## 62-0728 - Curling Arena, Victoria, BC (Paragraphs: 83 - 94)

**L-84** Just pray, sincerely. Don't be nervous. If you do, you'll never catch it. Just be simple. Just say, "Lord..." It's simplicity that they overlook. They make it so complicated till they... That's the reason they missed Jesus in the first place. Said, "Well did Isaiah speak: You got eyes, can't see; ears, and can't hear." See? Make you... Just realize that Christ, the Son of God, lives.

Now, you pray. And if God does what the Bible says He does, then the truth is, the Bible's right. But if He doesn't do it, then it isn't God; and we know that. Anyone knows that, that God is obligated to His Word. Don't you believe that? He's got to keep His Word. Now, you just pray now and believe with all your heart that God is going to grant it. And now, may He bring His Spirit, and speak to us, and confirm the Word. Now, watch real close. [\[Isaiah 64:4\]](#)

**L-85** Now, remember, how many in here, while you're silently praying, has seen the picture of that Angel of the Lord on that paper? Sure. I guess they've showed it here in the building. So help me, with this Bible here, and it over my heart, at the day of judgment I'll be judged and you'll be judged if we miss Christ. That same Light isn't a foot from where I'm standing right now.

Now, He said, "I come from God, and I go to God." That Light came down and was made flesh. It returned back from the resurrection into glory, and Paul on his road down to Damascus was smitten down by It.

Now, if that Light, that scientific world has proved that It's a supernatural Being, if that don't produce the same Life that It did when It was here in Christ; if It don't do the same thing in His church, then It isn't the same Life. If It does, It is the same Life. [\[John 13:3\]](#)

**L-86** Here. I want... Look here. There's a little woman setting right here, just ducked her head down just then. Faith, trying to believe, she's praying for her eyes. Her eyes are in bad shape. She's worried about it. She's looking right at me. She's not... She's a--from Norway. That's right. Have you a prayer card? You don't? You don't need one. Your eyes will get all right now. Your faith touched Him.

Have faith. Now, I'll just want--just take our time just a minute.

Go to that lady. Stand up just a minute, ever who the woman was. Where was she? See, it's a vision. It's like I dreamed something. Where was that woman? Now, I think it was right back in here. Was those things true, lady? What was said? Raise up your hand. Was you praying like that, and so forth?

How would I know what she was praying about, and what she was praying for, and all about it, and who she is, and where she is, and what happened, and so forth? How would I know it when the woman is a total stranger to me? I never seen her in my life, and we're total strangers.

Go to her after the service and ask her. Thank you. What did she do? That confirms the Scripture. "He's a High Priest that can be touched by the feeling of our infirmities." [\[Hebrews 4:15\]](#)

**L-87** Here. Here comes a man coming before me. The lifeline comes here. Setting here on the end of the row, suffering with a back trouble, you believe that God will make you well, with that back trouble, setting here? Believe that God will heal you? You do? You accept your healing? Mr. Sanders, do you believe that God is a great Healer?

I want to ask you something. Look here to me. Last evening you had a very strange feeling when you were here in the meeting. Something taken place. Now, tonight when it returns to you again... Now, you believe with all your heart; that trouble's gone from you. You believe?

**L-88** Here, I don't know you. We're strangers. Don't you see that? Looky here, brethren. Looky there,

right over this man here--yellow amber Light. The man's suffering. He's in bad shape. It's nervousness, about to have a breakdown. Just is a breakdown; that's all. You're a nice man, got a family, a bunch of children, about five children. That's right. Have you a prayer card? You don't need it. It's all over now, can go home, make a living for your children. Your faith makes you whole.

See this boy setting next to you? When I pointed my finger over there, he jumped. If you'll believe, that skin disease will leave you too, and you'll get well. You believe it? Have you a prayer card? You don't need it now. Your faith makes you whole.

**L-89** Don't you believe with all your heart? Ask those people. I do not know them. They're just setting here in the meeting; but they got faith.

Here's a lady setting here looking right at me, right up here. She's suffering with a back trouble too. She'll believe... Miss Cobbles. I don't know you. Have you got a prayer card? You don't need it. Your faith saves you.

Is He the same yesterday, today, and forever? This is God's way; walk in it. What is it? The resurrected Jesus Christ. Forget all these creeds and things you're trying to hold to. Turn it loose. The Word is being made flesh among us. We see it's God's Word. [\[Hebrews 13:8\]](#)

**L-90** Do you love Him? Would you like to come offer your life to Him, as a life of service; even a dedicational service, to dedicate your life to Him again? Would you do it? While in His Presence, I want every person that's here, that wants to dedicate their life anew, and all you people that raised your hand awhile ago, come stand along here just a minute. I feel led to do this. And when I feel led, it's always the right thing. That's right. Oh, now, you'll see something happen.

*Yes, we'll gather at the river,  
The beautiful, the beautiful river;  
Oh, gather with the saints at the river  
That flows by the throne of God.*

*Yes, we'll (all of us) at the river,  
The beautiful, the beautiful river;  
We'll gather with the saints at the river  
That flows by the throne of God.*

*Shall we gather at the river,  
Where bright angels' feet have trod,  
With...?...  
Let's raise our hands now.*

*Yes, we'll gather at the river,  
The beautiful, the beautiful river;  
Gather with the saints at the river  
That flows from the throne of God.*

Let us bow our heads now. The organist will continue with that while we hum it in our hearts.

[Brother Branham begins humming--Ed.]

... silver spray...

Just continually humming now, thinking you're coming in the Presence of the Spirit of God that's here with you.

*We'll gather at the river...*

**L-91** Heavenly Father, I walk up before this penitent group, the complete church outside of about ten or fifteen people stands on their feet, wanting to know You closer, walk with You, love You more. They're

standing, Lord, singing: "Shall We Gather At The River." Yes, Lord, we'll gather there, and it won't be long.

When the time is fulfilled, then the Spirit of God, which is here right now, the great Holy Spirit moving around over the building, that sweetness of fellowship that draws us close to Him, letting us know that our sins be pardoned, our iniquity is gone... When we're ready to confess our wrongs, God is willing to forgive us.

**L-92** Heavenly Father, as we see the day far spent now, and we seen You do something tonight like You did before Your crucifixion, that's the very works that You done before You were crucified. And here now we know by this, the promise of the Word that It promised it would do again, we know that You are risen from the dead and You're alive forevermore.

Two thousand years of criticism and twisting in theology, has never been able to warp it out of the Word of God. We see Christ come on the scene and do exactly the same thing that He did when He was here on earth. We know by this that He lives.

And we know by this that we are accepted, because the Angel that come to Abraham and to the elected group, not down into Sodom, but up at the elected group, performed this type of a sign. And we're so glad, God, that You let us know that we are that church that's come out and are separated; not down in Babylon no more, but are borned again and are made new creatures in Christ Jesus, waiting for His coming. We care not for the things of the world, for we are pilgrims and strangers. Our inheritance is of above where God sets on His throne. [\[Genesis 18:1-21\]](#)

**L-93** We pray, heavenly Father, that You will take each penitent person that's standing here. And if I have found grace in Your sight, and we have preached the Gospel without compromising, just exactly the way the Word teaches it, and You have proved that it is the truth by Your visit with us tonight; God, forgive every sin. Take every coldness away from the people, and may the Holy Spirit, in the power of His resurrection of Christ, will move into every heart and warm those hearts. Fill it, Lord.

Right now let another Pentecost drop down upon this audience. Satan's defeated. May the power of God move into the hearts, and sanctify and fill every heart here in Divine power of the Holy Ghost. Grant it, Lord.

I offer this prayer to You, God. In the Name of Jesus Christ, grant it, Father. May Your grace, grace our (us) our gathering tonight and our blessings together with You, Lord, in heavenly places. Grant it, in Jesus' Name.

**L-94** All that believe now with all your heart that God forgives you, and you promise that by the grace of God in the Presence of this Angel, the Holy Ghost that's here now, you promise from this night on you'll live for Him, you'll pray more, you'll sacrifice, you'll fast, you'll do everything in your power, by the grace of God, to live for Him. Raise up your hands and praise Him. Now, say, "Thank You, Lord, for giving me this faith to believe it." God bless you. Amen.

## **62-0729 - Curling Arena, Victoria, BC (Paragraphs: 89 - 102)**

**L-90** Now, before we line up a prayer line in the building, I want your reverence just a moment. Believe. Sometimes you have to cut like everything with the Word. But when I meet you at the day of the judgment, there'll be nobody's blood upon me. See? I want you to know that I tell you the truth right out of the Word. And if God don't confirm that truth, then it isn't the truth, it isn't God. If God confirms that truth, then it's truth, and you listen to it.

Before I walk down there to lay hands on the sick, I want some of you here to believe with all your heart that Jesus Christ, the Son of God, is Son of God just as much as He ever was. And it's His Spirit, and I'm telling you this, and this is His Word. Do you believe it? Thank you for your faith.

**L-91** Now, so I can be sure the anointing of the Lord is upon me, before you move from your seats I want

you to say, "Lord, God (in your heart, like this) I know that man standing there doesn't know me. I know he's proved to me in these two nights he's been preaching, that You promised these things in the last days, and the unbeliever's walking away from it. But I--I'm a believer, Lord. I believe it. Let me touch the border of Your garment. You speak back through that preacher up there, and do the same work You did when You was here on earth through Your church, and I'll know that I belong into that church, because by one Spirit I'm baptized into that Body." Yes, indeed. You say that, and believe it.

Now, everybody reverent for a moment, and set quiet just for a moment. God bless you. If I don't get to see you... If the Spirit would happen to strike me, and I don't get to tell you good-bye before I leave... I won't say good-bye, I'll say the German word, "Auf Wiedersehen." That means "we'll meet again." We'll meet again somewhere; if not here, across the river. We'll see you on that side. When I stand there at the day of the judgment, and this day flashes upon the screen of God's bar there, you'll see I've told you the truth. I've been honest with you. I haven't held anything back. I've just placed it the way the Word says it, and there it is.

**L-92** Now, Almighty God, come on the scene, and let these people know that Your servant is not here for no other purpose, but because You sent. Now, Father, I've spoke of You. You speak of me, that I've told the truth. In the Name of Jesus Christ, I ask this.

Now, have faith in God. Don't doubt. All right now, look up this a way, and believe. Believe, please. In your heart be saying, "Lord, God..." Just pray. See if God can tell me what you're praying about. See if it's the Holy Spirit or not. [\[Mark 11:22\]](#)

**L-93** This little fellow out here on the end, setting out here on the end of the front row here, kept his head down, and kept praying. He's praying. He's trying to ask God to get rid of that asthma. If you believe... Is that right? Raise up your hand if that's right. Well, you--just left you. Amen. So now, if that ain't the same yesterday, today, and forever, what is Jesus Christ? Is that right?

Look at this man setting out here, looking at me. He's praying for a sister-in-law that's real, real sick. That's right. If you believe with all your heart, you can have what you ask for. Amen. God bless you. That's right. You see He's here. Don't you know that?

Look at this lady setting here, kinda elderly lady setting there. She's praying, 'cause she's got something wrong with her neck. Pains and things keeps running through her neck, bothering her. That's right, lady, isn't it? If that's right raise up your hand. All right, receive your healing. Go, and be made well. [\[Hebrews 13:8\]](#)

**L-94** Do you see He's here? Do you believe it? Now, can't you be perseverant to stand there and say, "If the Presence of Jesus Christ is here and knows the very secret of the heart..." And the Bible said that, "The Word of God is powerful than a two-edged sword, and a Discerner of the thoughts of the heart." How could that be the Word of God? "If ye abide in Me, and My Word in you (I was baptized into His Body. His Word abides in here.), then ask what you will, and it shall be done for you." Amen. Why can't we be perseverant, believe with all of our heart?

How many of you people in here has got prayer cards over in this line here, wants to be prayed for? Raise up your hand. All right. How many hasn't got prayer cards and wants to be prayed for? [\[Hebrews 4:12\]](#), [\[John 15:7\]](#)

**L-95** By the way, how many ministers are here today that's godly men, that believes in Divine healing? I don't ask you what denomination you belong to now. You can belong to any denomination you want to. But you believe in Divine healing, and you're interested in God healing the people, trying to make life a little--a little better for them, to ease up the pains as they journey on, and you believe in Divine healing, raise up your hand: ministers. All right.

I'm going to ask you to come here and stand, and form a line with me, that when I'm gone, that the people will see it isn't me. You have just as much right to pray for the sick as I do. Any minister of God that's ordained of God has a right. Jesus said, "Go ye into all the world, and preach the Gospel to every

creature. He that believeth and is baptized shall be saved; he that believeth not shall be damned. These signs shall follow them that believe; if they lay their hands on the sick, they shall recover." What? Preachers preach the Gospel to every creature.

I want the ministers to come here and just make a double line right here. I'm going to stand right between you, right down here. We're going to pass the sick and afflicted right through here now. [\[Mark 16:15-18\]](#)

**L-96** And the people that's coming, when you come, don't come to one of us. You come as you're obeying, like you was going into the baptismal pool. Come down. And when these ministers lay hands upon you along with myself, believe that you're going to get healed and be made well.

Now, we only want ministers, ministers of the Gospel, just ministers. All right. I want them to form a double line right here, making an alley-like between them, a little road down between them, the ministers of the Gospel. Thank you, my brethren, for your fine cooperation. You're the cream of the crop. I appreciate you as my brothers and sisters in Christ. Now, remember, you're interested in these people getting healed. And you've come to show your faith in God, that you believe, and believe that Divine healing is right. [\[Mark 16:15-18\]](#)

**L-97** And now, I... Every person here that belongs to these congregations ought to be proud of their minister, ought to be thankful for a servant that'll stand here, and--and represent Christ in the midst of conflict, and still believe it, because they know that the very God that they love and serve, He's the One Who knows the heart. And whenever you get sick, hereafter, or something another, your pastor has a right to pray for you.

Do you love God? All right. Now, I want Brother Roy Borders to come up here to the microphone. And I'm going to come down there among the people. He will direct the congregation, how that they must come through the line. You people will start over on this side coming right through with ministers praying for you, laying hands on you. Then this row here, he will tell you how to come out and come around. Come one way so we won't get mixed up. And every person that desires to be prayed for may be prayed for.

**L-98** Let us bow our heads now. Now, my minister brothers, you pray with all your heart.

Our heavenly Father, grant this now. The great moment has arrived. I've done my very best, Lord, to try to show people that in the Bible the people that were persistent was the one that got the blessings of God, because they believed, they had the promise. They believed the promise and they obeyed the promise. And nothing kept them from it.

Now, most gracious Father, these people have set still this afternoon. These that are in here, they've listened because they have a reason. They've come to find Your mercy. You've appeared before us in a great phenomena, and showing that You're still Jesus and that You're here.

And the church is receiving its last warning. Father God, I know that's went over and over and over to people. They've heard it. But one time, they're going to hear it the last time. How do we know it won't be today? There's people setting here today, maybe people been in here today, that'll be dead before in the morning. How them voice will ring out in their ears through the ceaseless eternity yonder, how they walk away from the truth of God.

**L-99** Oh, I pray, Father, that these precious believers that's here now, will be healed, every one of them. I pray that these men of God, Your servants that... You've got five offices in the church. You said You have ordained in the church, first: apostles, then prophets, teachers, pastors, and evangelists. God, You set them in the church. Maybe they cannot prophesy and say things. Maybe they do not have discernment. But they're man who are teachers and pastors. Me, preaching hard, they stand right here to say it's the truth. They recognize it. They believe it. God, honor those men. Honor them, bless their congregations. May an old fashion revival break out in every one of them, Lord. Grant it. And get those predestinated seed that's laying around here on the island before it's ever too late. We know You'll

grant it.

Now, as we step down, honor their prayers as they pray. When they lay their hands upon them, Lord, ministerial hands that's set aside for the Kingdom of God, may You hear and answer prayer. May every sick person that passes down this line, go out of this line praising God like Abraham. "It's going to happen anyhow, 'cause God said so." "The prayer of faith shall save the sick, and God shall raise them up. If they lay hands on the sick, they shall recover." God said so. And it's going to be. Somebody will be made well. In Jesus Christ's Name, we ask it. Amen. [\[Ephesians 4:11\]](#), [\[James 5:15\]](#), [\[Mark 16:18\]](#)

**L-100** I want the organist, if she will, play with all your heart, all that you can, and make it... Now, congregation singing, "Only Believe, all things are possible, only believe." Brother Borders will do the directing now of the prayer line. God bless you. [Brother Border says, "Now, if I could have you... Blank.spot.on.tape--Ed.]

*... things are possible, only believe.*

**L-101** I was checking hands coming through. People, did you notice me getting your hand, and holding it up like this? You remember, you Canadians, the first time I ever saw you? And I could only know by laying my hands upon the person's hands? How many remembers it? Remember, this gift was first manifested to me in Canada, in Regina, with Brother Ern Baxter that night, when I prophesied and told you that He told me that someday, if I'd be reverent this way, that--that I would know the very secret of their heart. How many remembers me saying that years ago? The Bible said, "If there be one among you spiritual or a prophet, and what he says comes to pass, then hear him." Hear me. Jesus Christ loves you all.

And I checked those hands coming through, and a great percent of them was already vibration stopped by the time they got to me here. When them ministers had laid hands on them, they'd already been healed before they'd even got to me. [\[1 Corinthians 14:37\]](#)

**L-102** Brother Byskal, God bless you. I just recognize you now, being there, Brother Eddie's daddy. God bless you. May everlasting grace of God ever abide with you until we see again. And then we would say:

*Till we meet! Till we meet!*

Let's raise our hands now. Pray for me. I need your prayers. I love you with undying love. When I speak to you the way I do, it's in love, because I love you.

*Till we meet! (Bless you, brethren, for your fine...?) Meet!*

*God be with you till we meet again!*

[Brother Branham asks someone, "Are you going to dismiss?"--Ed.]

Let us bow our heads now. I'm going to ask Brother Eddie if he won't come here, and whatever is on his heart to say. I'll be leaving pretty soon now for overseas. Can I depend on you praying for me? Do that. With godly love, I'll never forget Victoria, remember this island. God bless you till I see you again. Brother Eddie.

## **62-1123 - Life Tabernacle, Shreveport, LA (Paragraphs: 97 - 128)**

**L-98** Now, I don't want you people with prayer cards; I want you people that hasn't got prayer cards, 'cause I am going to call the prayer cards. I want you to take this in your mind. Now, be real reverent. Christ... Now, Christ could heal, 'cause He healed by vision when the Father told Him. That's right. He never healed anybody, or performed one miracle, until He saw a vision first. How many knows that? Saint John 5:19, He said it Himself. He's God, and can't lie.

But, you see, healing has already been purchased now. The sacrifice is made. He can still proclaim Hissself by prophecy and show His signs. But healing, you have to believe Him. If He was standing here tonight, and you say, "Lord, will You heal me?" He'd say, "I've already done it. Don't you believe it?" for He was wounded for our transgressions; with His stripes we were healed. Do you understand that?

Now, you believe it and see if He's still alive. [\[Isaiah 53:5\]](#), [\[1 Peter 2:24\]](#)

**L-99** What a challenge. I challenged that before half a million people standing against me in Bombay, India. I challenged it before two hundred and fifty thousand in Durban, South Africa, watched God move in on the scene. Thirty thousand blanket natives throwed down their idols and become Christians at that minute. And women, stark naked, as soon as Christ come upon them folded their hands and walked away.

And then, women today in a Pentecostal church cutting off their clothes, and acting... And then still say you've got the Holy Ghost. There's some... I--I'm... I love you. You know that. But I'm--I'm--I'm zealous.

When I see my sister, God's daughter, out there, see my brother so cowardly to have to stand behind some kind of a--fail to preach the Word of God, that he knows the truth. See my sister conducting herself like some street woman instead of a saint of God, see some man afraid to stand up and proclaim the truth, afraid his denomination will kick him out: a son of God... I don't... That blood don't flow right.

A real genuine Christianity believes the Word, and holds It, holds that promise.

**L-100** Now, you're strangers. Now, looking around, I know Brother Williams setting here. I see Sister Moore. I think that's Sister Boutliere setting beside her. I didn't recognize her last night. I'm trying to see if I see anybody that I know. This brother here, I--I can't think of his name, he's... What? Brother Harris. I know him. Brother and Sister Dauch setting right here from Toledo--up in Ohio. That's about it. I believe I see Brother Collins. Is that right, Brother Collins? A good old Methodist boy, received the Holy Ghost, is one of my deacons at the church now. God bless you, Brother Collins, Sister Collins.

**L-101** The Holy Spirit's coming in now. I... It becomes blinding out. I wish I could explain this. You can't explain God. You have to believe God. You just have faith; don't doubt. Believe on the Lord Jesus Christ. The Bible says you should be saved if you believe it.

You say, "Lord, I'm like the woman that touched the Master's garments. I ain't trying to touch that preacher. He's a man. But the Bible said that You're a High Priest that can be touched by the feeling of our infirmities." Did He say it? That's the New Testament.

Well, then if you touch the High Priest, how would you know you'd touched Him 'less He acted the same way He did yesterday? And if He's the same, He will act the same. Is that right? That right? He's a High Priest that can be touched by the feeling of our infirmities. And what happened when that woman touched Him and went off and set down like you are, or whatever she did? Jesus turned around and said, "Somebody touched Me."

Peter said, "Why, the whole group's touched You. Why say a thing like that?"

He said, "But I perceive that virtue went out of Me. I got weak." He looked around till He found the woman, told her about her blood issue, and said, "Thy faith has saved thee."

He's the same God tonight. He's the same High Priest. Now, you believe. You believe. You that don't know me, you that has no prayer cards, you ask God, and be humble about it. Now, remember, it's going to take your faith to touch Him. I can't touch Him for you; you got to touch Him yourself. It's your own faith. But you believe. How many does believe? Say, "I believe." If thou canst believe... Let's just start, row by row. It's just come. [\[Hebrews 4:15\]](#), [\[Mark 5:30-31, 34\]](#), [\[Luke 8:44-46\]](#)

**L-102** Now, I wish you'd be real... Don't get up and move around now. Set real still. May the Lord God grant unto His church the vindication. God, I've told the truth. As far as I know it's right. May the heavenly Father that we'll stand before, let this happen to help Thy people, Lord, to help Thy people. Preaching hard, you got to... It's a change; it's another anointing; the same Spirit, but just another office.

The lady setting there, right here at the end of the row, right here looking at me, the little white thing on you, you believe? You believe? You believe me to be His servant? You have a need of Him, don't you? It's for your throat. Ask her if that's the truth. Mrs. Sparks, you believe with all your heart? That child setting there, you want prayed for too. Yes, sir. He's anemia, got a nervous condition. That's true, isn't

it? I don't know the woman, never seen her in my life. Put your hand over on the child. In the Name of Jesus Christ. If this woman had faith enough to do that, let it be known, Lord. May it leave in Jesus Christ's Name. Amen. Don't doubt.

**L-103** Now, He's here. See? We were praising Him till He come. Now, He's here.

Here's a little woman setting back there, back behind that woman. She's got her hands up; she's got a handkerchief in her hand. She's praying. She's setting on the end. The woman's suffering with stomach trouble. It's over, sister. You have a prayer card? You don't? You don't need it. You don't have it. Go home and eat your supper. It's all over. "If thou canst believe..." Are you believing? Ask these people. God in heaven knows I never seen them in my life, as far as I know. If it isn't Christ the same...

Here, here sets a little woman setting right here. She's got on a red coat. You have a prayer card, lady? You don't? You don't need one. You're not sick, but you got a question in your mind that you want to talk to me about. And that question is a spiritual problem. You want to know if you want to quit your work and go into a full time work for the Lord. You're not from here, you're from Texas, Houston. Abide, He will call you when He's ready for you. I never seen the woman in my life. I challenge you to believe it.

[\[Mark 9:23\]](#)

**L-104** What? Way back. Here, here's a good contact of a man with the Spirit, a man setting right back here, white shirt, kind of bald. He comes from Arkansas. You got a prayer card? You believe me to be God's prophet? Your stomach trouble left you. You can go back home to Arkansas rejoicing. I never saw him in my life.

Here's a man setting here with asthma, a hernia. He's from Texas. Mr. Cobb (That's right.), I'm a stranger to you. You believe? Go back to Texas and be well, in the Name of Jesus Christ. He's God. You believe?

Here, here sets a little chubby girl setting here. You have a prayer card, honey? You believe me to be God's prophet? As God's servant, you believe what I said awhile ago in that message is the truth? Your kidney trouble will leave you. Go home, be made well in the Name of Jesus Christ. You believe it.

A woman setting right out here, end of the row, with an ear infection. You believe that God will make you well? Go home; believe it; be well.

There's a woman setting there with heart trouble, wearing a purple hat, Mrs. Lambert by name. You believe with all your heart? Your heart trouble will leave, you can go home and be well.

**L-105** You believe? You believe? I challenge you to believe it. Raise up our hands. Lord Jesus, Son of God, let not these things pass, Lord. You do not these things in vain. You're God, the eternal God. You live forevermore. Let it be known tonight that You're the Author of this. The prescription is right. You're in our midst, and You're God. Let the people believe on You now, and let them be healed, a double cure for all unbelief.

In all things we give You praise, our gracious God, our heavenly Father. In Jesus Christ's Name we commit them to You.

**L-106** Do you believe with all your heart? Talk to some of these people. I never seen them in my life. I don't know what's wrong with them now. That's the Holy Spirit. That's a vindication that I've told you the truth. The way back is the way I told you.

The church is lost in the wilderness, wandering around. God, our Father, is here among us in us, like He was in His Son, Christ Jesus. Only He was in Him without measure, in us by measure, but the same Spirit. Can't you see it? Don't you know it? Believe it with all your heart.

Where are we at? Have faith in God. Believe these things that Jesus said. How could He be the Son of God and lie? How can He make a promise, and it's not true? It's because we've not been inoculated. Come back to the Balm. Come back and let the real Holy Spirit, not an emotion, not an excitement: yet it is excitement, yet it is emotion. But let It come in and vindicate Itself. Open up. It'll do the things that He always did. "He that believeth in Me, the works that I do shall he do also?" Do you believe it now?

[\[John 14:12\]](#)

**L-107** How many's got prayer cards now? Raise up your hands. If you believe me to be a servant of Christ.

Jesus said, the last commission to the church: "These signs shall follow them that believe. If they lay their hands on the sick they shall recover." I feel led. I was going to walk out. But Something said to me, "Don't do that. Them people wants you to lay hands on them." God's good. He stopped me from my own thought. What stopped it? You did, with your desire. He will give you your heart's desire. Line up, you with the prayer cards. Come right over on this side and them line up. He's good.

I seen Him bring a plane down out of the air, hold me there all night, and all day the next day to--for the faith of a colored woman for her dying boy. Sure. Do you believe? Do you believe the message? If you can't believe the message, well, you'll never believe the messenger, I'm sure. But if it is the message, God will vindicate it. [\[Mark 16:17-18\]](#)

**L-108** Now, you see what visions does. I... Visions are something that comes from God. Visions doesn't heal you; visions proclaim God. The Bible said, "If there be one among you who claims to be a prophet, I, the Lord, will speak to him. (How would He speak? Like He did always spoke.) And what if he tells the truth, I'll vindicate it to be the truth."

Then take the prescription and go back. Go back to Pentecostal faith. Be a brother, Oneness to the Trinity, and Trinity to the Oneness. Be a brother, Church of God to the Nazarene, Nazarene to the Church of God. Be a brother, be a sister. Don't let denominations separate you. God predestinated His church. They're in the pond somewhere. We got to get out and get them. The Holy Spirit's here tonight searching every heart. May the God of heaven grant. [\[I Corinthians 14:37\]](#)

**L-109** Now, when you people come by, if I could heal you, I'd do it. But if I told you I could heal you, I'd lie. You're already healed. Jesus healed you when He died at Calvary, for "He was wounded for our transgressions; with His stripes we were healed." How many believes that's the truth, say, "Amen." The only thing I can do is lay my hands upon you and pronounce the blessing. God, grant this blessing. That'll help you, I'm sure, if you'll believe it. As Oral Roberts once said, it's a point of contact.

I want every person in here to believe now, as we bow our heads and pray. I want these people to file right by here. And as they come by, I'm going to pray now, lay hands on you. It's getting late, going on ten o'clock, and I'm going to pray for you.

I'm going to pray for you right now. I'm going to lay hands upon you. I'm going to ask the minister brothers, so that you see it's not just me. I'm not the only one. Any minister has the right to pray for the sick. Any minister that's godly and God-sent, that's got faith in God, God will hear his prayer just the same as He will anybody. They may not be able to discern and things like that. They don't... That don't happen too often. That's right. But that don't make the person doing that any more than anybody else.

[\[Isaiah 53:5\]](#)

**L-110** I can't preach like the preachers does. I can't teach like the teacher does. I can't speak in tongues like the gift of tongues. I have no interpretation. It's come to me... Oh, once or twice... I've spoke in tongues four or five times in my life. But I never did... I-I-I sure felt like it many times, but it just didn't utter out. It has several times.

I just--I spoke in tongues for an hour one time. I speak in tongues one time, didn't even know I was doing it. I looked around to see who it was talking. I thought, "Where is that German, whoever he is?" Looked around, it was me doing the talking. I just kept real still. And at the same time there was a woman bleeding to death about ten miles from there, trying to get to the church. And when she got over there, she give the testimony she was healed instantly. It was the Holy Ghost making intercessions. Sure.

Now, those things are not fiction, friends. They're true. God in heaven knows it's true, thousands of things like that, tens of thousands. So it's God, friends. It's God. Believe with all your heart now.

**L-111** Brother Moore, some of you brethren, Brother Tracy, any of you minister brethren, want to stand along here with me, while I lay hands. Brother Don, you could help them there, Brother Brown, anybody, any of you brethren that's Christians, and believe, come here and pray. Let's all bow our heads now.

Gracious God, we are here to help. I pray that You'll help, Lord. They know You're here. They know by the fruit of the Spirit; they see by the actions of the Holy Spirit that You're here. Lord, we're just men. We're standing here to do our office. These signs shall follow them that believe. They'll lay their hands on the sick; they'll get well. Lord, let it be that every person passes by may be healed, as we lay our hands upon them in commemoration of our sympathy for them, and our faith in God. [\[Mark 16:17-18\]](#)

**L-112** To begin with, I lay my hands on this baby, and I condemn this water-head. In the Name of Jesus Christ, may it shrink. May the woman return, showing how much this baby's head shrank. May it live for the Kingdom of God. Amen. Bless him, Lord.

My hand upon brother, in the Name of Jesus Christ may he recover.

My hand upon my brother, in the Name of Jesus Christ, may he receive his healing.

In the Name of Jesus Christ, may my brother be healed.

In the Name of Jesus Christ, may the child be healed.

God, in the Name of Jesus Christ, let our sister be healed.

In the Name of Jesus Christ... In the Name of Jesus Christ, let our brother be healed.

In the Name of Jesus Christ, let our brother be well.

**L-113** All Christians praying now, everybody praying. In Jesus' Name, heal our sister. Lay hands upon her in the Name of Jesus Christ and our sister...?...

June, come ahead. Don't you believe what you're thinking. You're going to be all right, June. A mother, this happened to you. But when I was told last night, laid out in prayer. You're going to...?... like...?... more, or something on that line. But you'll be all right...?... May God of heaven rest His blessings upon this young woman...?...

In the Name of Jesus Christ, may every nerve let loose. May she snap back just to that spot where this golden voice, this talent that's been given to the Kingdom of God, may we hear it echo across the country again.

I rebuke the devil that's been trying to blind her eyes, and trying to poison her mind to these things. But may the God of heaven break through with the daylight of the light of Christ.

I claim this girl for You. You said, "If you say to this mountain 'Be moved,' and don't doubt in your heart, but believe that what you've said, what you have said will come to pass. You can have what you said." I pronounce this girl to be healed in the Name of Jesus Christ. It has been said, now let it be done.

[\[Matthew 17:20\]](#), [\[Matthew 21:21\]](#)

**L-114** In the Name of Jesus Christ, let this be done for our brother.

Mrs. Schrader, I got your note. (I know Sister Schrader.) You asked me about the tape. I haven't been home yet to hear it. I'll get it when I get home.

Sister Schrader, you're a good woman. I love you, my sister. You was the one, me not knowing you, when I walked in and someone spoke in tongues, and you gave the interpretation, and said the very same thing that that Light did, when it come down over me down there, when I first was a Baptist preacher. Said, "As John the Baptist was sent forth to forerun the first coming of Christ, you're sent forth, and your message will forerun the second coming."

When that Baptist minister, where I was ordained, when he heard that, said, "A seventh grade education is going to preach to potentates?"

I said, "That's what He said."

The paper said, "Mystic Light hangs over minister" was on the Associated Press. Knowing nothing about that, eleven years later, someone spoke in tongues, and interpreted the same thing, and I was standing

there. God is with you, Sister Schrader. The devil's against you. I am your brother. O Lord, Creator of heavens and earth, this frail little woman, whose precious loved one has gone on, O Lord, let the power that raised up our Saviour from the grave, let Him come upon this frail little frame to Your glory who prophesies in Your Name. Let it come forth. And may this gift that's been wrenched over, may it come back well. May she recover, Lord. I pronounce it upon her in the Name of Jesus Christ. Now, it has been said, Lord, let it be done for Your glory. God bless you, sister. May your soul be...?...

**L-115** Our heavenly Father, in the Name of Jesus Christ bless this young sister and give her what she asks, in Jesus' Name.

God bless our brother, and give to him his healing in the Name of Jesus Christ.

God bless our sister. Give to her her healing, in the Name of Jesus Christ.

God bless our brother. Give to him, Lord, his healing. Let the people that passes by here realize, Lord, not just simply walk by, but come by with a faith, believing. That's the way to receive it...?... Grant it, Lord. May they not come, just...?... and walk by, but may they realize they're coming under the blessings of God that's been proven tonight in the church, that He's here, and His Word's vindicated and proven. Lord, that Your healing power is in...?... You can do it... [Blank.spot.on.tape--Ed.]... when we follow the conditions as we were commissioned to go baptize people. He promised to give the Holy Ghost. That's all we can do is baptize. He's the One Who baptizes. Then I can preach the Word, He vindicate it, and I lay hands upon these people. God, make them...?... out of them in Jesus Name...?...

**L-116** God, likewise to this brother, give him likewise, in Jesus' Name.

Heavenly Father, in Jesus' Name heal our sister.

In the Name of Jesus Christ heal this our sister. May it be over from tonight on. Lord, Your great church here is praying, Father. Let it be so that...?... be healed.

In the Name of Jesus Christ, let it be healed.

In the Name of Jesus Christ, heal our brother.

In the Name of Jesus Christ, may it be done for our sister.

In the Name of Jesus Christ, may it be done...?...

In the Name of Jesus Christ, may it be done for our sister.

In the Name of Jesus Christ, may...?... take away his faith right now, 'less he's in the Presence of the Son of God in the omnipresence right here now. May He grant your deliverance from this hour.

Likewise to our brother, may he...?... Lord, as he passes by.

These signs shall follow them that believe. You said if they lay their hands on the sick, they shall recover. I believe You for it. And in the Name of Jesus Christ, I lay hands on these sick people.

In the Name of Jesus Christ, I lay hands upon my brother. Your Father, may He add to the blessing she's had...?... God grant in Jesus' Name the healing of our sister.

In the Name of Jesus Christ, grant the healing of this brother.

God, grant the desire of our brother we pray in Jesus' Name. [\[Mark 16:17-18\]](#)

**L-117** Heavenly Father, grant the desire of...?... in Jesus Christ's Name.

Heavenly Father, in the Name of Jesus Christ, grant our sister...?...

In Jesus Christ's Name, grant this to...?...

In the Name of our Lord Jesus Christ, I ask for healing, Father.

In the Name of Jesus Christ, heal our brother.

In the Name of Jesus Christ, Lord, heal our brother.

In the Name of Jesus Christ, we ask a victory...?...

In the Name of Jesus Christ, grant the healing of our brother.

In the Name of Jesus Christ, grant the healing of our brother.

Heal our sister, Father...?...

In the Name of Jesus Christ, heal our sister, Father.

In the Name of Jesus Christ, heal our sister.

In Jesus' Name, heal our brother.

In the Name of Jesus Christ, heal our sister.

God, grant in Jesus Christ, heal our brother.

Now, Lord, in the Name of Jesus Christ, heal this...?... in this baby for Your glory.

In the Name of Jesus Christ, heal this...?...

In the Name of Jesus Christ, Lord, heal this, our sister, I pray.

In the Name of Jesus Christ, blessings of God on...?...

In the Name of Jesus Christ, heal our sister.

In Jesus Christ's Name, heal our brother.

**L-118** Now, as you pass through, believe. Believe. How can He do these things that He does if He isn't here? He's just as great... Just the same anointing here as at any time.

In the Name of Jesus Christ, heal this, our sister.

In the Name of Jesus Christ, I lay hands on our sister, Lord. In the Name of Jesus Christ, believe that. Amen. Believe that now...?... sister. God bless you.

In the Name of Jesus Christ with my hands...?... in Jesus' Name.

In the Name of Jesus Christ, I believe for our sister.

In the Name of Jesus Christ...?...

In the Name of Jesus Christ, our sister...?...

In the Name of Jesus Christ, our sister...?...

In Jesus Christ's Name...?...

In Jesus' Name let our brother be healed.

In the Name of Jesus Christ, let our own sister be healed.

Heal our sister, Lord, in Jesus Christ's Name.

In the Name of the Lord Jesus, heal this, our sister.

Heal our sister in Jesus Christ's Name.

Father, in Jesus' Name, heal our sister, I pray.

In the Name of Jesus Christ, heal our brother...?...

**L-119** This... We cut the switch there? This here may seem very strange, but it's only obeying an act of God. If you believe that you repented, and are baptized, you're a candidate for the Holy Ghost. See? But what? By a minister, a servant of Christ, who's brought you the truth, minister the Word of God to you. Then if God comes in His Word, and they preach the Word, and the Holy Spirit comes down and proves that to be the truth...

See, friends, what happened just awhile ago, I--I don't know. God in heaven knows I don't know. See? But whatever it was, it must have been glorious because my heart's beating real fast with joy. It was something.

Now, it looks to me like that a borned again church that claims the new birth, and are--the time of the coming of Christ at hand... Why, with the evidence, a positive evidence...

If there was a man standing here with a long robe on, and scars in his hands, blood running out of his face, that still wouldn't be the Christ. Any impostor could do that. But the life that was in Christ be reproduced, then you know it's Christ.

**L-120** I'm preaching one of these nights on a "Paradox," and that was a paradox you just seen. It's something that can't be explained. See? It's a miracle, that how the God of heaven can produce such. Now, you say, "Could you heal me, Brother Branham?" It's impossible. You're already healed.

If He was standing here wearing my suit that He give me, He couldn't do no more. That's all He could do was vindicate that He's Christ, prove that He's here. You have to believe Him. "I can, if you believe." That's it right now. If you believe it, that's all there is to it. It looks to me like it ought to electrify. It

ought to send people to repentance. It ought to send people seeking for the Holy Ghost. It ought to do something more than it's a doing.

Is the food... Is the ro... Is the Word seed falling upon stony ground? Ladies, what's the answer? Brethren, church, what's the answer? What more can God do? He never promised another thing. You'll never see nothing no greater than the Presence of Jesus Christ working in His church, performing the things that He promised to do...

**L-121** But you know, there's something happened to the church. What do you think would took place if fifty years ago that would've broke through? See, it's got to be more powerful now to shake the church harder. "As the enemy comes in like a flood, the Spirit of God rises a standard against it." One of these days It'll raise the church plumb out of its place, the borned again saints.

"Two in the bed, I'll take one and leave one, two in the field I'll take one and leave one." It'll raise the church into the Presence of Christ to live forevermore. I do not say this to be rude. I say it in godly, brotherly, sincerely love with a--a hunger in my heart to see the church of God be the church of God, a body of people. [\[Isaiah 59:19\]](#), [\[Matthew 24:40\]](#)

**L-122** Men cannot do nothing for you, when you pass by this line like that, laying hands on, you've heard so much gimmicks, and so much, "I smell..." and all this kind of stuff that's not even Scriptural. It's got your minds paralyzed almost. See, the devil did that to shake you away from the truth. The Word is the Truth, and the Word is made flesh. Do you understand? God bless you all. I love you. Here's handkerchiefs... [A sister gives a testimony--Ed.] Amen. Praise be to God.

**L-123** Lord Jesus, the Rose of Sharon, the Lily of the Valley, the Morning Star, the Root and Offspring of David, the Alpha, Omega, the Beginning and the End, He that Was, which Is, and shall come, send Thy blessings, Lord, upon these people. Bless them, Lord, with an old fashion revival. Send them back, Lord, of an experience that their fathers and mothers had many years ago, that we're in celebration of in this meeting.

Here's handkerchiefs. They taken them from the body of those blessed old saints fifty years ago, sick was healed. Two thousand years ago they did the same thing, and they were healed. You're the same God tonight, the same Holy Spirit, coming in great quantities, and powers being restored to the church, to shake the church out of its slumber. Let ever who wears these handkerchiefs be healed, Lord. May the power of God make them every one to be well. I send them in the Name of Jesus Christ for the healing. [\[Song of Solomon 2:1\]](#), [\[Revelation 5:5\]](#), [\[Revelation 22:16\]](#), [\[Revelation 1:8\]](#)

**L-124** Bless the people now. I commit them to You, Lord. The Word has been preached. You have manifested Yourself. You've proved that You're here. You've proved that You're not dead, but You're risen from the dead, and You're alive forevermore, the same yesterday, today, and forever, keeping Your commandments, and keeping Your Word and Your promises from generation to generation to ever who will believe on Your Name: the great Holy Spirit, seeking out to find a man somewhere...

O God, He found an Irenaeus one day. He found a Polycarp one day. He found a Paul one day. He found a Martin one day. He found a Luther one day. He found a Wesley; He found a George Whitfield. O God, He found a Billy Sunday. God, let Him find us tonight. O God, somebody of the hour that can shake the church in such a way with the preaching of the Gospel, like a Charles Finney, or someone, Lord, who will bring the church back to its place again. When the great Holy Spirit Himself, a work of Hissself, not a man, move in among the people, and declare Himself like He has tonight, we're grateful to Thee, Lord. Receive our thanksgiving, and give us of Thy blessings. In Jesus Christ's Name, we ask it. [\[Revelation 1:18\]](#)

**L-125** I love Him, I love Him,  
*Because He first loved me.*

Let us just close our eyes now. Let's raise our hands, and let's give Him praise. You know He's here. How many believes it with all your heart, everything believe that Christ is here, say,

"Amen."

Now, let's just sing to Him now, with all of our heart that's in us, and give Him all the praise that we know how to. Now, all right.

*I love Him, (Close your eyes now, in the Spirit sing.) I love Him,  
Because He first loved me,  
And purchased my salvation  
On Calvary's tree.*

**L-126** Oh, wonderful. [Prophecy is given--Ed.] Amen. Do you know what that is? What is it? What is speaking in tongues and interpretation? The pulsation of the Holy Spirit speaking forth something that you don't know what you're saying. See?

I've told you a way back. I give you an invitation. How many here would like to take that route and follow the prescription? Many of you here that's never been baptized, and would like to be baptized, raise up your hand, say, "I believe. I'm ready. I'll do my first works over. I'll come back again. I'll come to Christ." Raise up your hand. There's going to be a baptismal service here tomorrow night.

A Baptist minister just sent word up, said, "I'm ready." All right. Brother, I come from your church too. They read the prescription wrong to me, but I read it myself. I found out after I changed it, and read it, and done it the way He said do it, something happened to me. O God. Send out the light. Look at Him calling. Wonder why we--why we do it?

**L-127** I--I appreciate your patience, how we set and wait on one another, because It's the Holy Spirit trying to get something into us. You see, He's trying to inject something. Your patience is wonderful, and that does good.

If you say, "Oh, I don't understand, but I'm going to set and see it. I got to watch it," God will fill every hungry heart that--that'll really will reach out. When you see it, don't wait another minute. Reach up and get it, right there. It's passing by. He might not pass that way again. That's right.

Amen, amen.

**L-128** Listen, shh... [Tongues and interpretation--Ed.] Amen. Thanks be to the Lord. Did you notice, He said He was here to receive our praises. You know that "Amen" chorus, that Brother...?... sang to me. "Amen?" You sing it, don't you. All right, Brother Don...?... Huh?

Come on, Ernie. We're going to give Him praise with a "Amen" song. You... How many knows it? Oh, we all know it, I believe. All my church knows it, I believe. Or I--I thought maybe you... What say? Oh, brother, I couldn't lead that. I--I can't sing. Oh, but I think that would be beautiful right now, to say "Amen" to everything, that He said. Oh, my.

*... men, amen,  
Amen, amen, amen.  
Amen...*

Let's raise our hands and give Him...?... Praise Thee, Lord...?... and blessings... Send the Holy Ghost, Lord. Come this night and break every heart while we're praising...?...
