## 56-1002E - Lane Tech High School, Chicago, IL (Paragraphs: 65 - 86)

L-66 Your trouble, brother? [The brother speaks to Brother Branham--Ed.] All right. You come in a representative way. Do you believe that God will answer prayer? Our heavenly Father, as he stands for a friend, I ask that Your Holy Spirit go to that friend and restore him to his right condition. In Jesus' Name I pray. Amen. [The brother speaks again to Brother Branham--Ed.] Oh, God bless you, brother. Fine.

Your trouble, brother? [The brother speaks to Brother Branham--Ed.] Nervous...?... Dear God, laying hands upon my brother. I condemn this evil and ask for his healing in Jesus' Name. May he rejoice like the other brother. Amen. God bless you, brother.

How do you do and your trouble, brother? [The brother speaks to Brother Branham--Ed.] Oh, God bless you, brother. Father God, Thou always are truthful and I bless this brother. And as I pray in Jesus' Name with my body touching his, may the power, the Holy Ghost touch him and give him his desire. Amen. God bless you, brother. Let me hear from you.

L-67 You, sister. [The sister speaks--Ed.]...?... Restore, Lord, this woman's health as my body touches hers through my hands, as Thy Word has said, "Lay hands on the sick, they shall recover." This I ask in Jesus' Name. Amen. I want you, get a check on that and write me now. I want to find out what takes place.

Now, what's your trouble, brother, quickly? [The brother speaks--Ed.] Oh, excuse me, Brother Joseph. Come brother. Give me your handkerchief. My heavenly Father, his loving companion is sick, and I bless this handkerchief. And as the Israelites were backed up at the Red Sea and the enemy had them cornered, but they had a promise. And the Spirit of God came down and looked upon the waters, and it got scared, and it moved back, and Israel went to the promise. God, this is Your promise. And I send this handkerchief to his wife, and when it touches her, may the enemy see that that's a promise of God. And may he get scared and move away, and may she go to the promise of good health, in Christ's Name. Amen. Let me hear from her now won't you? God bless you. All right. [\[Mark 16:17\]](#), [\[Acts 19:12\]](#)

L-68 The baby? What's its trouble? [The sister speaks--Ed.] Oh, it's deaf and dumb. Oh, bless her little heart. Now, you believe Jesus will restore its hearing and speech? You do? All right. I'm going to pray for it. I want you to see what happens to it.

My dear heavenly Father, to the deaf and dumb child, I pray that you'll move this spirit from the child and make it to hear and speak. And, grant this, Lord, 'cause the child is just a baby, but Thou art God. And I pray that You grant it in Jesus' Name. Amen.

Now, just... Keep your heads bowed a minute. Now, this is not casting out. You see? It's not a vision. I don't know what it's for. But just a minute, I want to see if God healed the child. Keep your heads bowed, now. [Brother Branham claps his hands once--Ed.] Do you hear that? [Brother Branham snaps his fingers--Ed.] She can hear. [Brother Branham speaks to the child--Ed.] Mama. Mama. Mama. Mama. Can you say that? Mama. Watch this. [Brother Branham snaps his fingers--Ed.] See her little eyes turn around and look and see where it's coming from? [Brother Branham snaps his fingers--Ed.] Now, she's never spoke, you see, so she can't just... Like this. Mama. Mama. Mama. Mama. Mama. Mama. Say it. Mama. I tell you what you do, sister. Take her right her somewhere and set and just try to get her. See? She... I believe she can talk. I--I can't say, 'cause it's... I--I have to believe. But my faith says that she's healed. See? I believe it. I can't... But you get her to speak; she can hear. I know that. She could hear that. She could hear it. But I believe she could speak too. It both works on the same nerve. You get over

there and see if she's don't say, "Mama." Get her to say, "Mama" or something like that. All right. God bless you now. Let me hear from you in a few minutes. All right.

**L-69** Your trouble, sir? [Blank.spot.on.tape--Ed.] Nervous disorder. Christ can heal that. Don't you believe it...?... Our heavenly Father, I bless this man and lay hands upon him, and ask that this nervous disorder leave him. And this blessing I ask in Jesus' Name. Amen.

Now, look son, nervousness is the hardest thing there is to fight, worse than cancer, because you can't mentally balance yourself right. You see? You can't get your mind running right. But now, you start from right now knowing that you're standing in the Presence of God, and say, "This hour, right now, I am healed." And go out saying the same thing, say it till you actually believe it (See, see?), till you really believe it. And then you'll get well. Do you believe that? Now, go rejoicing and let me know what happens to you now.

You're trouble, sir? [The brother speaks--Ed.] Come right here, sir, just a moment. Oh, yes, buzzing in your ear and a weakened right hip. You... that leg. You believe God will make you well, sir? Our heavenly Father, You're no respect of age, person. And I, as Your servant, lay hands upon this, my brother, that I'm very conscious now that I'll stand with in the day of judgment. And ask that You heal him and make him well, knowing that this is the time, and I pray as the effectual fervent prayer for his healing. In Christ's Name I ask. Amen.

Now, I want you to believe now that you're healed. Now, I just want to touch your ear and ask God to heal you and make it to hearing and everything all right. I want you to believe that you're leg's better. Feel your leg and see if it feels any better. See? Do you believe it's better, feels? It's better? That's very good. And how's the ear? It's better? Oh, I thought you had a hearing bad. All right. Now, you go and let me know what happens to the leg and to the ear. Will you write me and tell me? Just at Jeffersonville... God bless you. All right.

**L-70** Now, bring the lady. Oh, she can't walk very good, or pack and bring her. That's good. Now, sister, what's your trouble? [The sister speaks--Ed.] Paralysis, asthma and paralysis. Now, there's only one thing can help you, sister dear; that's the Lord Jesus. You're a beautiful young woman. It's such a shame to see you in this condition. I wished I had power to do it. I'd do it, sister. I would. God knows my heart. I don't have. I--I--I'm not the one. See, it's already been done. See? Christ did it. And now, only thing I can do is pray for you and ask you to believe that it is done, and Christ will make your body obey your faith. You believe that now?

That... You... Is this your daughter? Do you believe it? Will you let me know how it comes out and what happens? How long she been this a way? Since a child. Then any improvement would show right away, wouldn't it? Are you here in the city? Would you... Are you going to be here a few days? Would you let me know in the next, say, tomorrow night if there's any improvement? And any of you, I want you to do that. Will you believe with me now, while we try to pray the prayer of faith?

**L-71** Our heavenly Father, as this lovely young, black-headed, black-eyed, young woman stands here, who would be a darling to anyone, I pray for her, Father. The devil has did this; I'm sure. I know not why it is. And I ask You, Lord, as this night is set for this; I lay my hands upon this paralyzed, afflicted young woman and ask with the sincerity of my heart, that, God, the clock will not come back around again until there'll be something happen that'll cause this mother and her to return to this platform giving You praise and glory. If You'll do that, Lord, I promise You I'll start praying for the people in this manner and doing all that I can for Your people. Let this be an example, Father. I pray in Jesus' Name for her healing. Amen.

God bless you. Now, you feel better, do you? You do feel better. Well, that's very fine. I believe you are better, right now. And I believe you're going to be so much better in the next twenty-four hours, your mother is going to come here and tell about it. Don't you? And you too... All right. The Lord bless you now. All right. God bless you.

[The woman speaks--Ed.] God, I pray that in Christ's Name, You'll bless this handkerchief for the woman. Amen. God bless you, sister. Now, let me hear. [The woman speaks again--Ed.] Father, grant to this woman her desire. I pray, God, that her heart will be so elated over her daughter that everything that You have for her will be granted to her, in Jesus' Name. Amen. God bless you.

L-72 Now, sister, what do you want to be prayed for? Oh, God bless you. Heavenly Father, bless this little woman as she stands here waiting for her turn. I lay hands on her and ask for Your blessings to rest on her, in Jesus' Name. Amen. God bless you, my sister. Do you believe now? Amen. All right. Fine. Your trouble, sir? [The brother speaks--Ed.] Stomach trouble. O Father God, I pray for this man's stomach trouble and ask that he be healed, and maybe tomorrow he will come in and bring a letter, "My stomach never has bothered me since." In Jesus' Name I ask this. Amen. Let's hear from you, brother. You believe now? All right. That's good.

What's your trouble, sister? [The sister speaks--Ed.] What? Oppression. Come here. That's the devil, of course. Our heavenly Father, bless this lovely young woman standing here, as she looks and says, "Oppression." See her holding this handkerchief and rubbing her hands together, know that it's the devil doing that. And I pray, God, that You'll rebuke him and make him leave the woman. And may by tomorrow night, Lord, may these people be flooding this place, telling what You've done for them. May she be come and telling the great praises of God. Amen. God bless you, sister. You believe now. Go rejoicing and thanking God.

L-73 [The sister speaks--Ed.] Knot under the arm and cancer in the stomach. You realize it's death, sister, if God doesn't heal you? You must believe now. O heavenly Father, as I look in the face of this sincere looking woman, God, I pray that in Christ's Name that You'll bless her and take all this cancer from her. May it die and not bother her no more, in Jesus Christ's Name. Amen. I want to hear what happens to you now tomorrow. All right.

Now, you... What you want prayed for, sister? [The sister speaks--Ed.] Yes. All right. You believe Jesus will heal you? Heavenly Father, I pray that You'll close this place. Thou art the One Who could open the Red Sea and close the Red Sea. And I pray, God, that You'll heal this woman, in the Name of Jesus, Thy Son. Amen. Now, believe it, now, sister, all your heart.

Now, come sister. What's your trouble? [The sister speaks--Ed.] Arthritis. Heavenly Father, this is something the doctors cannot do anything for. But Thou art not a remedy; You're the cure. And I pray that You'll heal this woman and may she be well the rest of her life, in Christ's Name. Amen. Now, do you believe? All right. Go, rejoicing. Let me know what happens by tomorrow night.

L-74 What's your trouble, sister? [The sister speaks--Ed.] Oh. God, I pray that in Christ's Name that You'll heal the woman and make her well. May tomorrow night her testimony be here that God has healed her. In Jesus' Name I pray. Amen.

Now, don't look to me as... But remember, the God of Elijah is here. Watch and see if He doesn't prove that He's here.

Your trouble... I seem like I ought to know you. Aren't you Mrs. Domiko? Mrs. Domiko's friend; that's right. [The woman speaks--Ed.] Oh? Oh, well now, that's sure to... Now, He's the Healer, isn't He, sister? Our heavenly Father, I pray with all my heart that in Jesus Christ's Name that You'll heal this dear woman. This growth is on her, and You alone can take it off. And I lay hands upon her in Jesus Christ's Name. Amen. Now, let me hear tomorrow what happens.

Your trouble, sister? [The sister speaks--Ed.] I do. God be merciful to you, sister. Are you believing now? Our heavenly Father, as Your servant, You're... And after hundreds and hundreds and thousands of years has passed, You're still God. You'll be God always. People still needy, and as long as there's a need, there's a God to meet that need. And I pray as I lay my hands upon her, as Elijah laid his body upon the child, I ask for her healing through Jesus' Name. Amen. God bless you, sister. Now believe.

L-75 Sister Wood, of course, I know your trouble at this side. Heavenly Father, I pray for my sister with

the sincerity of my heart. May this be the time that You'll make her well from her side. I pray that it'll leave her now and never bother her again, in Jesus Christ's Name. Amen. God bless you, sister.

Your trouble? [The brother speaks--Ed.] For another brother. Would you come just a little closer. Heavenly Father, he represents someone else somewhere in this world. I pray that You'll heal that someone else and bless this man for his efforts, in Jesus' Name. Amen.

Come, sir. Your trouble, my brother? [The brother speaks--Ed.] Your only son's mentally ill. Heavenly Father, may he, O God, as my heart bleeds for him, may that evil spirit leave the boy. And may when he returns home, find it even gone, and come and give testimony to the glory of God. Father, I humbly ask this, in Jesus' Name. Amen. God bless you, brother, and may you receive what you've asked for.

Your trouble, sister? [The sister speaks--Ed.] He does though, doesn't He? Our heavenly Father, as the little lady's not certain, but it's a stomach condition somewhere. I pray, Father, that You'll make the evil leave her as I lay my hands upon her, in Jesus Christ's Name. Amen. God bless. Now, let me hear what happens tomorrow. See? All right.

**L-76** Sister, what's your trouble? [The sister speaks--Ed.] Your daughter in a hospital? All right. You want to take this handkerchief to her. My Father God, I place this handkerchief before Thee in my hands, which is unworthy. But Thou has so seen need to send it to all the world. I pray, heavenly Father, that You'll bless this handkerchief when it lays on her daughter. May she be dismissed from the hospital a well person and come home, through Jesus' Name. Amen. Now, God bless you, sister, and may it be so. Let me hear what happens.

Your trouble, sister? [The sister speaks--Ed.] Arthritis...?... Oh, I see. Gets worse all the time. Yes. All right. Now, sister, there's only one hope; that's in Christ. Are you now conscious that even the preaching of the Word... Have you ever seen the meetings, other meetings? Was you here last night? Did... You was here Sunday? Did you see how the Holy Spirit worked among the people? Now, see, He's here just the same. He's right here. See? You believe that? Now, heavenly Father, I lay hands on our sister and bless her in Jesus' Name; that between now and tomorrow night, the sign that I asked You in the hotel room tonight, I pray that You'll have this woman returning saying the arthritis is gone. In Jesus' Name I ask it. Amen. Now, don't doubt. But come and let us know what happens. Will you do it? God bless you. All right, then. [\[Acts 19:12\]](#)

**L-77** Now... [A brother asks the congregation to remain in prayer--Ed.] Just a few more minutes and we'll be finished. All right. Come right along.

Your trouble, sister? [The sister speaks--Ed.] O God, in Christ's Name I pray that You'll heal this woman of arthritis. May her testimony tomorrow night be great, in Jesus' Name. Amen. God bless you, sister.

Your trouble, sister? [The sister speaks--Ed.] Eyes. Heavenly Father, as I hold the hands of this young woman, I pray that in Christ's Name that You'll restore to her her sight. And may she be well and testify to Your glory tomorrow night, in Jesus' Name. Amen. God bless you, young lady.

Your trouble, sister? [The sister speaks--Ed.] Nervousness and headaches. Heavenly Father, I pray that You'll bless this young woman and heal her of nervousness and headaches. And may her testimony be tomorrow night, "It's never bothered me since." I pray for this blessing in Jesus' Name. Amen. God bless you, sister.

And your trouble? [The sister speaks--Ed.]...?... O God, Thou knowest all things. I pray for this dear woman that You'll heal her of this trouble. In Jesus Christ's Name may her testimony be tomorrow night, "I'm healed." Amen.

**L-78** God bless you, sir. [The brother speaks--Ed.] Dear God, this dear man with a double rupture and desiring a double portion of Your Spirit, God, I lay hands upon him as Your servant, and knowing the need of the day, I pray that You'll grant the things that he asks. I sincerely ask in Jesus' Name. Amen. God bless you.

[The sister speaks--Ed.] Oh, back injury. You believe that tomorrow night you'll be coming up here

testifying...?... and your stomach, you can eat again? Heavenly Father, I bless this woman and I ask for her healing for a testimony in her neighborhood of the Lord Jesus. I ask it in Jesus' Name. Amen. Now, let's hear tomorrow.

[The sister speaks--Ed.] Yes, imperfect hearing and stiff finger. All right. You believe that you're going to be hearing perfect? You believe you're going to be hearing perfect and your finger's going to be well? Our heavenly Father, bless this woman and make her hearing perfect and heal her stiff finger. I pray for this, that tomorrow night the testimony will be to the glory of God, in Jesus' Name. Amen. God bless you, sister.

I believe we'll hear it, don't you? [Congregation says, "Amen."--Ed.] I'm believing.

**L-79** [The sister speaks--Ed.] Our heavenly Father, as this child stands here and asks, just a young woman here at the crossroads of life, I pray that You'll heal her of this nervousness, Lord, and this growth in her neck. I pray that tomorrow night she'll come back and say the growth is gone and her nervousness is gone, and she'll be well so she can serve you. God, then if You'll do this, I'll run a pray line like this constantly. Grant it in Jesus' Name. Amen. God bless you, sister.

Your trouble, sister? [The sister speaks--Ed.] High blood and arthritis. Heavenly Father, I bless this here woman, as I hold these hands, perhaps, it's pat a little baby's cheek many times, rocked the cradle when the baby was sick. O Father, I pray that You'll take the arthritis and trouble away from her and may tomorrow night she return rejoicing saying, "It left me. I'm well." In Jesus' Name. Amen.

**L-80** [Someone speaks to Brother Branham--Ed.] The little baby, the little deaf and dumb baby is saying, "Mama" and can hear. [Congregation worships--Ed.] Let... Send them back up to the platform now.

Your trouble? [The sister speaks--Ed.] O God, in Christ's Name heal the woman and make her well. I pray in Jesus' Name. Amen.

What you say? [The woman with the baby speaks to Brother Branham--Ed.] Ma, Ma. Well, that's very fine. Now, you're my little girl friend. Do you believe that...? Can you say, "Mom" for me? Mom. Mom. [Brother Branham asks the woman--Ed.] See if you can do it. Mom. Ma. Ma. She's trying hard. Ma. Ma. Ma. Ma. Ma. She thinks I'm trying to get her to smile for her Mom. See? [Brother Branham claps his hands--Ed.] Oh, play up turn up on the music, wherever... [The organist gives a few chords--Ed.] Mmm. Mmm. Ma. Mama.

She said it down there, did she? [The woman speaks to Brother Branham--Ed.] She said that here, your mother? The neighbors that brought her, and she took her out the door and she said, "Ma." And that shows that that spirit has gone from her. She's never spoke to her in her life. She's a baby. Now, could it be possible for you to get her back tomorrow night, if you could train her a little bit tomorrow on how to talk and bring her back? I want the audience to see what happened. And you'll do that?

**L-81** What, are you Norwegian or something? Swedish. Well, that's very fine. And she's not Swedish though, is she? I didn't think so. You look like an Irish girl. Yes, sir. Oh, yes. Her father is working and her mother has two small children, but the child has heard and spoke tonight. See? Now, that's just--that's just real faith. Just go believe it; that's all. And what I'm doing, I'm trying my best just to throw myself in there and just believe for the people, then see what happens. If it works, I'll run a prayer line every night like that. God bless you.

Now, I want to hear tomorrow. You train her. Now, she don't know how to say... See, if we say, "Pull your ear," she--she started doing that. If you say, "Move your finger," or get her to do that, she'd mock it. Now, she thinks we're trying to get her to go... See? But you have to make a sound. You see? You bring her back tomorrow night. Or if you can't, the next night, anyhow, so the audi... I'd like to see her tomorrow night. I believe she'll talk tomorrow night. She was saying, "Mama," and so forth. Don't you? Do you believe it with me now? God bless you, sister. All right.

**L-82** Your trouble, sister? [The sister speaks--Ed.] O dear God, heal this poor lady as she stands here, a good woman. And I pray that You'll make her well through Jesus Christ's Name. Amen. God bless you. I

want to hear from you tomorrow night now.

Your trouble? [The sister speaks--Ed.] O God, heal our sister of this stomach and kidney trouble. And may she return tomorrow night saying, "Well, it's all gone." We pray in Jesus' Name. Amen. You believe it now? All right. That's right.

Your trouble, sister? [The sister speaks--Ed.] Blind in left eye and losing the sight in your right. Oh my, that's too bad. Just a lovely little lady. Now, don't you believe tomorrow night that you'll be able to come up, and even show us, and point to us, and tell us by this left eye can see and the right one's good again? Don't--won't you believe that? Will you believe it? I... [The sister speaks--Ed.] Amen. That's fine, honey.

Our heavenly Father, I bless this child standing here going blind. Now, Lord, Thou knowest all things, and I hope and trust in You that tomorrow night this will be one flood of testimonies. Grant it, Lord. And may the child be able to see out of this blind eye, the little deaf and dumb girl, speaking and hearing. Grant it, Lord. I pray in Jesus' Name. Amen. Now, let's hear from you, sister. I believe it. Don't you believe it? All right.

[The sister speaks--Ed.] O Jesus, this poor woman, arthritis, ringing in her ears, sinus infection, Thou can heal these things. And I bless her, Lord, as a prayer of faith. You said the prayer of faith shall save the sick. And with all my heart, I'm trying to yield myself to Your Spirit, knowing that You're standing here at the platform. I ask for her healing through Christ's Name. Amen.

**L-83** Come here. [The brother speaks--Ed.] Hard--hard of hearing? Tomorrow night, do you believe you'll hear perfect? Heavenly Father, I ask for his healing tonight, that the evil spirit that's made him deaf, the deaf spirit will leave him, and tomorrow night he will come back rejoicing, praising God, and can hear perfect. In Christ's Name I ask it. Amen. I want to hear from you, now, tomorrow night.

Your trouble, sister? [The sister speaks--Ed.] Your baby. Heavenly Father, I bless the mother for her offspring, her baby. And as the Shunammite woman came for hers, may the God of heaven bless her child and make it well, in Jesus' Name. Amen. God bless you, sister. All right.

God, she stands for the sister that she played with as a little girl. She has cancer, and You alone can heal her. May the message come, like--like the lady down in Kentucky a few weeks ago. May she be healed, in Jesus' Name. Amen. God bless you, sister. Now, believe now. Amen. All right.

How many loves the Lord? [Congregation says, "Amen."--Ed.]

[Blank.spot.on.tape--Ed.]...?... the Lord Jesus with all my heart. Isn't He wonderful? Love Him... Praise the Lord. God is real, isn't He? You know that song we sing, "God Is Real. I can feel Him in my soul"? Jesus is wonderful.

Let's pray just a minute. Heavenly Father, I pray that You'll magnify Yourself. Let these people know that You're here, that You're God, that You're real. I pray in Christ's Name. Help me, God, just now, in Jesus' Name. Amen.

I don't know. How many more we got down there, Billy? About five more? Think we'll change the order of the meeting. Do you believe God's here? [Congregation says, "Amen."--Ed.]

**L-84** You got bad breathing, haven't you, sister, setting out there? You believe that God will make you well? Amen. It's gone now. Thank the Lord.

Isn't He wonderful. God is here. I just can't hold it any longer. It's just choking me down. Visions are flashing everywhere. Oh, how wonderful.

There stands the Angel of God, standing right over that lady setting there with sinus trouble. If you believe, lady, about three back from the row on the other side, believe with all your heart, you can be made well. If you believe it, you can have it. Amen.

What do you think out there, you in the audience, are you believing? [Congregation says, "Amen."--Ed.]

Do you believe, lady? All that nervous trouble you think will leave you, do you? Amen. That throat trouble too will leave you, don't you? You believe that cancer will go out of your throat? You do? If you

do, praise the Lord, say, "I believe Him with all my heart." Amen. Then in Jesus Christ's Name I condemn this enemy, that leaves the woman. Amen. God bless you. Go rejoicing. Amen. Isn't He wonderful?

You believe that Christ will heal you? Yes, your son's mentally ill, isn't he? Wasn't that strange? But you got sinus trouble too, and nervous trouble that you want to get rid of also. Do you believe Jesus will make you well? Amen. See, I want you to know that all the time, passing by here visions was coming. I just didn't say nothing. Amen. Go and receive it, sister. In the Name of the Lord Jesus, receive it. Hallelujah.

He's here. Have faith out there and see if He doesn't call you.

**L-85** How do you do? Don't know you, lady. God knows you, don't He? Do you believe me to be His prophet? Do you believe that these people passed by here were actually blessed? What would you think of being healed then? Your faith, is that right? If God will prove to you, He's standing here on the platform... I never seen you, just a woman, come up here on the platform. If God will tell me what you're here for, will you believe me as His prophet? Will the rest of you believe me with all your heart? You're all nervous and upset about something. Yes, it's caused by death. That was your son-in-law, just killed recently. That's right. You're here for a person that you're praying for for salvation. That's your daughter. Yeah, and two other people. You got three handkerchiefs for people to be prayed for. Is that right? It's THUS SAITH THE LORD. Now, do you believe? O God of heaven, let Thy mercies rest upon her and bless these, in Jesus' Name. Amen. That's... Yes. Amen. Have faith. You believe?

You seem to be all elated, little lady, setting there on the end of the seat. You believe me to be the servant of the Lord? You don't have a doubt in your mind? You believe God will heal you of that kidney trouble and make you well?

What you weeping for, setting next to her, with the red dress on? Do you believe me to be God's prophet, little lady? If God will tell me what your trouble is, will you receive your healing? You'll believe? TB. You believe that Jesus will heal you?

**L-86** The other little lady with your hand up. What do you think about it? Look at me here a minute. Do you believe me to be God's prophet? If God will reveal to me what your trouble is, will you receive it? You have kidney trouble too. That's right.

What do you think little fellow, setting there, little bitty boy? What do you think about it? Do you believe me to be God's servant? If God will reveal to me what you want, or something another about you, will you accept it? You will? Got stomach trouble. That's right, isn't it? You want to be healed. Like to go back to Maryland and be made well, is that right? Uh-huh.

That lady next to you is from Maryland also. The little lady with the red dress on is from Pennsylvania. That's right. This other lady's from Maryland. That's right too. You're all from out of town. That's right, isn't it? Raise your hands if that's right.

What do you think, lady? You believe me to be God's servant? Do you believe the power of God is here? You believe that God will give you your desire? You believe that God is here, Christ, Who can reveal all things, the secrets of your heart as He promised He would in the Bible? Do you believe that? All right. You're awfully nervous, aren't you? And the reason you got nervous, then you got a stomach trouble from it. That's right. Because you're nervous.

Say, by the way, as I look at you, I see a lot of water come floating in. You're worried about somebody overseas. It's up in a mountain country or way up in a rolling country. It's a Scandinavian; it's Norway. And it's a man. And it's your son, and he's in a hospital...?... seeing a face, and... It's yellow jaundice he's got, and he's in a hospital. That's right, isn't it? If that's right, raise your hands. THUS SAITH THE LORD. O God of heaven, send Your blessings and bless I pray, in Jesus' Name.

Folks here, do you believe? Are you ready...

**56-1004 - Lane Tech High School, Chicago, IL (Paragraphs: 52 - 82)**

**L-53** Now, we'll call some people to the platform for prayer, and now I... 1 to a 100. All right. Let's have prayer card number 1 to... What--what's the letter? U's. A U number 1 to come forward. Who has prayer card U number 1, number 2, number 3, number 4, number 5, number 6, number 7, 8, 9, 10? Stand those up and fix... And now, when you get your card, when it's called, just move out.

And you know I was thinking today, before leaving the meeting, if I don't get all the people prayed for in this manner, and they can't accept it, I'm going to have a night one of these nights, maybe tomorrow or next night something that, that without discernments and so forth I want to bring the people across and pray for them anyhow, just in a line of that type and to see just what our Lord Jesus will do.

**L-54** Now, my way of praying for the sick... Now, I want your undivided attention just for a moment. Most people lay hands on the sick, and that's the old tradition of laying hands. That was the Jews. They--the Jews believed in laying hands on the sick. The Gentile believed in, "Say the Word, Lord. My son will be healed." Is that right? See? The Jews said; Jairus said, "Come lay your hand on my daughter and she'll live."

But the Roman said, "Just speak the Word, and my servant will live." Now, that's--that's a higher plane. That's a higher. Like when all the disciples after the resurrection while the disciples were standing there. "Oh, the Lord has risen indeed and has appeared to Peter. He's appeared to this one and here come those from Emmaus, saying, "The Lord has risen indeed and met us on the road." [\[Mark 5:23\]](#), [\[Luke 7:7\]](#), [\[Luke 24:34\]](#)

**L-55** Thomas standing there said, "Nope, nope, nope. I don't believe it. Nope. I have to touch His hands. I have to touch His side 'fore I'll believe."

God's a good God, as Oral Roberts usually say. God is a good God. He will bring Himself... Although that's His initial way, He will bring Himself down and give you the desire of your heart. Don't you believe that? Then God came down and said, "Thomas, come here. If it takes that for you to believe, come here." And Thomas come over and touched His hand, said, "Now, You're my Lord and my God."

Now, listen. He said, "Thomas, because you've touched Me and so forth, you believe." Said, "How much greater is their reward, who has never seen Me even and yet will believe." That's what I'm trying to get the people to believe, regardless of anything. Believe it anyhow. Faith is the victory. [\[John 20:27-29\]](#)

**L-56** Now, is... Have you got ten of them there? Let 10, 11, 12, 13, 14 and 15 stand up if they will and come there, if you're able. Now, we'll form this prayer line, and then we'll start right praying.

Now, I'm going to ask you something while these are being--these are being formed. Now, anyone knows that if there's anything that I could do to help those people, I'd be glad to do it. I would. That's from my heart. Knowing that someday in the Presence of God I've got to stand, and if I could do anything to help them, I'd be glad to do it. I can't. Only thing I can do is--is speak the word that Jesus said here, and then if I speak the Word (now, listen), if I speak the Word in the way It's written, then God's obligated, just as much obligated to His Word now as He was to Noah, is that right? Just as much obligated as He was to Daniel, is that right? Just as much obligated as He was to the disciples, is that right? He is obligated to His Word to confirm It. You see what I mean? Now, you believe Him, and God will do the rest.

**L-57** Now, when you see that He has raised, then look here. You see a person maybe come to the platform. Something's wrong with them. I don't know. They might be crippled or something. You heard. Now, that's faith cometh by hearing. Then you see the Holy Spirit moving by a miracle and favor this person like He did the woman at the well.

"Go get your husband."

She said, "I have none."

Said, "You got five."

Why, she said, "Sir, I perceive that You're a prophet." Now, listen. She said, "We know when the Messiah cometh, He will do these things. He will tell us these things," but she didn't know Who He was. He said, "I am He that speaks to You. That was the sign of the Messiah. Is that right? [[Romans 10:17](#)], [[John 4:16-19, 25](#)]"

**L-58** When the Jew met Him, Nathanael... Philip found Nathanael, and when Nathanael come, Jesus looked at him, when he come up. He said, "Behold, an Israelite in whom there's no guile."

Said, "How'd You know me, Rabbi."

Said, "Before Philip called you, when you were under the tree I saw you." How could He see him thirty miles around the mountain the day before when he was under a tree. He and Philip come up together.

Said, "I saw you when you were under the tree."

And what did that Jew say? "Thou art the Christ, the Son of the living God."

He said, "Because I told you this, you believe? You can see greater things than this. Now, that was the Messiah then. That was the sign of the Messiah then. Is that right? How many Bible readers knows that was the Messiah sign to both Jew, Gentile, Sa... Isn't it? Well, then if He is the same yesterday, today, and forever, it'll be Messiah sign tonight. Is that right? The same Messiah. May He grant it, is our prayer. [[John 4:47-49](#)], [[Hebrews 13:8](#)]"

**L-59** Now, Father God, on the eve, and laying here before me this darling baby's picture who was here swollen so, and malignancy and whatever just bloat the little fellow, and he didn't even look like a human, but the touch of the Master's hand did the work. Will You please tonight, dear God, do the same tonight to every person in here?

And now as I have been Your witness by the Word and declaring to this audience, thousands setting here, that You have raised from the dead, and You're the same, and You are here to be Your Own Witnesses tonight to confirm Your Word. For You come in the body of flesh in a corporal body, You said, "That it might be fulfilled which was spoken by the prophet." You confirmed Your Own Word by coming; and now, Father, come again into our lives and confirm Your Work that You're still here, and the same yesterday, today, and forever. In Jesus' Name we submit ourselves to Thee. Amen. [[Matthew 2:15](#)], [[Hebrews 13:8](#)]"

**L-60** Brother Joseph, I wish maybe if you could... These pictures, if you could put them right down here somewhere, so the audience tomorrow night, and they might drop by and see that picture on that. It's such an outstanding thing.

How many's ever seen the picture of the Angel of the Lord that was taken yonder. I was going to mention that tonight, but time would not permit it. How that God gave witness. Amen. He's the same Pillar of Fire that followed the children of Israel. When He was here on earth, He said, "I came from God, and I go to God."

When Paul after His death and ascension, Paul (Saul then) met Him on the road to Damascus, and what did He look like then? The same Pillar of Fire that led the children of Israel. "I came from God. I go to God. A little while and the world won't see Me no more. Yet ye shall see Me, for I'll be with you, even in you, to the end of the world." [[John 13:3](#)], [[Acts 22:10](#)], [[John 14:19](#)], [[Matthew 28:20](#)]"

**L-61** Now, He is here tonight, or He--He said something that He can't back up. And to think that someone would say that God put affliction upon people to make them be His servants. Oh, friend, that's an error of the devil. If God made you afflicted so you could be patient, and He could show His mercy to let you suffer, then when Jesus come, He absolutely protested what God did. He healed every one He come in contact with. Then He done exactly what God made the people sick for His glory, and Jesus come down and healed them. Then He took the glory off of them by healing them. Could you imagine that? No, sir. Not at all. Jesus don't want you to suffer.

Listen, friends. People who say that. The pagan of Africa can produce a better god to the people. No wonder we got Communism. God don't want you to suffer. He wants you to be well. He died for that

purpose. He don't want you to suffer. He wants you to be well, and He's made one basic thing: if you'll believe. He sent His Word. He sent His Son. He sent His prophets. He sent law. He sent everything and today sent the Holy Spirit to continue the ministry that Jesus did when He was here on earth.

**L-62** Here's a woman standing before me. She's a colored woman. And if this ain't a beautiful picture of a Bible scene I don't know it. Here is a colored woman, a white man, the only difference, we're both human beings, the same blood. God made of all nations one blood. The only difference is the country she was raised in, the country I was raised in, an Anglo-Saxon, and her an African down where the sun's hot and up where it's not. We're different color of our skin. We're both human beings bought by the Blood of Christ.

But today in a lot of the country there's a segregation between colored and white, and there also in Jesus' day was a segregation between the Jews and the Samaritans. And when Jesus met a woman in the time of the segregation, He said, "Bring Me a drink," to the Samaritan woman.

He did, didn't He? And she looked around and seen Him being, as we'd say, a white man which He was a brown man, a Jew, but the segregation. Said, "It's not customary for you Jews to ask Samaritans such, for we have no dealings one with the other." See she was still back in the old line of thought.

He said, "Woman, if you knew Who were talking to, you'd ask Me for a drink, and I'd bring you water you don't come here to draw."

She said, "The well's deep, and You have nothing to draw with."

He said, "The water that I give is Eternal Life springing up."

She said, "Well, our father's worship in this mountain; you say at Jerusalem," and He said... When ahead the conversation went on till He caught what her trouble was. [\[John 4:7-11, 14\]](#)

**L-63** Now, remember He was on His road to Jericho. Is that right? But He had need to go by Samaria. Wonder why? The Father sent Him up there. Now, here was a woman. He didn't know what was wrong with her. He didn't know her trouble. The Father sent Him up there till the woman come out. Now, the Father sent me to Chicago. Here's a woman here. I don't know nothing about her. She's a colored woman, and I'm a white man. We know nothing about each other. I don't know you. You don't know me. So here we are.

But as the Lord Jesus spoke to the woman, finally He found what her trouble was. He said, "Go, get your husband."

She said, "I have none."

Said, "That's right. You got five. The one you have now is not your husband."

Now, look what she said. "Sir, I perceive that You're a prophet." Now, we know (we colored people know) that when Messiah cometh He will do these things, but Who are You?"

He said, "I'm He." And she left the water pot, and run into the city, said, "Come, see a man that told me the things. Isn't this the very Christ?"

[Blank.spot.on.tape--Ed.] [\[John 4:4, 16-19, 25-26\]](#)

**L-64** You have a--a Christian Spirit. That's right. Now, you could've been a atheist or an infidel. But as soon as you walked up and I contacted your spirit, I seen you was a Christian, 'cause it was welcome. You see? The Holy Spirit which now has me anointed in this Word. It--It verified that You are a believer. If It wouldn't, you'd have stood off from me, but I know that you're a Christian. That's a miracle in itself. That's right. 'Cause you could've slipped up here. as an unbeliever or a skeptic. See what I mean, but the Holy Spirit knows who you are.

"Behold, an Israelite in whom there's no guile."

He said, "When did You know me, Rabbi?" See?

Now, audience, if the Lord Jesus... Let her be the witness. If the Lord Jesus will come down here and will reveal to this woman what her trouble is, and what she's here to see me about, will all of you believe that He has raised from the dead and in here? May He grant it. And you said you would. [\[John](#)

[1:47-48\]](#)

**L-65** Now, you know I can't do this. I've nothing in me to do it with, but the woman is now... She's been extremely nervous. She's bothered with a nervous condition. That's one thing wrong with her, because she has some bad news she's just received. She's got a growth, and that growth is in the stomach. And it's serious, and she wants God to remove the growth. That's THUS SAITH THE LORD. Is that true? Do you believe now? Could I heal the woman? No, sir, but He Who's here Who knows these things can do it. Let us pray.

Our heavenly Father, laying my hands upon this woman, because the last words You said on earth was, "They shall lay hands on the sick, and they shall recover." And I ask for this sister's healing in the Name of Thy beloved Child, the Lord Jesus, Who taught us to do this. Amen. God bless you, my sister. Go, and may God's peace be with you and get just what you asked for. Amen. God bless you. Brother Wood is... That's all right. [\[Mark 16:18\]](#)

**L-66** How do you do? Now, we can see the lady's got a hearing aid in her ears. You hear through this aid. Can you hear me now through the aid? All right. Now, I want to talk to you. First, somebody would say, Well, she's--she's deaf or got a hearing." That's right. You can see that. That's right. The mystery is not now to tell you that you--your--your deafness, but maybe it might be something else. I don't know. God does, but now for the glory of His Son, the Lord Jesus, do you believe He's raised from the dead and is alive?

We are strangers to each other. I don't know you. You don't know me. And this is our meeting ground for the first time in life. Now, here we stand together as man and woman, two white people together. God's no respect. What He did for the colored woman, He can do for you. He's no respect for colored or white, brown, yellow, whatever it might be. He's God, the Creator of all creatures. We believe that.

**L-67** And now, if the Lord Jesus will reveal to me according to His Word. "The things that I do shall you also. I do nothing till the Father shows Me. What the Father shows Me then He says it." That's the reason He could tell the woman she had five husbands and so forth. The Father showed Him.

[Blank.spot.on.tape--Ed.] because the Father showed Him. The woman that set in the audience, and could touch His garment, and go back and set down. He knowed what her trouble was. He asked who did it. Now, if He will reveal to me something else besides your hearing that you might've done, or had not done, or something, you'd be witness whether it's the truth or not out before the public. Not knowing you it'd have to be somehow supernatural. [\[John 14:12\]](#), [\[John 5:19\]](#)

**L-68** You are a believer. You're a believer. You are a Christian woman. And the Lord bless you for that. Now, there's something else that's wrong with you. I see an examination or something being proved that--that you have some sort of a nerve condition, that the nerve in your body is dying. The nerves are becoming inactive. You have trouble in your side; your right side is where your trouble is. That is right, isn't it?

And that you might know that I be God's prophet, and His Spirit is here on me now, you also have a condition of the colon and bowel. The doctor said, "It has fallen." Is that true? It is truth. Now, I cannot heal you, but He Who here that knows you, and has got me anointed to tell you, and use my lips to speak to you, and my eyes to see a world, and see standing here by you a great Light that hangs near you, Who's doing the speaking. Not me. It's another Being. I'm just submitted to it. Now, do you believe if I should ask Him that your case is beyond doctors help that He will heal you? Will you bow your heads while I pray for the lady. And you remove your...

Now, heavenly Father, in the Name of the Lord Jesus, the precious Son of God, take away the affliction, and make our sister to be well. Doctors have tried, and they have failed; but there is not failing in God. And I pray, Lord, with all my heart in humility and sincerity that You'll take the affliction from our sister's body through Christ, the Son of God. And every head bowed just a moment.

**L-69** Now, have long have you been that way. A long time, but you love Him, don't you? You may raise your head. All right just seeing this out of ear now. You hear me now. She hears now...?... All right. It's all over. You're healed. Your faith in the living God that's here present now has made you whole. Amen. God bless you, sister, you may hear. Amen.

See He don't only tell but He knows and performs. I've never seen Him fail any time. He doesn't fail. There's no failing in the Lord. Now, if you'll just be reverent a few minutes longer. Let us pray again for the sick and now be real reverent. Just be seated a little bit longer and we'll... Let's try to get all of them through if we possibly can. Just be real... I know I'm holding you late, but just a little bit longer.

**L-70** How do you do, sir? You were setting on the seat just a few moments ago down there, and I spoke to a lady next to you. It kindly shook you a little. And I seen that the Light was hanging over you, the Angel of the Lord, which perhaps maybe at this time you're not familiar with.

But we are standing again, sir, as Philip who went and found Nathanael and brought him back to the Lord Jesus. We are strangers to each other, knowing not each other, never met before as far as I... We're perfectly strangers. Are we? Then the Lord Jesus Who knows all things, and can do all things, and does all things well; if He can reveal to me something like He did to Nathanael, when Philip brought him, telling him, "Behold, an Israelite in whom there's no guile."

He said, "How did You know me, that I was a believer."

He said, "Before Philip called you when you were under the tree. I saw you." That's the Scriptures. How many knows that to be true? Now, I'm trusting that the Lord will do something like that for this man, and It would do wonderful. [\[John 1:47-48\]](#)

**L-71** A lady just contacted the Holy Spirit just then. She's a colored woman, and she's suffering with low blood pressure, and she sets on the outside row with a red hat on, right over there suffering with low blood pressure. That's right. Raise your hand, lady. Isn't that right? There you are. The Lord bless you, sister. The woman touched His garment and went off and set down. Jesus said, "Who touched Me?" Everybody denied doing it; but Jesus looked and found her, said, "Thy faith has made thee whole." Amen. Have faith in God. When Jesus came as the music is saying, all things were granted.

You had a strange life. Somebody got a prayer card for you. That really was against the rules. They're supposed to get their own prayer card, but somebody got a prayer card for you, because you was supposed to follow in a cab coming over here to the meeting. That's right. You have been very sick. You've had an operation, and that operation was on the kidney, and it was a tumor, and the doctors said It was malignant. That news spells death. [\[Mark 5:30, 34\]](#), [\[Mark 11:22\]](#)

**L-72** You are--feel strange now, because it's not me, sir. It's Him. You're in His Presence. You were a Catholic. Used to be a Catholic, and promised to give up. That's right. Do you believe that Jesus Christ, the Son of God lives and reigns? You believe that He will make you well? You accept Him? You do. Come, right here.

Dear heavenly Father, in the mercies of the Almighty, that this poor blind preacher stands here in Your Presence now, knowing that he has to stand there someday. I pray that You'll be merciful to him and spare his Life, and as hands laid upon him as Your humble servant... And the doctor's done what he could do, but I pray that in Christ's Name, that You will heal the man and let him live for Your glory. Through Jesus' Christ Name I ask the blessing. Amen.

God bless you, sir, don't... Well, that's the Divine gift. You see? I seen it shook you, but that's what it was. It was malignant. Only God can make it well. Now, go and believe. If the doctor would be honest with you, he'd tell you the same thing. All right, sir. God bless you now.

**L-73** A lady also laying dying with cancer. When the demon left the man... I don't say it'll stay away. The woman's laying on a cot over there, and she's got cancer too; and when she heard the death pronounced to the man, something struck her. That's right. Wasn't it, lady? Cause the cancer turned loose at that

time. That's right. If you can believe, you have one chance to live. That's through the Lord Jesus, and He's not a chance. It's the truth. And He's here to make you well, if thou canst believe. Have faith in God.

Bring the lady. Reverent just a moment. There's a man setting right there on this end of that little row setting there, got an ulcer that he's praying for; and he wants God to heal Him, and he just touched the Lord Jesus just now as I looked to him, for there stands the Holy Spirit, the Light, hanging right over him. Sir, do you believe that Jesus Christ can make you well? Brown suit on, do you believe that Jesus will make you well? God bless you. May you receive your healing. [\[Mark 9:23\]](#)

**L-74** Being that you're so faithful, a poor woman setting there next to you, she's praying for her husband who has a mental condition. That's right, isn't it, lady? I see a vision of the man. That is right. Rise up to your feet and accept Jesus as the--the Healer of your beloved husband. May He add His blessings to you.

The lady right on out the end of the row, the colored lady setting there looking at it and admiring it. She's got sugar diabetes, and she wants to be healed too. If the lady will believe, she may receive.

**L-75** You're here for a deep purpose. You're here for someone else, which is your son. When I spoke to that lady about her husband being a mental case, that's what you're here for. It's for a mental case. It's your son. He's a mental patient about thirty-five years old. That's right, isn't it? And you want me to lay my hands on you, that you can take the blessing to him. That is right. Come forward, lady.

Satan, may God in heaven bring such predominating faith unto His people, that they will resent you and know that you are defeated; for Christ's taken and all the powers that You had at Calvary. Leave these people I pray in Jesus' Name. Amen. God bless you, sister, and may His grace be granted.

**L-76** Now, just a moment. I see a colored lady setting right back here. She's got lung trouble, and if she will believe on the Lord Jesus Christ, be made well. You can have it. Amen. Don't doubt. Believe.

One setting here in front. She has a trouble too. I see a woman that's bothered about her--her husband, and that man is--that man's in a veteran's hospital, and he... Something happened just recently. It was this last week. He had something like a stroke that hurt his brain, and he's in a hospital, and he can't remember even who you are. That's right. And you have written some sort of a letter to be mailed to me, or sent to me concerning it. That's right, and you in this has asked me about the--something about a--a landlord that won't receive money, that you're about to be put out of your home. That's right. That is right. Have faith in God. Amen. Believe on the Lord Jesus. Don't distrust Him, but believe Him.

**L-77** Would you bring the patient? I know you not, lady. The Lord Jesus knows you. Are you all believing? Do you believe He's here? Now, if thou can... You have growths all through your body, don't you, lady? You believe that Jesus can make you well, and take those growths away from you, and heal you? If you do, okay. If you just have faith. That's what you have to have; but believe.

Are you believing God heal the lung trouble? You are? At first I thought you were setting here. There's a light looking woman setting here, but I found out it's the lady over here, got something up like that. That's right. It's you. Stand up just a minute to your feet. See, you're kindly light colored, and this lady here is light, but I--I thought it strange she had something white on, but then I looked she had something red on. I thought, "No, it's the woman with something white." And I looked over there, and there the Angel was standing by her. That's it. She wants that to be confirmed. Praise the Lord. Amen. Oh, isn't He wonderful? Are you His witness now? Do you see? Do you hear? Watch here.

**L-78** Now, this lady before me. I don't know her. She's a stranger. I have never seen her. She's a stranger to me, but if the Lord Jesus will reveal to me what you're here for, will you accept everything that you ask for? Will all the rest of the audience of one faith believe? Will you with the little boy, you with the heart trouble, you with all kinds of diseases and so forth, will you believe? Have faith. Now, may He grant it. I don't know.

I see the lady trying to do something, and she's fumbling with it. She's all nervous. That's what her trouble is. She's a nervous. Been that way for some time. Is that true? Now, how would I know that? Something has to reveal it. Is that right?

Now, just to show you. More you talk to people, more will be said. Now, watch just for the lady. Now, may He will. I don't know. Now, this is only His grace, but I've spoke with Him. The Father shows the Son just as He will, and He will show His servants just as He will to continue the ministry of His Son, until His Son returns. That's the Gospel.

Did I say I was a healer? No, sir. There's no other man that's a healer. Christ has already performed that. No man can forgive your sins 'less you sinned against him. Sins has already been forgiven at Calvary. You believe that? The whole debt of sin was paid. All healing was paid at Calvary. You just got to believe it. Accept it.

**L-79** I believe that I see you coming again--nervousness moving up. Say. Seems like that you're not--you're not in this place. No, you're not from here. You're from somewhere else, a rolling country, hilly country, where there's a lot of coal mines. You're from Pennsylvania. That is right. And you got that handkerchief in your hand, and it's a man's handkerchief, and you are fixing to give me that handkerchief to pray for your husband, who is not a Christian. He's unsaved, and you want me to pray for him, and you're going to put this handkerchief under his pillow, that he might be saved. That's true. Isn't it? Amen. Hand it here.

Holy God, Who knows the secrets as Daniel said, "There is a God of heaven." He knows the secrets of all men's heart, Who can reveal. And we realize, Lord, just as the Gentile kingdom was issued in with unknown languages, writ on the wall with a prophet who could discern and foretell; the Gentile dispensation is ceasing with unknown languages, and a handwriting on the wall, with a prophetic gift back into the church, as it come in in the days of King Nebuchadnezzar, going out in the last days by the head of gold issuing in, going out through the feet of iron and clay.

Thou reveals the secrets of the heart, and we're thankful to be living in this day as Your witness. And we're witnesses tonight that Jesus still lives and reigns, then He heals and knows every secret in every place of the heart, every compartment. God grant the desire of this woman's heart, and I bless this handkerchief for it's intended and purpose in Christ's Name. Amen. [\[Acts 19:12\]](#), [\[Daniel 2:28\]](#)

**L-80** Our heavenly Father, in humility we bow our hearts before Thee. Why not just now and the grace of God, the Holy Ghost here, bearing record that You've raised from the dead, and we are Your witnesses. Tonight we know beyond a shadow of a doubt, that Jesus lives. He's here. He knows all things, and He's doing just as He said He would do.

And now, Father God, I pray that You'll let Your great blessings and Your power overshadow this group of people who's setting here sick and afflicted, and may every one of them be healed by Your power.

May they now, like the Roman saying, "Just speak the Word, and my child, my mother, my father, my wife, my baby, my husband, my wife, whatever it might be, may be healed just now. Speak the word." And Lord, this we do speak the Word of God, that says, "In My Name they shall cast out evil spirits," and in Jesus' Name we cast away by faith, sicknesses and diseases from the people, and their superstitions, and unbelief. And may the Holy Spirit just now heal every person in Divine Presence. [\[Mark 16:17\]](#)

**L-81** With our heads bowed and our hearts open before God, would you now upon the strength of seeing the revelation of the Lord Jesus being made manifest? Are you now willing to know that It's Him that's talking to your heart and saying, "Now, I want you to stand for Me. I've raised from the dead, and I've proved that I'm alive." Would you walk up here, and if God will hear my prayer to make the deaf hear, the blind see, the cripples to walk, and these afflictions to leave the people, won't He hear prayer when we pray for your soul?

Oh, how could you walk out of here tonight with unbelief in your heart? The Bible said, "Go, ye and disbelieve no more or worse things will come upon you." I wonder with our heads bowed, as the organ

is playing gently. I want to ask that all that wants to stand for a witness of the Lord Jesus Christ, and say while He's here and in His Presence, "Tonight I want to take my stand for Jesus." Would you stand up to your feet just now? "I want to take my stand for Jesus." God bless you. Just look over the audience. "I now take my stand. On Christ the solid Rock I stand, all other grounds is sinking sand. All other grounds... [\[John 5:14\]](#)

**L-82** I want to go on record in heaven tonight that in this audience here in this great city of Chicago, in this high school auditorium, I want to go on record that I stand for Jesus Christ and for His righteousness."

Up in the balcony would you make a stand you--for the Lord Jesus saying, "Tonight I take my stand, solemnly, right now in the Presence of God, because the Word of God, and the witness of. I have both seen Jesus heal the sick, and heard Him reveal the secrets of the heart, perfectly without one flaw or shadow any way about it. I believe that Jesus Christ is the Son of God, has raised from the dead and is present now, and I stand in His Presence to take my stand as a believer, and to serve Him the rest of my day." Just stand now while we offer prayer.

Look at this audience who's making this gallant stand. I pray that at the end of life's journey, that Jesus will stand for you in heaven tonight on the recording Books of the--the Book that the Angels record, that you, whoever you are, your name will be written indelible, cannot fade away. Their name will be written in glory, and Jesus will stand for you at that day. Are you convinced that He is the Son of God, the only true Potentate and Son of God? Do you solemnly believe it with all your heart? Do you believe that He's raised from the dead, according to the Scriptures and He's right here now omnipresent, right here with us now? The living God as we raise our hands to worship Him, as we take our stand solemnly for Jesus and righteousness.
