## **60-0708 - City High School, Klamath Falls, OR (Paragraphs: 79 - 103)**

**L-80** Fifteen, did that person come? 15? 16? 17? 18? 19? That's---that's all...? That's... How many did you give out? Fifty and something... Well, okay. Maybe some, you get a little bashful and backwards. Let them stand there. All right. Let's...

Everyone reverent now. Now, no one moving around; be reverent. How many ever seen the picture that the science has taken of the Angel of the Lord that right over the building. (Leo, do you have them, son? Leo?) They've took it. It's at Washington, DC; it's copyrighted--the only supernatural Being that was ever photographed, same Pillar of Fire that led the children of Israel. There was one taken right down here in California just recently, when He was there at the platform. Now, He's... That's... He's just... He...

**L-81** Jesus said, "I came from God and I go to God." How many knows He said that? He came from God. What was--what was Jesus when He came to the children of Israel? He was the Angel of the covenant. We know that. Well, He was a--a Pillar of Fire that was in the burning bush. Is that right? How many believes that? Say, "Amen." All right. Then when He died, raised again, and went back to the Father, then when He met

Paul on the road to Damascus, what was He? Same Pillar of Fire, a light that put out Paul's eyes. Uh-huh. See? "I come from God; I go to God."

And that same Jesus has appeared even to the mechanical eye. When George J. Lacy, the head of the FBI., of Fingerprint and Document, examined the picture; he said, "The Light struck the lens." Put the testimony, and wrote it down and signed his name to it. The...?... [\[John 13:31\]](#)

**L-82** He said, "Mr. Branham, I once criticized you myself." Said, "I said it was psychology." He said, "But the... I said you were reading those people's minds." He said, "But the mechanical eye of this camera don't take psychology. The Light struck the lens."

There it is, the big photographed picture. They got It four or five more times... Took it in Germany here not long ago, three different pictures: It coming down, when It was anointing, going away. Germany said the same thing under their examination. Germany, Switzerland... See there? It's not...

Friends, we're not playing church. We're living in the Presence of the Lord Jesus. Now, I want you to remember that. Now, the meeting is your meeting.

**L-83** Now, how many people out there is strangers to me? I don't know. Raise up your hands? You know that I don't know you or know nothing about you, raise up your hands? You know you're sick and... Well, I guess the whole audience. Far as I can see, there's no one here that I know. My own son, Brother Borders... I met the brother minister there; I think I've seen him before, but I-I just can't place him exactly. I've been trying to in my mind. Outside of that, I don't know any one.

How many in the prayer line knows that I know nothing about you nor nothing about... Raise up your hands, you in the prayer line. I am a stranger to you. Here's my hands; I don't know any of them. And here lays my Bible.

Now, those people... Maybe they're sick; maybe they're not; I

don't know. They may have financial troubles; they may... I don't know what it is, domestic affairs, I don't know. But the Lord Jesus knows. Is that right?

**L-84** How many of you is out there that doesn't have a prayer card, and you're sick, and you want Jesus to heal you? Raise up your hand. Everywhere too? Well, I guess it's just everywhere. See? All right. You just have faith; believe with all your heart now. Just have faith. And when... If the Lord comes and begins to bless the people, then you say, "Lord, let me too." And watch and see if He don't do the same to you that He does on the platform. This is just getting some people up here, so that you'd see it's just nothing but right here on the platform where everybody's looking.

Now, this lady here... Now... If He will do to--the same tonight that He did in the days gone by, how many will believe it's Him here present? Raise up your hand. Oh, thank you. That's... If you keep that up, you'll see a great meeting here in the--in the next ten days. You keep that faith moving... That's what... Just as soon as you did that, something just lifted out of me. See? The anointing dropped on me right then. See? Now, He's here right now, the Presence of the Lord.

**L-85** I'm so glad to know tonight that--that you--you being a colored sister standing here. Now, as this gives me to back to what I spoke of. In Saint John the 4th chapter there was a Man and a woman met, which was a Jew and a Samaritan, two races of people, the first time they'd ever met in their life. Is that right? You believe it? Raise up your hands, if you... That's right, first time they'd ever met.

And Jesus said to the woman, asked her for a drink. He went to talking to her. What do you think He did that for? It was to contact her spirit. See? Contact... The Father... He said He had need to go by; the Father sent Him by like He did... If you'd turn over to the next chapter, where we'll get to maybe tomorrow night--the man at the well... Man on the five

Well, young fellow, I'm a stranger to you. I don't know you, and you don't know me, but God knows us both. If the Lord will tell me what you're here for, will you believe? Would it, would it cause you to believe? You would believe. All right. How many would it help the audience? It would help.

Something strange about you. That's... You are... You're actually a--a nervous, upset--a nervous condition. You've come from a long ways to be prayed for. You're not... You're not really an American. You're German; you're from Germany, and you've come here to be prayed for. And I see you arrived at Jeffersonville, and I was gone, and you come over here for me to pray for you all the way from Germany. I send you back to Germany in the Name of Jesus Christ a well man. Do you believe me?

I cast the evil from this man in the Name of Jesus Christ. Come out of him. May he return to his people a well man, and when I return there to Germany, Lord, for a meeting, may this young man be a testimony. In the Name of Jesus Christ. Amen.

You're healed. Go back home well. Auf wiedersehen. Praise the Lord. Do you believe?

**L-120** What about you setting in that wheelchair? You believe God can heal you? Will you believe me to be His prophet? If I could take you out of that wheelchair, I'd do it. I can't do it, but God can do it. If God will reveal to me what you're setting there about, will you obey me as His prophet? Cancer eating you up in the bowel. Will you obey me as His prophet? You'll die setting there. You can't go anywhere there. You may be weak, under strength, but...?...

porches, beautiful illustration there, how He would come to that one man--pass by lame, halt, blind, withered--went to that one man, for He knew that He had been this way. See, the Father had sent Him. [\[John 4:7\]](#)

**L-86** Then He turned around and He said... (Saint John 5:19) They asked Him why didn't He heal all of them or so forth, condemned this man for packing his bed on the Sabbath. He said, "Verily, verily I say unto you: The Son can do nothing in Himself, but what He sees the Father doing." Is that right? Then Jesus never performed one thing until He--God showed Him a vision on what to do. Is that the Scripture?

Listen; let me quote it. Saint John 5:19 "Verily, verily (That's 'absolutely, absolutely') I say unto you, the Son can do nothing in Himself. But what He sees (not hear), what He sees the Father doing, that doeth the Son likewise. The Father worketh, and I worketh hitherto." That's...

In other words, He said, "I do nothing till I see the Father show Me a vision first on what to do, then I do it." [\[John 5:19\]](#)

**L-87** The other night when I met Dr. Lamsa, of the Lamsa Bible, he said, "What's the matter with these American people?"

Said, "I don't know." Seventy percent of the Bible is vision, yet they can't believe. See?

This is just like it was in Samaria: two races of people. I'm Irish; she's African. We meet here for the first time in a little panoramic, two men. In them days there was a segregation. Jesus let her know right quick there was no difference between a man's color before God. We all come from one family: Adam and Eve. The country we lived in to and changed our colors--yellow, brown, black, white--has nothing to do with God. We can give each other a blood transfusion. One blood, man--God made all men. You believe that? Yes, sir. These...

Where one lived in a hot country and the other a cold country, and--and like that--tempered and so forth, it changed

their colors. That has nothing to do with the blood, or the soul, or anything else. God let her know that God seeks them that'll worship Him in spirit and in truth. [\[John 4:23\]](#)

**L-88** Now, this woman... We're strangers to one another. Now, I never saw her in my life. Perhaps she never saw me in her life. And here we are meeting for the first time, like the woman at the well and our Lord. Now, if our Lord remains the same, and if He will...

Now, if the woman's sick, and I could say, "All right, lady. You're sick. Come up here." Come up, lay hands on her and say, "I cast out the evil spirit," or stomp my feet, or whatever it was. Say, "Satan, get out of her. Go home, lady. Get well." That could be all right. That's Scriptural. Certainly. "In My Name they shall cast out devils." Many brothers has ministries like that, far more success than mine: Oral Roberts, for instance. See? My ministry don't take in the United States; takes overseas, then it really goes then. I seen thirty thousand raw heathens come to Christ in one altar call, when something happened on the platform, just telling one, seeing a miracle performed. Thirty thousand blanket natives busted their idols on the ground and come to Christ in Durban, South Africa. [\[Mark 16:17\]](#)

**L-89** Now, if we don't know each other, the Lord Jesus knows her and He knows me. Now, if He will tell her something that she has done, or something that she's intending to do, or something that she knows that I know nothing about, then surely, if He can tell her what she has been, He can certainly know what she will be. Is that right? Now, how much greater would that be if Something would tell her, like something happened in the Bible, and would tell her that. Would... If He would do that, would you believe He was the same Lord? You would.

You know it couldn't be your brother here; I just have to yield my spirit. I'm just like this microphone, a mute until He would speak. 'Cause what man would know that? None. It

your heads while we pray for this little child. Bring him, don't have to say it. You know... You believe that God will take this little fellow, and--and take this away from him and let him get well?

Lord, I lay hands upon him in the Name of the Lord Jesus, condemn the devil that's done this evil to the child. May the child return even this week and show... The mother show what's happened to the baby. In Jesus' Name, I commit him to the hands of God. Amen.

God bless you, sister. I want to hear from that baby this week.

Come, little fellow. Lord Jesus, bless this little one and make it well, through Jesus Christ's Name. Amen...?... all over It's all over...?...

**L-118** Come, sister dear. Our heavenly Father, I pray that You'll bless the woman and heal her in Jesus' Name. Amen. Have faith, now.

Bring the little lad. Do you believe that God can make him well? Our heavenly Father, I hold this little boy close to me and ask that the power of Almighty...

[Blank.spot.on.tape--Ed.]... if it isn't for You. I pray that You'll let this little child be so healed, that the people will know that You're God. That this child may return back into this audience before this series of services closes this coming week, and show that God has healed her, and her little legs are well, and she's walking again.

Oh, you devil that's done this, I charge you by God, by the resurrection of Jesus Christ, Whose Presence is here now, leave the child! And may the strength of God take the place of this brace, that the child will walk in the power of the Spirit of God the rest of her life. Amen.

Will it be that way, sir? It will. God bless you; you shall have what you've asked for. I give you the child in the Name of Jesus Christ for her healing.

**L-119** All right? You the next person? This is the... all the line?

they're living with and everything. If you don't want that done, you better make it right before you come on the platform. It'll certainly do it. [\[Matthew 9:20\]](#), [\[Luke 8:44\]](#), [\[Hebrews 4:15\]](#), [\[John 1:42\]](#)

**L-115** How many's been in the meetings (Raise your hands now) and see that done? Raise your hands everywhere. Certainly it will; it's perfect; it's God. Sometimes people have more faith than they think they have. You try to make yourself have faith. Don't do that; just humble yourself. A man setting right there, the Light's still around him right there. Didn't even... It surprised him, he had that much faith. That's right. But he had it just...

Isn't that right, sir? If that's right, raise up your hand, the man that's healed right down here. That's right. It just surprised you; you don't think you have it. But it's--it's just simple. Just believe it.

Here... here's a man standing here. I don't know you; that's right. You don't know me, I suppose; God knows you. You know me just by seeing in the audience and things like that, but not this way. You think that God... If He would tell me what you're here for or something, would--would it make you have a lot of faith to believe? It would make you... It might make you have faith. All right.

**L-116** What if I told you that--that you're here to have this little lump taken off of your head there; that's exactly what you're here for. If that's right, raise your hand. Now, the audience might say, "Sure, Brother Branham, you're looking at him." All right. If this is the Spirit of Jesus Christ, He will know the man. I'll have contact with him; that's right.

You're not from here--from a city called Lakeview. Is that right? They call you Bill, don't they? If that's right, raise up your hand. Now, you got faith? Then go and be healed. Jesus Christ makes you well. Have faith.

**L-117** Anyone sees this is a little afflicted child. All of you bow

takes God to do it. Now, if God will let me know just by talking to you... Yes, sir, I am trying to contact your spirit. That's exactly right. That's just swept from the audience, and that's right.

**L-90** Now, if He will tell me something about you, something you're here for, like the woman at the well, or like the woman with the blood issue, or something--then you'll--you'll--you'll believe with all your heart. How many out there will believe also when here... Me and this woman here, we don't know one another, never seen her my life till right now. Now, may He do it; I trust that He will. And if He does, then it'll give you faith; make you feel assured that He loves you, and He knows about you. And if He knows about you, He knows about everyone out there. So then, that just shows He's Present. So that would just make everybody accept Him and be well. Is that right? Or accept Him as their Saviour and be saved.

Now, if anybody can still hear me: I come to take every spirit in here in the Name of Jesus Christ. And this woman who knows now that something's going on... The lady is suffering with an extreme nervous condition. That's right. It's a--just real extremely nervous. Is that right? If that's right, raise up your hand. Now, do you believe?

**L-91** Now, what it was, I don't know what I said. But I told her something. I seen her doing something, seeming like she was trying to wring her hands or something or--upset about something or something another.

You say, "Brother Branham, you guessed that."

I didn't guess that. How could it be perfect every time out of tens of thousands times thousands. If you think I guessed it, let me talk to the woman a little longer. It's your meeting.

She--she seemed like a nice person to me. I... You just... I don't want you... Just let your mind be dormant. Just--just... know that... You believe that you're in the Presence of the Lord Jesus? Now, you do feel a real sweet feeling. Isn't that

right? If that's right, just raise up your hand to the people. See? I'm looking right straight at a Light hanging right over the woman.

**L-92** Yes, she's all upset. She's--she's nervous, got a nervous condition. And you're--you're concerned or praying about somebody else. There's a little girl; and the little girl's got a tonsil trouble. That's her setting right out there. That's right, isn't it? All right, sis. It's over. Besides that, you're a minister; you're a woman preacher. You believe God knows who you are? Mrs. Peters, your request is answered. Your nervousness is gone; go home and be well in the Name of the Lord.

Do you believe with all your heart? Just have faith. Just believe. Now, that's what He was yesterday; that's what He is today. He will always be. Now, as He manifested Himself before Abraham in human flesh, He mani... God was manifested in Christ. Do you believe that? "It's not Me that doeth the works; it's My Father that dwelleth in Me." [\[John 14:10\]](#)

**L-93** Now, wasn't that simple? Just believing? I never even asked prayer for her, but she's healed just the same. What did it? Her faith healed her, whatever it was. All right? How do you do? We are strangers to one another. The Lord Jesus knows us both. Now, we are men, different ages, first time we've met. If God will reveal to me what your trouble is or something, will you believe me to be His prophet, or His servant, rather? You'll believe it?

You're very sick with a stomach trouble, very, very bad. You're not from this city. You're from another city; it's out in a wheat, level country. You're from Oklahoma, Tulsa, Oklahoma. That's right. You're Italian by and--by your nationality. And you were at one of my meetings before. It was at the Tulsa meeting, tried to get into the line and couldn't get a prayer card. That's THUS SAITH THE LORD. You believe with all your heart now? Go eat your supper.

heal him in the Name of Jesus Christ. Amen. Go; don't doubt a thing now, brother. Believe with all your heart.

Our heavenly Father, I pray that You'll heal our sister in Jesus' Name. May she go and be well. Amen.

Come believing. All right, sir. You want to go eat your dinner and feel good over it? Then go eat in the Name of Jesus Christ...?...

Why is it just the discernment? Remember friends, discernment doesn't heal. Discernment only... The Voice of the discernment's what does the healing (See?), the Voice of the discernment. You believe that?

Setting on the end of the row back there, trouble with your eyes, with your throat, with your ears. You believe God makes you well? The man with the little striped thing across his shirt like this. I don't know you, never seen you. But something struck you right then, didn't it? That Light appeared right over the top of your head. That's exactly what was wrong with you. If that's right, raise up your hand. All right, go home and be well. Jesus Christ heals you.

**L-114** I never seen the man. Now, how many knows that that's exactly what Jesus looked at over the audience when the woman touched His garment? And He said, "Thy faith has saved thee." Is that right? She got well. See? Well then, does the Bible say that, "He's the High Priest, right now, that can be touched by the feeling of our infirmities"? Is He the same God that came up when Simon come up before Him, and He said, "Your name is Simon"? Is that the same God that knowed his name? Do you believe He knows the same thing, can do the same thing? You believe He knows your infirmities?

You know that He said... He--He perceived their thoughts. This is not only perceiving their thoughts; it's telling what they were, what they are, and what they will be. See? It--it does more than that; it reveals sin. How many's seen It reveal sins and call it out, and tell the men, point out the women

One of your troubles is a nervous condition; you have spiritual problems. That's exactly right. Your physical condition is a kidney. You only have one; the other one's gone. That's right. You have a burden on your heart; that's for your husband. Is it all right for me to say what he is? He drinks, and you're praying for him. That's THUS SAITH THE LORD. Now, is that all right? Go and believe now, and receive in the Name of Jesus Christ.

**L-112** Just have faith; don't doubt. Everybody pray. Now, the same Holy Spirit is here just the same every time.

God, I charge this enemy in the Name of Jesus to leave this baby. Amen. You believe now, sister dear, he will be all right? Father God, I pray that You'll heal our sister in the Name of Jesus Christ. Amen.

Come, sister. Now, you're aware that I know what's wrong with you. And let me show you how I know how many... what you're... How many people out there's suffering with a nervous condition, just mental nervous, upset? Raise your hands up. Look here. See, same as yours. Now, if you can be healed standing here, they can be healed out there. Is that right? So, if you'll just believe that the Presence of the Lord Jesus is here, you can be healed. Do you believe it? Then go and be well in the Name of Jesus Christ. Just believe that I've told you the truth.

**L-113** What if I told you, "You raised your hand down there awhile ago; you got healed." Would you believe me? All right, you were. When you accepted the Lord Jesus there, He taken care of it right then. God bless you.

All right. Now, you're suffering with heart trouble. That's right. Many of them out there's suffering with heart trouble. But do you believe that Jesus heals the heart that He lives in? Come here. In the Name of Jesus Christ, may this woman be healed of this heart condition. Amen. Go and believe now with all your heart.

Come, brother dear. Believe. Lord Jesus, I pray that You'll

Jesus Christ makes you well. Go on and rejoice. God bless you, sir. God be with you.

**L-94** You believe on the Lord? Now, whoever you are, just have faith. Don't doubt. If thou canst believe, all things are possible. Do you believe that? All things are possible to them that believe. How many out there in the audience is--is believing, Saying, "I believe with all my heart"? No reason why you shouldn't be healed. Just have faith.

How do you do? Do you believe me to be His servant? We're strangers to each other. But you believe that God knows all about you? Do you believe that He's able to make you well and to heal you? What if I told you you were healed? Would you believe me? You sure would. You want your husband healed too, don't you? You believe that He will heal him? You want to know what his trouble... You want me tell you what his trouble is? Bladder trouble. You have female trouble. The doctor says a dropping uterus, a fallen uterus. That's right. You're a minister too of the Gospel, a woman preacher. Go receive your healing; Jesus Christ makes you well. [\[Mark 9:23\]](#)

**L-95** Have faith; don't doubt. Do you believe with all your heart, lady? If God will reveal to me something about you that I do not know... We're strangers, are we? If He will reveal to me something that you know that I do not know, then you'll know it's not your brother; it's your Lord. Is that right?

Somebody in the meeting somewhere... You're suffering from a condition that you should be operated on for--they say you should. It's a growth. You believe I can tell you where the growth is by the power of God? On your side, under your right arm. That's right. Go believe with all your heart; be healed in the Name of the Lord Jesus. Just have faith. Don't doubt.

**L-96** How do you do? We're strangers to each other, I suppose. You saw me once in the meeting? Just in the

meeting. But I mean, I don't know you and you don't know... Just setting out in the meeting, you saw me once. Well, if the Lord will reveal to me the secret of your heart, tell me of something that you have done or fit--planning on doing, or something's wrong with you, or--or something or other, you... Then you'll know it has to be God. It has to be a Spirit; it couldn't be me.

Stomach trouble, throat trouble, and then you've got a burden on your heart. It's a boy. Shall I say it? He's in a juvenile home. He's got a heart trouble. Believe on the Lord Jesus, and God will deliver him...?... Have faith. Do you doubt...

Believe with all your heart? Now, that you might know it's not a telepathy... This lady here...

**L-97** Come here, lady. I don't know the lady. (Just put your hand on mine.) If the Lord Jesus will show me this way what's wrong with you, will you believe me to be God's servant? Do you? All right, then your heart trouble leaves you. Have faith in God; believe with all your heart.

Now, when I said that to her... You had a real funny feeling when I said that to her, because you had heart trouble too. Go believing with all your heart, and be made well.

Do you believe with all your hearts? All right. Now, this lady must have healing or die. Are you aware of what's wrong with you? You're shadowed for death, a cancer. But do you believe that God can move that cancer? Come here.

Satan, I charge thee by the Blood of Jesus Christ, His vicarious suffering at Calvary, His triumph over you, and all your kind. In the Name of Jesus Christ, come out of the woman and leave her. Amen.

Go, believing with all your heart.

**L-98** Nervous, heart trouble, go believing; be made well in the Name of the Lord Jesus.

Come, lady. Speak English? If the Lord will reveal to me what your trouble is, do you believe that God will make you well

healed. Amen.

Don't doubt; believe with all your heart.

You believe, brother? All right, come now. In the Name of the Lord Jesus, may my brother be healed. Amen.

Bless you. Don't want to be crippled up all your life, do you? You know that I know what's wrong with you. You--you understand that. Every person passed; it could not be hid now at all. This arthritis will soon get you, if God don't help you. But He will help you now. Do you believe that?

Lord God, I charge this devil by the Name of Jesus Christ that it will leave this woman, and then be healed. Amen.

Have faith. Do you believe? You believe with all your heart now? See? We can't stop with... See, the Holy Spirit... It's hard for me to keep from calling them. As soon as they've come, it look like that you'd catch it, but you can't get to all of them. But the same Holy Spirit...

Do you believe that I believe God? Do you believe that? Jesus said, "These signs shall follow them that believe. If they lay hands on the sick, they'll recover." Is that right? Then you believe with all your heart. [\[Mark 16:17-18\]](#)

**L-111** Here, are you the next person to be prayed for? I don't know you; God knows you. If God will reveal to me something about you that you know that I do not know, would you believe me to be His servant? Would that help you out there? See? All right.

Now, you just look at me and believe with all your heart that God is going to tell me something about you that'll help you. See? And you'll know whether it's the truth or not, because you know. Something in your life or something and other that you know about, you'll know whether that's truth or not, because you're a witness of it. I don't know you; I doubt whether you know me or not, unless it's just by hearing me somewhere. But I don't know you, no way at all of knowing nothing about you; it'd have to be revealed by Spirit if I know about you. Is that right?

both. But you have hay fever. If that's right, raise up your hand. What did you contact? The Spirit of God. Now, go and believe, and it will leave you. Hay fever isn't a disease; it's a condition of the nose. Just believe with all your heart, and it'll leave you. And you'll never have it again, if you believe.

Blessed be the Name of the Lord. Tell me that Jesus Christ isn't the same yesterday, today, and forever? He certainly is the same. "If thou canst believe..." It just keeps moving in the audience. Let's just start... Everybody help me pray. [\[Hebrews 13:8\]](#), [\[Mark 9:23\]](#)

**L-109** Now, sir, if I don't say a thing and just [Brother Branham claps once--Ed.] pray for you, you'll believe, won't you?

Lord Jesus, I condemn the sickness of his body and ask for his healing in Jesus' Name. Amen.

God bless you, brother. Come... going out... You know that I know what's wrong with you, don't you? If I don't say a word, just pray for you, you'll believe. The nervousness has left you. So go on and be... Praise the Lord.

Come, believe with all your heart. Now, sister, you realize that He knows all about you. But if I just lay hands on you, the Bible said, "These signs shall follow them that believe. If they lay hands on the sick, they shall recover." Let's come.

Father, I lay hands upon her. In the Name of Jesus, may she recover. Amen. Now, go thanking the Lord, just like it's already finished and gone.

Come, sister dear. You believe that God will heal you and make you well? Come, now.

Heavenly Father, I pray that You'll take this filthy thing off of my sister. And may she wake up in the morning a different woman. Grant it, Father, in Jesus' Name. Amen.

Now, go believing, sister; don't doubt. [\[Mark 16:17-18\]](#)

**L-110** Come, brother dear. Believe with all your heart. Precious Lord, I pray that You'll heal my brother as I lay hands upon him. In the Name of Jesus Christ, may he be

then? You do? All right. It's a lady's trouble, female trouble. Go, believe, and the Lord Jesus will stop all that...?... If thou canst believe.

Do you believe God will heal you of that heart trouble, make you well? Believe it? Will you give up something for Him? You want to give them up any how. Cigarettes? Throw them away; don't smoke no more. Remember, don't come here with sin. He knows it. You see? [\[Mark 9:23\]](#)

**L-99** All right, come believing with all your heart. All right. All right, come. Bring him on, sister. That's all right. If I lay hands on you, do you believe you'll get well? Lord Jesus, grant it. I pray in Jesus' Name. Amen.

Believe it now with all your heart, and see if you don't get well. Now, believe it.

Nervousness is nothing for God. Do you believe He will make you well? Go, believing then, and the Lord Jesus heal you and make you well.

That lady setting there by that one's shouting, got something wrong with her arm. Do you believe that God will make you well setting there, lady? Now, Who did you touch? You touched the High Priest that could be touched by the feeling of your infirmities. He heals you. Go home and believe with all your heart.

Tell me what she touched. She never touched me; she's too far away from me. You believe with all your hearts now? [\[Hebrews 4:15\]](#)

**L-100** The lady setting back there weeping on the end with that bladder trouble. Do you believe that God will make you well, lady? All right. Handkerchief up to your mouth, crying like this... All right? Do you believe it with all your heart? You suffer with bladder trouble. It's tremendously burning and so forth. Do you believe with all your heart now? Raise up for your feet and accept your healing. I command that demon in the Name of Jesus Christ to depart from that believer. Have faith in God; don't doubt. Have faith in God.

The man setting right back there suffering with hemorrhoids, do you believe that God will make you well, sir? Stand up on your feet; accept your... What did you touch? You're twenty yards from me. You touched the High Priest that can be touched by the feeling of our infirmities. Go home and be well. Jesus Christ heal you.

Can you believe? Can everyone believe? [\[Hebrews 4:5\]](#)

**L-101** What about you? This... That lady... Oh, I know that woman. That's Sister Dauch setting there. I know her. That man next to her, you had your hand up didn't you, sir? Do you believe with all your heart? I seen the Angel of the Lord appear there. You believe that back trouble will leave you? All right. That's what your trouble was, wasn't it? Shake your hand like this, if that's right. Wave your hand back and forth. All right. Go home; you received your healing. Jesus Christ makes you well.

Turn around and go back off the platform there, sir. The heart trouble left you, and you can go home and be made well now. God bless you.

Do you believe on the Lord Jesus Christ? How many here that's not a Christian, that's not a Christian and wants to accept the Lord as your personal Saviour, stand up on your feet right now while you're in His Presence. Somebody's backslid, wants to come to the Lord, you're right in His Presence. You believe Him? Stand on your feet right now and we'll have prayer for you. If you'll stand to your feet, any sinner, any backslider. God bless you. Somebody else?

**L-102** Sir, I condemn the evil that's bothered you all these years. In the Name of Jesus Christ, your sins are forgiven you. Go; believe with all your heart.

Someone else would rise and say, "I want to accept Jesus."

How many of you here is sick, and believe that He's here in His Presence, in His power? Raise up your hand. How many knows the Bible said, "These signs shall follow them that believe"? How many of you's believers? Raise up your hand

will be all right, and God will make it well for you? If you... You believe with all your heart that God will make it well? Let us pray. Bow your head.

Our heavenly Father, in the light of Calvary, in the Presence of the Holy Ghost, I condemn this devil that's did this to this baby. You've hid from the doctor, but you can't hide from God. Come out from this baby and let this baby be well. I charge thee by the resurrection of Jesus Christ, Whose Presence is here now, that you defile this baby no longer. Amen.

Now, don't you doubt a bit. The thing will leave the baby's face. It's been thought as a birth mark, like. But don't... Just go ahead and believe, and the baby will get all right.

**L-107** You believe now with all your heart? How about some of you out there in the audience now with no prayer cards? You believe with all your heart? So that you'll know the Holy Spirit's here. Be reverent; pray.

You setting there weeping, got something on your heart, haven't you? It's a little one too. It's in a hospital in Portland, got club feet. The child's going to be operated on tomorrow. That's THUS SAITH THE LORD. You believe with all your heart, the child will come out all right. Amen.

What did she touch? What--what to her... Ask her; I never seen the woman in my life; she's a total stranger. If that's right, wave your hand back and forth, lady. See? Is every bit of that He said was true? If it is, wave your again. Stand up to your feet, if that's the truth. There it is.

**L-108** Now, do you believe that the Presence of Christ is here? Then believe with all your heart now, while you pray with me. We can't linger too long here. If we do, that... It's going to... You know, it'll take too long to do it. That--that--that... It's hard to stop it when it once starts.

That man setting there with the hand up like this, suffering with hay fever. Do you believe that God will make you well? I don't know you, do I? You don't know me, but God knows us

I'd be an impostor; I'd shouldn't even be allowed to brought... come behind the pulpit. But if I could help it, I would do it. But the only thing that I...

If Jesus was standing here with this suit on that He gave me, He couldn't do no more than to tell you that when He died at Calvary, He purchased the healing of that baby. Now, these clergymen can tell you that's the truth. Isn't that right, brethren? He did.

**L-104** Then if He was standing here, and you'd say, "Oh, Lord Jesus, will you heal my baby? Let it get well. I-I-I love you, Lord, and I'll raise the baby to serve You, if You'll just heal my little baby."

Now, it... Maybe it burnt itself or whatever it was, I don't know. But whatever it was, "If You just... If You just heal my baby, I'll-I'll promise I'll raise it to serve You."

Well, He'd say, "My daughter, I've already healed your baby at Calvary."

**L-105** Now, how would you know that was Him telling you that? Well then, He'd do just like He did when He was here on earth. He'd tell, like the woman that touched His garment, see, something like that. You know what I mean? Tell you about the baby. And that would help you to believe that it wouldn't be your brother then, it would be the Lord Jesus that's here. Is that right? How many understands that? All right. May the Lord help. That's a.

Sister? To the baby? No, it isn't a burn. It looks like it, but it isn't. That's the results of some treatments. Doctors has done everything they could for the baby, but it's sort of a tumorous condition, like blood cells is all run together. And you've had it to several doctors; and they've turned it down. "There's nothing can be done for it," they said.

**L-106** But you don't believe that. You believe that God will let your baby get well. That's right; it's true. You're not from this city; no. You believe you can take it back to Eugene, and it

Now, what we'll do... "These signs shall follow them that believe." Just the same as He promised this would come to pass, He promised that the believers should lay their hands on one another and the prayer of faith should save the sick. You believe that? Then lay your hands on one another. Just lay your hands over on one another. There you are. [\[Mark 16:17-18\]](#)

**L-103** Now, don't you pray for yourself. You pray for the person you got your hands on; I'll pray for you all.

Our heavenly Father, we bring to You this audience while the baptizing of the Holy Spirit is upon this people. Hear us, O Lord. Hear us, we pray. We condemn all sickness. These believers have their hands on one another. We know that You're here. We know that You're the same yesterday, today, and forever. We know that You cannot fail. We know You've triumphed over the devil, over his power, over every principality and power. You bound every unclean spirit. You cast out every devil when You were here on earth. I pray Thee, Lord, that You'll hear our prayer.

Now, as they have their hands on each other. "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover."

Satan, I charge thee by Jesus Christ, come out of every person in here that's got their hands on someone's hands laying on them. I charge thee through Jesus Christ, the Son of God, leave this building and come out of the people, that they all might go home tonight and be free because the Presence of the Lord Jesus Christ. **L-88** Now, in Him dwelt the Fulness of the Godhead bodily. You believe that? Well, in us is just a spoonful of it, like the great ocean out here, just a spoonful out of the ocean. He had it all without measure; we... The Bible said, "He had the

Spirit without measure; we have it by measure." But if I got a spoonful of water out of the ocean, the same chemicals that's in the entire ocean is in that spoonful.

That's the reason that we are today--as Christians--we're in the fellowship. The fellowship and the same Spirit that was in Christ is in His church. If you are Christian, and will believe with all your heart and with faith reach up and touch the High Priest... And to you new converts, that just raised your hands, to show you that you're not deceived, that it's the real Lord Jesus, that He lives today, and just as real as He ever was, you pray.

**L-89** I don't know a person in here; I don't see one person that I know, to look in the face of. How many is strangers to me? Raise up your hand, that you know that I don't know nothing about you. All right, the congregation...

I know I've got some people here somewhere, some friends: Brother Fred Sothmann, and--and some more brethren, Brother Dauch, setting right there, and Sister Dauch. I know them, but I--I guess that's the only ones, that I... I don't see even Brother Fred and them; and I know they're here somewhere.

But I don't know you, but God does know you. Now, you repeat your case to Him, and if He's Jesus Christ, the same yesterday, today, and forever, and if I be His prophet--or His servant... (Excuse me. That word stumbles people.) But if I be His servant, and I can yield myself to the Holy Spirit, He will act through me the same as He did through the Lord Jesus. He will act through you, if you can have the same faith that the woman had. Do you believe that? If He's the same... [\[Hebrews 13:8\]](#)

**L-90** How many knows that that would be God? Then raise your hand, and say, "I believe it would be God." Now, you pray; have faith.

Have you seen the picture of the Angel of the Lord, yet that they've taken? (You have it here, don't you, Gene?) Been

started running across the floor; she fainted. The people begin screaming. And that girl received the Holy Ghost, jumped up from the piano, her hair fell down, and that piano constantly played, "The great Physician now is near, the sympathizing Jesus." And several hundreds of people standing there watching those ivory keys move: "The great Physician now is near." The altar filled and all up-and-down the aisles and everything, weeping and crying, those Mennonites, and Amish, and so forth coming to the Lord Jesus. I couldn't even no... pray for no more, just screaming to God for mercy. They seen something real. "The great Physician now is near, the sympathizing Jesus." All right.

**L-102** Now, without the discernment... How many's here seen the discernment? Know about it? Raise up your hand, raise up your hand. Oh, that's right. Now, you know it could be done, but to pray for all this line, I couldn't do that. But...

Oh, my. That little baby. Any one can see the baby's face. Is it your baby, sister? Oh, what a pity. Come here just a minute. I'm sure you all would forgive me. Let's just find out what that is. Will you? Huh? See if that's the Holy Spirit. Would it help you? Would it help you? Would it help the congregation? I was just saying that little story about the little boy at Fort Wayne, and then about the baby. You look to me.

Now, I don't say that... You know what I mean, like Peter and John passed through the gate called Beautiful and said to the crippled old man, "Look on us. Look on us." That means just pay attention to what I'm saying; give heed, and... [\[Acts 3:2-10\]](#)

**L-103** The baby... Something's happened. And if the Holy Spirit will be able to tell me about that, would it help your faith to believe that He'd make it well...?... I know... I hit those spots. I had it here not long ago. I was wondering about crossing over; I had an experience. I aim to tell it to the church this week sometime, what happened.

Now, you know, lady, if I could help that baby and would not do it, I--I don't deserve to be behind this Bible here. No, sir.

*The great Physician... thizing Jesus;  
He speaks the drooping heart to cheer,  
Oh, hear the voice of Jesus.  
Sweetest note on seraph song,  
Sweetest name on mortal tongue;  
Sweetest carol ever sung,  
Jesus, blessed Jesus.*

Honey, it was a meeting about like this (I'm addressing my wife setting there.), when they was all just about like this at Fort Wayne, Indiana, that night. It was mostly Dunkard, and Amish, Mennonite. And a little sister back there, that was trying to seek the Holy Ghost, she had... I never forget that long, beautiful white hair done up, and she had a white dress on. She was playing. And they'd bringing a little crippled baby to me.

And I held the little baby in my arms, and I said to the mother, "Do you believe that the Lord Jesus will heal the little baby?"

And she said, "I believe, sir."

And just then, I prayed for the little baby. And I started to hand him back to the mother, and the mother set it down. It

taken several times. Now, He's here. I've been preaching on a message of salvation; therefore, just wait a minute--waiting for the anointing to come, wait on the Lord. And you that's sick, just remember and pray. Just have faith.

Say this... Say to the Lord Jesus this way. Say, "Lord Jesus, I've heard that man preach that; I've read that in the Bible. I-- I know he doesn't know me; he doesn't know nothing about me. He don't know who I am; he don't know nothing about me. But I know that You know me. And he tells me that You're the same yesterday, today, and forever, only that You use our bodies." God uses our bodies as His adopted children, by the grace of God, to work His works, just like He did through His only begotten Son that paid the price. "Now, speak through Brother Branham to me; tell him tell me something. It'll take all fears and troubles away from me."

If you'll just have faith and just believe with all your heart, God will surely do it. Just pray; look to God; have faith. Now, real reverent... [\[Hebrews 13:18\]](#)

**L-91** A little lady is setting right here, praying. I don't know you; you don't know me. Got heart trouble, haven't you? Have you got a prayer card? You don't have a prayer card. Stand up to your feet just a minute.

All right, audience. She touched something. She suffers with a heart trouble. She's not from here; you're from Eugene, Oregon. If that's right, raise up your hand? Now, you return home and be well; your faith saves you.

You believe? I never seen the woman in my life. Have faith.

Here's a woman setting here with her handkerchief up. She's crying. She's setting out here on the end. Can't you see that Light hanging over the woman there? Look here. She's suffering with a chest trouble. She's not from here either; she's from California. The city that she come from is named Eureka, California. You believe God knows who you are, sister? Your name is Miss Wolf. **THUS SAITH THE LORD.**

I don't know the woman, never seen her in my life. She

knows that. Return home, sister; the Lord makes you well.

**L-92** There's a woman way back here; she's praying. She put her head down; she's weeping. There stands that Light right over the top of the woman. She has colon trouble, hardening of the arteries. Her name's Miss Cary. Jesus Christ makes you well, lady.

I don't know her, never seen her in my life. We're total strangers. If that's right, lady, raise up your hand? Your faith touched the border of His garment. Just believe; have faith; don't doubt.

Here sets a man, setting right over here, looking at me, got kindy heavy set man, slightly graying. He's got a bad throat; he's had an operation. The operation was cancer; the man's lost his voice from it. His name is Mr. Lake. Stand to your feet, Mr. Lake. Receive your healing in the Name of Jesus Christ.

Do you believe? "If thou canst believe..." Now, the Holy Spirit's just all in the building. My heavenly Father knows I've never seen or heard of them in my life. But the Holy Spirit is here. Now, do you believe with all your heart? [\[Mark 9:23\]](#)

**L-93** Now, to you that don't know Him and wants to enter into His fellowship, you'll never be any closer to Him till you find Him. Will you come up here? Will you think God will hear my prayer? Come here and stand, let me pray for you right here. Will you come? All you who raised your hand, would you come right here? Stand here just a moment. If He will hear my prayer to heal the sick, surely He will to save the soul. Come right here, you that have a need of Him right now. I ask you, come. That's it. Come right up here and let us pray. God bless you. That's right; that's right.

There's a person here in the building somewhere... I see him standing before me; I can't locate him. It's a woman, and she's suffering with eye trouble, side trouble, and a rupture. A Mrs. Parks, receive your healing. Jesus Christ makes you

well. Um-hum.

**L-94** Oh, He's God. He... The Holy Spirit's in the midst of these people. Now, that's what... How many feels that Presence? Raise your hands. That's the Shekinah Glory; that's what I'm speaking of.

Come believing. Will you come to enter into this fellowship? Will you come by the way of the Blood tonight, come enter in?

How many Gospel preachers are here tonight? Come here, just a minute. Stand up around here, you believers. Come, let us pray. Come around here now; stand up, you ministers. You people that knows God, come here and stand with these people while we pray. Enter into the Shekinah Glory. (Then on the "Fountain Filled With Blood.")

**L-95** Oh, this is real. Now, that's that Presence that you feel, the Presence of the Lord. "That goodness and mercy shall follow me all the days of my life. I shall dwell in the house of the Lord forever." O God, how wonderful. This is it, friend!

Now, all of you bow your heads and every one pray. You ministers, walk up and stand around where these people are that's coming, wanting the Holy Spirit, wanting to enter in. Come up now around, get down and fellowship. (Come, I want you...?... ) [\[Psalms 23:6\]](#)

**L-96** And as soon as you accept the Lord, I want you... These ministers will give you a home to come to, baptize you in Christian baptism, so that every thing will be all right with you. All that's concerned now, knowing that we are in the Presence of Jesus Christ...

The little lady setting here weeping, right here with the yellow-looking dress on, is suffering of that sinuitis. The Lord healed you, sister. You've had it a long time, haven't you? It left you just then. What did you touch?

It's the High Priest, the Light, that very Pillar of Fire that followed the children of Israel, the very One that dwelt in
