways. You got arthritis, and are praying that God will heal you. Stand on your feet, sir. Jesus Christ healed you of your arthritis. It's gone from you. Amen. You don't have it now. Your faith made you well. God bless you. [\[Acts 19:12\]](#)

**L-58** Look here, sir. You were sitting there, praying, "God let him speak to me." That's right. You were praying for me to turn and say something. Is that right? Yes, sir. It's your faith. Touch Him. Never touch me...?... touch Him. Now you were...?... aren't you...?... that's the reason your arthritis is over. The Lord Jesus made you well.

Now, do you believe, all of you? Has He raised from the dead? Have faith in God.

Second person sitting in down there, you got a blood disease, haven't you? You believe that Jesus Christ will make you well? You do? The little lady kind of...?... looking, you've got a handkerchief up to your mouth like this. You've got a blood condition, there. The examination shows that it's a blood trouble. If that's right, raise your hand, like... [Blank.spot.on.tape--Ed.] Grant it, that's it, Now the next thing is...?... Don't you see that Light hanging over the woman? She's examined, the blood flows, and she's in a...?... condition. But sister, it's clear, go home your faith has made you well. God bless you.

What did that? She touched Christ, just like the woman with the blood issue, touched Christ. See, it's your faith. Dost thou believe? If you can believe all things are possible. Now, have faith in God, don't doubt; believe.

How do you do, lady? Is this the patient, boy? I'm not beside myself, but are visions that pull me from place to place. [\[Mark 9:23\]](#)

**L-59** Now, you realize lady, me being your brother, as you are a Christian believer, and me being your brother. I'm only here to try to help you. I don't know one thing about you. You're co... you know that don't you? I don't know you; don't know nothing about you, no way for me to know anything about you. But God knows about you, doesn't He?

If I by the Holy Spirit, could be able to tell you what you're here for, or something about you, that you know that I don't know, then you'll have to know it comes from some Supernatural power. Now, what you determine It to be, will determine what you get. Your approach to It, but your suffering is in here. I see you're upset; you're walking back and forth. You're worried about... And I see you're holding your side, it's a heart trouble. You have a heart trouble, don't you? That's the truth, lady. That's THUS SAITH THE LORD. See what I mean?

Now watch, the more you talk to her now, the Spirit on her, more will tell her. That's how...?... for you. One vision, made the Son of God, made virtue go from Him, made Him weak, what would a vision do to a sinner, saved by grace, like me? One vision made Daniel troubled at his head for many days.

Now there's something moving between us. It seems serious, a black shadow, I can't find it no more. You believe me as God's prophet, or as God's servant? You really believe, with all your heart? There's something else to be unloaded, you're not finished yet. There's something you've started, deep desire in your heart, and that's the reason you're so anxious, and trying to draw from the Spirit of God, isn't that right? Because it's about somebody else; and that person has heart trouble also. And it's your husband, and he's in the hospital, that is true. He is in serious condition, with a heart trouble. I see him weak, that's... Let's believe the Lord.

Heavenly Father, I pray for Divine wisdom for this case. May it be granted tonight through Jesus Christ, Thy Son. Amen.

Don't doubt, go believing all things; for all things are possible to them that believe. [\[Mark 5:30\]](#), [\[Daniel 4:5\]](#)

**L-60** Howdy do, lady. I'm a stranger to you, I don't know you. Never... You believe? Have faith in God. Have faith in God. So can you be healed. Now, being a stranger to you, lady; never seen you in my life, never knew you, there'd have to be something Supernatural let me know about you; if there's anything wrong. That's right. Now what you determine it to be, would determine what blessing you would get from it. If you judged it, misjudged it; then there'd be no blessing for you.

There was one time a woman touched His garment, she felt virtue, but a Roman soldier put a rag around His head, His face, and hit Him on the head, and said, "He that can see visions and prophesy, tell me who hit You."

He never said nothing. He only saw visions as God give visions. And the only way I can see vision is if somebody... It's your own faith in God that pulls the visions, not me, I have noth... I just submit myself.

[\[Mark 11:22\]](#), [\[Mark 5:27\]](#), [\[Luke 22:64\]](#)

**L-61** I could hear someone coughing, but I saw a vision, and looked, it was a woman coughing, and it's a different woman. The lady there, she has coughing, it's...?... cough at night, spit up...?... like off your... off your throat, that's right. Raise your hand if that's true, there, the little lady in the blue there. Lift up your hand, put--put up your hands here, the little lady here, that's right. Now do you believe? All right, if you believe, it's over. Amen. Accept it, and have faith in God. See how wonderful He is?

What do you think sister? Have trouble with your head, don't you; head trouble? Isn't He wonderful? It's all gone from you now. Amen.

What did that? Her faith, her faith touched Him.

**L-62** Come here, lady; dark shadow following you. Your life has been one, up and down. You've always desired things, but you never did receive it, specially for Christ...?... You desire a walk with Him. You've made Him promises recently; if He'd see you through this trouble that you're in, that you'd make a

closer walk to Him, that's true. That's THUS SAITH THE LORD. You suffer with a tumor, growth, that's right, isn't it? And that tumor's hid from me, but it isn't hid from God. If I tell you where that tumor is, will you believe me? It's on your leg. It's on your right leg. If that's right, raise up your hand. Now, go believing, and receive it.

Let's say, "Thanks be to God...?... our Lord Jesus Christ."

Have faith in God. If thou canst believe, all things are possible, have faith. [\[Mark 11:22\]](#), [\[Mark 9:23\]](#)

**L-63** You believe, lady? You believe me to be His servant, His prophet or servant? I watch that name, critics doesn't understand. But I'm a stranger to you, I've never saw you, and you never saw me. But you're aware that there's Something between us. You're in the presence of Something besides your brother, a man. If you realize that, raise up your hand. No one can stand this close to Him without recognizing It. It's not a man, you know that. You don't feel that way around men; God alone. Because It's not me, He's just here. I'm a man, you're a woman. If there's something wrong with you, I don't know. I don't know, you know, I don't. He's here as a Mediator, between you and God, now me being gifted by His grace, you could pull from Him what He wants me to say to you.

I see now you're--you're real--real worried. You're upset about something, that's right. You're scared of something. I see you've had an examination of some sort, it's for the blood. Raise your hand if that's true. It's a...it's an infection in the blood, and leukemia is what you're scared of. That's right, it's true, I'm not reading your mind, I'm telling you what is true.

You're not from here either. You're from a city west of here, and it's got a--a big lake in it, a funny--looking square in the...in the middle of the city, and it's up in the mountains. It's...it's...come to it, it's Ashville, that's where you're from. That's right. Your name's Elizabeth, isn't it? Happs. You believe now? That's right Miss Happs? That did it. [Blank.spot.on.tape--Ed.] Is that right?...?...

Our Heavenly Father, I bless this dying woman in the Name of the Lord Jesus, and turn darkness to day, because You give us this authority, that she might believe on You, the Lord Jesus. And knowing that...?... [Blank.spot.on.tape--Ed.] Lay their hands on the sick and they shall recover. And this I do in obedience to You commandments, in Jesus Christ's Name. Amen.

**L-64** Now look this way, just a moment. If He knows who you are, where you come from, and all about your life, He surely knows the future, doesn't He. Now look, you're hungering and thirsting for God, walk with God. And you also are in need of a deep, deep walk with God. Now when you go, go get... surrender yourself to Him and do everything you can to glorify Him. The dark shadow that followed you to the platform has gone from you. Your faith has done it, now go, rejoicing. And don't be scared of leukemia any more.

Let's say, "Thanks be to God," everybody can believe. If thou canst believe, all things are possible.

I told you that trouble, in your back, left you while you was sitting in the chair, would you believe me? Would you believe it? Then it happened.

Let's say, "Thanks be to God." [\[Mark 9:23\]](#)

**L-65** Come. Lady, you got a disease that kills more people than anything else: heart trouble. But Jesus Christ can heal the heart. You believe that?

Father, I intercede for this dear dying woman, in the Name of Jesus Christ, that You will heal her and make her well, for Your glory. Amen.

God bless you, sister. Go happy, rejoicing now, and praising God.

Would you come, sir? Well, insulin's a good thing, but Christ was...?... for diabetes. You believe that He will heal you of diabetes, and make you well? Do you believe it?

Oh, God, our Father, I condemn this devil, that's killing my brother. And ask that You will heal him in Jesus Christ's Name. Amen.

All right, go believing now. Don't doubt, have faith in God. Now you believe? Was Jesus raised from the dead?

**L-66** Come here, lady, just a moment, stand there. You believe me to be His servant? God bless your heart, woman...?... Look at this aged mother, anyone watch the expression of the people when they come in the presence of Him. Look at that...?... that woman, that Christian, standing there, suffering with arthritis, weeping in the presence of the Lord Jesus. Not because of me, I'm His Voice.

Mother, you believe He will let you get well? Do you believe it with all your heart? Do you? All right, then turn and go to your home rejoicing, God...?... God grant it in the Name of the Lord Jesus Christ, Thy Son.

Have faith in God, don't doubt. If thou canst believe, what did He say? [Congregation responds, "All things are possible."--Ed.]

Oh, what a glorious time, living in the presence of the resurrected Jesus Christ. You believe He's raised from the dead? [Congregation praises the Lord--Ed.] Then if He is Who He has promised; these things... He would do these things; then He promised if you would ask the Father anything in His Name, He would do it. Amen.

Every promise is true. This is God's Word, and every promise is true. To him that believeth, all things are possible. Don't doubt. No, I'm not reading minds, quit thinking that. Now, somebody pray. See if I'm reading minds, you pray. Just believe God. [\[Mark 11:22\]](#), [\[Mark 9:23\]](#)

**L-67** You're feeling better aren't you, since you're healed of nervousness. Isn't He wonderful?

All right, you two ladies on the end, standing there, both of you suffer with the same trouble, back there, the two ladies standing right back there. Both of you have tumor on the breast. If that's right, raise your hand. And both of you are wanting spiritual help. That's right, isn't it? Put your hands around each other.

Dear Heavenly Father, Satan is exposed. May he leave them both and come out in the Name of Jesus Christ. Amen.

Go back to your seats now...?... Let's say, "Praise the Lord."

Do you believe, sir? Do you believe me to be His prophet, His servant? I'm a stranger, I've never seen you. No, we are strangers to each other. Something strange about you though, I don't know you, never seen you. But you're here for me to pray for you for heart trouble, that's right. If you... Have you give up smoking? Quit smoking and--and--and serve the Lord, do everything you can to please Him, will you do that? Promise to do it, raise your hand, promise to do it? All right, then go, and as the Lord Jesus touch you as you go, in Jesus Christ's Name. On your road rejoicing, sir, be happy and believe.

Dost thou believe?

**L-68** Must be about time for me to leave; they always touch me by the side, and I know I don't have any conception of time. And, what you believe, you see this person here, Oh you was just prayed for wasn't you? Have faith and believe.

What about you crippled and afflicted people out here? Where's your faith? I'm not your healer, I'm your brother. I challenge your faith. I challenge it, 'cause Jesus Christ lives.

You, sitting in the chair over there, with your hand up; you believe it? If God will tell me what you're suffering with, what you have, will you believe Him? You have growths in the intestines; you have trouble with your bladder, don't you? That's right, isn't it? Won't you raise up out of your chair, and go home and be well in the Name of Jesus...?...

You believe? If God will tell me what's wrong with you, will you accept your healing?...?... high blood pressure...?... You believe me now, don't you? If you believe with all your heart, then Jesus Christ heals you, rise up, take your bed and go home. Be well, stand up on your feet, that way, sir...?...

Let's say, "Praise the Lord." How many believes on the Lord?...?... don't you? There you are, be healed. Take your bed and go home now...?... the rest of you will be healed, if you'll believe. Will you believe? Let's raise our hands to God.

Heavenly Father, in the Name of the Lord Jesus Christ, we charge the Devil to be a liar. God's truth,

ever truth, and now we ask that every person in here be made completely whole, through Jesus Christ's Name.
