L-203 Now out there, just be real reverent and pray, say, "Lord Jesus, let me touch Your garment."

L-204 And you see the closest one to me, is twenty feet or more. I don't know a soul out there. I can't even see nobody that I really know, tonight, sitting there; except Pat Tyler sitting here in front, a friend of mine. There is people on cots, stretchers.

L-205 We seen a stretcher case open up last night, and the man got up and walked away. Why can't you all, tonight? See, just believe, that's all you have to do. His Presence will do it. Here He is, you're going to have to stand by Him to raise you up at the last days.

L-206 Now, you that believe, and think that you're praying through, just look this a way now.

L-207 As Peter and John said, "Look on us." And they looked earnestly, the man did, expecting to see something. He said, "Silver and gold have I none, but such as I have..." [\[Acts 3:6\]](#)

L-208 Now, healing have I none, but such as I have, a gift from God, give I you. If you'll just believe it, God will work it. I'm only asking you to believe it. Such as I have, I'll give to you. If you'll believe it, God will work it. Just try it.

L-209 Here, here It is right now. Amen. I like that. There is a lady sitting right here. She is kind of heavysset, sitting right here on the end. Do you have a prayer card, lady? Kind of a heavysset... You don't have a... Right here, you don't have a prayer card? Yes. You don't have a prayer card? You believe, anyhow? You don't need a prayer card, if you believe.

L-210 There is a rebound in the voice, that's the reason it's hard to call people like this, but try to listen to me as close as you can now.

L-211 I don't know you. You have no prayer card, therefore you'll not be on the platform. If God will reveal to me what your trouble is, will you believe that (what?) it would be the same thing just like He revealed to the woman what her trouble was? The woman at the well? Sarah, what she had said, and so forth? Do you believe that? You believe that it would be all right?

L-212 You are suffering with a blood condition, something wrong with your blood. If that's right, raise up your hand. All right. You don't have it now. It turns Light over you. Jesus Christ has honored you.

L-213 Now, I never seen the woman, in my life. Now what is that? It's got to be Spirit. Now you can say like the Pharisees, "That's the devil," well, you get their reward. You say, "It's Christ," you get the reward of Christ. I believe that it's the Word being identified in these last day; not me.

L-214 Here, here is another little lady sitting right down here. She is suffering with varicose veins in her legs. She has complications. She has heart trouble. She is praying for a loved one, that's a brother. She is weeping now. She's in contact. That brother is very seriously. It's a diabetic case. And, also, he has another shadow, he's a sinner. And you are praying for him. That's right. Miss Welton, if you'll believe with all your heart, God will do it for him. You believe it? That's your names.

L-215 Now is that any more than what Jesus said to Simon, "Your name is Simon, you're the son of Jonas"? Just have faith. Don't doubt it. Believe it with all your heart. If you believe it, God will bring it to pass. If you can just... [\[John 21:15-17\]](#)

L-216 Here, here is a little lady sitting right over here, looking right at me here. She's kind of got red hair. Her hair is pulled back.

L-217 Can't you see that Light, kind of an amber, a circling around over the woman? She knows it's happening right now, 'cause she feels It. It's so close to her, she can't help from feeling It. If that's right, lady, raise up your hand. There she is.

L-218 Now I'm a total stranger to you. I don't know nothing about you. But you were sitting there praying. That's right. If that's right, wave your hand like this. Now, if Jesus Christ is the Son of God, which He is, a High Priest sitting at the right of God... And I'm just standing here by a gift, with myself un-... out of, just out of human reasoning, not thinking on my own; a way to relax my own mind and thinking, and just let God move in. Do you believe that He... Me, God knows I don't know you; and you know the same. So if the God will reveal to me your trouble, or something you are waiting for, wanting, or something more, do you believe that God will, can do that?

L-219 You've got trouble with your back. That's one of the things you're praying for. And you got trouble with your eyes. Do you believe that God will heal them and make them well? You do? You do? Do you believe God can tell me who you are? Mrs. Hallman, you believe with all your heart now, you can have what you asked for. Do you believe?

L-220 Here is an elderly woman sitting just a little ways behind her there. She is praying, also. She has diabetes. I hope she don't miss this. It's right over her. She is kind of aged. Just a minute, may the Lord help me now. Her... There she caught it, all right, now, see, when she was in contact. She isn't from here. She is from Louisiana. Her--her city is a place called Singer, Louisiana. And she is suffering with diabetes. Her name is Mrs. Doyle. If that's right, raise up your hand. All right. I'm a total stranger to her, never seen her in my life. But Jesus Christ, the Son of God, knows all about you.

L-221 There is a lady sitting back there, from the same city, a place called Singer. She is suffering with high blood pressure. And her name is Clark. You believe, Mrs. Clark? All right, you can have what you asked for.

You believe? [Congregation says, "Amen."--Ed.]

L-222 There is the sign! Listen at the Voice! Repent, get back to God as quick as you can! Jesus Christ is here in the Power of His resurrection; a wicked and an adulterous generation receives a sign of Jesus Christ living among people. He couldn't do that just with me, it's got to be you, too. See, the woman had to touch His garment. You had to touch His garment. We're just instruments.

L-223 Do you believe with all your heart? Now if you believe that... How many believes it, raise your hands, like this, say, "I truly believe it."

L-224 Now if you believe it, Jesus said this, "These signs shall follow them that believe; if they lay hands on the sick, they shall recover." Do you believe that? [\[Mark 16:17-18\]](#)

L-225 Now it's late. We haven't time. We're twenty-five minutes now till ten. Will you just lay your hands over on one another, then? And just do as I tell you now, just put your hands on one another.

L-226 Now you know, upstairs, everywhere you're at. Now you know, as well as anything now, after the Scripture being preached and clearly identified all the way across the building.

L-227 I see another one, right now. See? And another one right here, prostrate trouble. A lady with TB. Uh-huh. Say, It's just everywhere now, but It weakens you.

L-228 What different, what more? You see fifty, sometimes there is that, and you want to see seventy the next time. Jesus did that one time at Sychar, and the whole city believed on Him. They were watching for the Messiah.

L-229 The Messiah is here, the Holy Spirit, the Messiah of this day; the Messiah that's making the Word

be vindicated, of His promise.

L-230 Now I want each one of you, as you lay your hands on each other, if you're believers. Now you don't pray for yourself. You pray for that person, and they're going to be praying for you. Now, the same Word that promised this in the last days, promised also...

L-231 And remember, Jesus said, "These signs shall follow them that believe." The healing, coming back, is the voice that the sign has been recognized. They lay hands on the sick, as a sign; the voice is a "hallelujah, the Lord has healed me!" Now if these signs accompany a voice, that sign, if you are a believer, it will accompany. The voice will accompany the sign. [\[Mark 16:14-19\]](#)

L-232 If I give you this sign, that I told you it comes from God, and God promised it in this day; it's been so thoroughly laid out, there is not nothing but an infidel could keep from believing it. See? Then God turned around and confirmed it, to make it so. Now He is here.

L-233 Now each one, in the way you pray at your own church, if it's to yourself, loud, whatever it is, you pray for the person you got your hands on, 'cause they are praying for you.

L-234 And now look up. And in the Presence of the Messiah, the Christ, the Resurrected One, still alive after two thousand years, how can we be so numb in the Spirit? That ought to set this nation on Fire. That ought to make Beaumont repent, in sackcloth and ashes. But will it do it? No.

L-235 But you who are looking for Him, and believe that He would do it and keep His Word, it's to you now the promise is given. Put your hands on somebody and pray, while I pray for you from here.

L-236 Lord Jesus, enough has been said, enough has been done. The Word that has been promised has been made manifested. The Messiah, the Christ of God, is in Divine Presence. We feel Him. We see Him. We know that He promised this in the last days. "As it was in the days of Sodom, so shall it be when the Son of man is revealed." Then, we know. [\[Luke 17:29-30\]](#)

L-237 We see the--the fire in the skies, the atomic bombs. We see the worm-eaten nations, nations a breaking. We see that Israel is in the homeland. Every sign that could be promised, has been fulfilled. The next thing is the promised Son, Coming.

L-238 O Eternal God, in the Presence of Jesus Christ, the great Holy Spirit that's here now confirming that He's here, hear the prayer of these people, hear these Christians; that, when I leave, they won't say, "Brother Branham did this." Somebody else they didn't know, laid hands on them, and they were healed. But You've promised that the Voice had a sign to it. And may they be healed, as I commit them to You, in Jesus' Name.

64-0315 - Municipal Auditorium, Beaumont, TX (Paragraphs: 253 - 328)

L-254 Believe now. And if I be the servant of God, and if God be here, and I've identified His Word to be the truth; then let the God of Heaven, Who raised up His Son, Jesus Christ, Who made these promises, identify it with you, that I've told the Truth. [\[II Kings 1:10, 12-15\]](#)

L-255 How would He do it? Not by coming with a robe on, and beard. But His Life, "I am the Vine, ye are the branches." The Life that's in the Vine is in the branch. "The works that I do shall you also," and promised it in this day, when the next branch comes forth. We've got a lot of grafted branches; sure, it'll bear fruit, but not this kind of fruit. Oh, no. [\[John 15:5\]](#)

L-256 I seen a tree in Phoenix, not long ago, it had about eight or nine different fruits on it. Brother John Sharrit owned it. I said, "What kind of a tree is that?" He said, "It is a orange tree, Brother Branham."

L-257 "Why," I said, "there is lemons and grapefruit and--and tangelos, and tangerines."

L-258 And he said, "Yes, it's all citrus fruits." Said, "I grafted them in there."

L-259 "Oh," I said, "I see. Now, next year, they'll all be oranges?"

L-260 He said, "Oh, no. Huh-uh! No. Next year the--the lemon will be a lemon, the--the grapefruit will be a grapefruit."

L-261 I said, "Off of that same vine? Off that same, off of--off of an orange tree?"

L-262 He said, "Yes. They're all citrus fruit, Brother Branham. It'll live by the citrus fruit."

L-263 Then I felt the tears running down my cheeks. I said, "Lord Jesus, I know what You mean now." There it is. These denominations has grafted theirselves in, but they're bearing denominational fruit.

L-264 Listen. If that real branch ever brings forth, a real Vine brings forth another branch, it'll be of the original. Believe it.

L-265 [A sister begins speaking in another tongue--Ed.] Sh-sh-sh-sh-sh! [She continues and finishes. A brother gives an interpretation.] Thank the Lord. How He has promised it!

L-266 Now everybody real reverent. I'm going to just stand here and ask the Lord Jesus.

L-267 This is a gift. What is a gift? To if I can move my own thinking, I can move my own life from me, my--my natural life, my soul, that's William Branham; if I can get him out of the way, God will use the spirit, the body to speak.

L-268 Let the Holy Spirit come now, Lord, that they might see, by human beings, that the identified Holy Spirit is here. A gift to get yourself the way...
Everybody real reverent. Sit still.

L-269 Just a man sitting out here. Now I want you all to raise your heads and look just a minute. Can you see That right here on this man? A Light, amber Light, burning, a circling this. How many seen the picture of It? It was taken here at Houston. You see? It's in the Washington, D.C., all over the world. Only supernatural Being was ever photographed, in all the world. Here It is right here now.

L-270 I take every spirit in here under my control, in the Name of Jesus Christ.

L-271 This man is suffering from a gland trouble in his throat. I don't know him, never seen him in my life, but that's the truth. Isn't that right, sir? Do you believe now? The man in the back there, do you believe that God will make known to me about you? You're Mr. Hall. That's your name, isn't it? All right, sir. It's over now. Your faith makes you well.

L-272 I could call a prayer line, and get them up here on the platform. There is no need of it. Let's take one of these rows here, somewhere. Here, start right here. Here is a little girl sitting here. Look this a way, honey. Might not have nothing wrong with you, I don't know. But just say, instead of a prayer line coming up here, let's get it down here.

L-273 Look here, sweetheart. Look at Brother Branham. In the days when Jesus was here on earth... Yes, she is sick. She is seriously sick, that child there. Yes, sir. If Jesus was here, He could tell you what was wrong with you, wouldn't He? Do you believe that Jesus sent Brother Branham to do it? If I tell you what's wrong with you, you believe that He'll heal you? It's sugar diabetes, that little child. No way in the world for it to be healed outside of God. Do you believe, honey?

L-274 Now the lady sitting next, that raised a hand up, that's the mother to the child. That is right. Lay your hand over on her, sister. Believe now. God brought that child to you. May the Lord grant her healing.

L-275 This next lady, sitting next to the mother there. Look here at me, lady. Do you believe me to be His servant, God's servant? If God will tell me something in your life, or what you're wanting, if you're sick, or you're not sick, or whatever it is; if God will tell me your desires, will you believe? Or something like that, I don't know what He will do, would you believe it? You know it would have to be Jesus Christ.

L-276 You're way away from me. You couldn't touch me if you had to; 'cause, if you touched me, it'd have to be physical. You have to touch Spirit. The Spirit is Christ. "He's the High Priest now," the Bible says, "that can be touched by the feeling of our infirmities."

L-277 You are suffering, also. Do you believe that God can tell me what your trouble is? You are suffering with a back trouble, and high blood, and you--you have high blood pressure, and you have heart trouble. That's exactly right. If that's right, raise up your hand. That's right. Do you believe now?

L-278 What about you with your arm around her there? The lady this way, look here. Do you... I'm a stranger to you. Do you believe me to be His servant? Do you believe me, that what I've said is the Truth, that I have told you the Truth. Do you believe that God can reveal to me your trouble? Whatever, whatever it is, you believe He could reveal it? It really isn't anything that you're wanting prayed for. You have a prayer card, I see in your hand; you're the first one with a prayer card. Do you believe God can tell me what you got the prayer card for? It's for your husband. Do you believe that God can tell me what's wrong with your husband? If God doesn't touch him, he's going to die. [The sister says, "That's right."--Ed.] He has got cancer and he's got lung trouble. That's right, isn't it? ["That's true."] Uh-huh. Raise up your hand if that's so. If you'll believe, the rest of them will believe, he can be healed.

L-279 That man sitting next to you, do you believe me to be His servant, sir? If God can reveal to me what your trouble is, will you believe then with all your heart? You're suffering with a heart trouble. That's right. If that's right, raise up your hand. Uh-huh. All right.

L-280 The lady just shook her head and herself, like that, sitting next to you. Do you believe that God can tell me what's your heart, or something you desire in your heart, or something, or something, you're praying for somebody else? You believe God could reveal it to me while the anointing is here, and we can see It and see It's got to be something real? It's revealing the secrets of the heart, telling what, just like Jesus told the woman at the well. Now you are also suffering. You, you suffer with a back trouble. Yours is in your back. Raise up your hand if that's so. Uh-huh.

L-281 Now the lady next to her, that's a weeping, with your purse laying in your pocket, with a blue dress on, dark hair, heavyset. Look to me. Do you believe me to be God's servant? Look here. See, you're on the front row, I can contact you easy, by the help of God. Do you believe that God can tell me what your trouble is, just like you was in the prayer line? Do you believe that that could be so, from here? You do? You have a high blood pressure that you're suffering with. That's right, raise up your hand. All right. You believe, and you can be healed.

L-282 The lady next to her. What do you think, sister? Look this a way, to me. You believe me to be God's prophet, or His servant? You do that, with all your heart? You believe God can describe to me, like the woman at the well, when Jesus and the woman come together, that could tell me what your trouble is? Do you believe? Would it help you, would it help you to believe? Look. Oh, you have a serious thing. It's a son, a boy. Uh-huh. And that boy has got a mental nervousness. He's at home. That's right. If that's right, raise up your hand. Believe with all your heart, the boy will get well. You believe.

L-283 The next lady to there. Do you believe, sister, with all your heart? Do you believe me to be His prophet, His servant? Do you believe it's Jesus Christ, just by a gift that...

L-284 Prophecy is a gift. You know, a gift of God, it's ordained way back before the world started. It had to be ordained for this day. You have no way of knowing what's what. God just identifies it and interprets His Word.

L-285 Do you believe that to be so, what you've heard? Do you believe I could... If I could tell you what was wrong, you know it wouldn't be me. It'd have to be Another; just my voice, but Somebody else using it. Just like this microphone, it's a mute till something speaks through it. We're strangers. See? I lost cont...

L-286 Here she is. Yes, sir. The lady is suffering with anemia condition. It's in her blood. If that's right, raise up your hand, lady. That's right. You, you're also praying for this little fellow on the end. That's your little son sitting there on the end. If that's right, wave your hand. If God can tell me what's wrong with your little son, will you believe with all your heart that God speaks to me, and that's right? He is suffering with an extreme nervous condition. That is right. Isn't that right? Then lay your hand over on him, and believe with all your heart, and he'll get well.

L-287 I challenge you to believe it! THUS SAITH THE LORD GOD. Texas, if you die in sin, you die without my blood on you. Remember, your blood is not on me. There is the Truth! That's Jesus Christ identified, prayer lines, wherever it is. Believe on the Lord Jesus Christ! Do you do it? Are you convinced, are you thoroughly convinced that it has to be Jesus Christ according to the Word of promise this day? Raise up your hands, everybody that's thoroughly convinced that it's the Lord Jesus Christ. Amen. God bless you.

L-288 I know you been taught. You've been taught, each one of you, something. And I see it's the--it's the... so anointing, can just sway it everywhere now, see. You've been taught that you must lay hands on the sick. That's a tradition. It's all right. Jesus endorsed it.

L-289 But that Roman, that's what I been trying to get you, this week. "I'm not worthy," said the Roman, "that You come under my roof. Just say the word!" See? [\[Matthew 8:8\]](#)

L-290 If somebody lays hands on you, then, "Brother So-and-so laid hands on me, glory to God!"

L-291 I--I--I'm going to ask ministers, believing ministers to come here, so it just it ain't my hands. It's--it's just what Jesus said, "They shall lay hands on the sick." [\[Mark 16:18\]](#)

L-292 We're going to pray for the sick, every one. How many has got prayer cards, out through the building, there let's see your hands. Yeah, we promised you, now we've got a half hour to make that right. I'm going to ask...

L-293 How would we run this, Brother Pearry. Have you got any suggestions? From this side over here?

L-294 Let this row here on the outside, that's got prayer cards, stand up against the wall, go out that way and stand up against the wall. [A brother speaks to Brother Branham about the prayer line--Ed.] All right, sir. That's fine. Stand over on that side.

L-295 All from this middle here, from... now you stand in the aisle, see. You just stand in the aisle, the ones in this aisle, this middle here, stand out in the aisle.

L-296 Ones on that side, stand on that side. The ones in here, stand up here in the middle, on this side. And the ones on that side, stand in there. And just follow your lines through as they come. That's right. They'll be down there instructing you on what to do.

L-297 I'm asking. This is all right, Brother Pearry? [Brother Pearry Green says, "Sure."--Ed.] I'm asking for ministers who believe in Christ, that Christ will heal these sick people by laying on of hands and following His commandments, I'm asking you to come here and stand with me if you believe this to be the Truth. Any Gospel minister, if you're a Methodist, Baptist, Presbyterian, Lutheran, Catholic priest, whatever you are; if you believe Jesus Christ heals the sick, and has commissioned His disciples to lay hands on the sick, for their healing, will you come here?

L-298 [A brother says, "Tell everybody to go to the back." Brother Pearry Green says, "Would everybody that wants to be prayed for, go to the back."--Ed.]

L-299 Now go to the back and follow around, see. All in these lines now, go right back and take your place, follow right around that way, and then you go right back to your place again, just as orderly as it can be.

L-300 I wonder, brethren, if we had better get down there? I think that's a good idea. Now, better leave

this microphone here. Let... Roy, you stand here by the microphone. Or, yes, you better come down with me, you see. Yes. Or, 'less you want to stand here. All right, Roy, you stand here then. All right.

L-301 Now you're going. Now I want, don't nobody leave, please. See, the very thing that we been praying for!

L-302 Now you say, "Brother Branham, why'd you bring all these ministers up here?" I'm going to come right with them. But I...

L-303 See, what it is, they have as much right to pray for the sick as I do, or anybody does, as much as Oral Roberts or--or any hierarchy, no matter who he is. They have as much right to pray for the sick as Peter, James, John, Matthew, Mark, Luke, any of the rest of them had. They are ministers, called of God. I happen to see two or three brothers in there that I know, personally, that has a ministry of praying for the sick.

L-304 Now as you are lining yourselves up over here, I want... How many in this congregation is thoroughly convinced, with all your heart, that you believe it's God's will to heal them people. [Congregation rejoices and says, "Amen."--Ed.] Sure, it is. Certainly, it's God's will to heal them.

L-305 Now how do they get healed? Now, if He was here, Hissself, He could do no more than what He's done right now. Do you believe that? [Congregation says, "Amen."--Ed.] Just what He's done now, that's what He would do, 'cause He's the same yesterday, today, and forever.

L-306 How many knows that Saint John 5:19 says this, "The Son can do nothing in Himself"? How many knows that? [Congregation says, "Amen."--Ed.] But what He sees the Father doing, that doeth the Son." Believe that? ["Amen."] Then, Jesus never performed one miracle until the Father showed Him, by a vision, what to do. That's His Own Word. If that isn't so, then we're all lost, we don't know where we're at. There you are. See, His Words are infallible. [\[John 5:19, 30\]](#)

L-307 Look at Him going through, the Pool of Bethesda, a few hour... about an hour before that. There laid great multitudes of lame, blind, halt, withered. How many knows that's true? And He never touched a one of them, yet He was a God of compassion. Do you believe He had compassion? [Congregation says, "Amen."--Ed.] Leaving that mother, with a waterhead baby; that poor old blind daddy, calling somebody, put him in the water when it's troubled. God of compassion! See? [\[John 5:1-9\]](#)

L-308 People don't know what compassion is. They mix a phileo love with Agapao love; it's two different loves, altogether. Compassion is the same thing; desires, and compassion, is different.

L-309 But, look, He went to a man that had maybe a prostate trouble, or maybe it was a tuberculosis. It was retarded; he had had it for... it was--it was thirty-eight years he had had it. It wasn't going to kill him. And He went to that man, and He said, "Will thou be made whole?" How many knows that's true? And left the rest of the audience lay there. [\[John 5:1-9\]](#)

L-310 What if He done that in Beaumont, today? "Oh, my! There is nothing to Divine healing, then, you see."

L-311 See, they don't understand. Jesus is the same yesterday, today, and forever. "I do nothing till the Father shows Me first." [\[John 5:19\]](#), [\[Hebrews 13:8\]](#)

L-312 But many people just laid in the shadow of Him, and was healed by their own faith. A little woman touched His garment and was made whole. How many knows that? Healing is based upon your faith. God's identification is based upon the promise of His Word, but your faith in His identification is what heals you. If you don't, no matter, the holiest man in all the world could stand here and pray all day long, it wouldn't do one bit of good until you believe it, emphatically, yourself. Jesus might be standing here Himself, in the incarnate body, lay hands upon you, and still you would not get healed. How many knows that? "Many mighty works He could not do because of their unbelief." That's Scripture. [\[Acts 5:15\]](#)

L-313 So, you see, you in the prayer line, it's got to be your faith in the Word. Now if you see God doing what He's done... Look, let me just give one little testimony while you're getting ready. Listen close. Night before last...

L-314 There is a little minister here somewhere. I seen him here, a while ago. Martin was his name. I forget... He is one of the sponsors. Right here.

L-315 About midnight, close to it, someone woke me up in my room. A little fellow crying, a little minister, his baby had just passed away. The tears running down his face.

L-316 He's plumb up in somewhere in... What's the name of that town they live in? [Someone says, "Missouri." --Ed.] Missouri. Up at where? ["Wardell, Missouri."] Wardell, Missouri. I know the boy. I know his brother here, too. They're friends of mine.

L-317 This brother walked in there with tears running down his cheeks, said, "Brother Branham, I just called... My wife just called me. My little baby just quit breathing." He laid his hands upon me, said, "Brother Branham, I believe the Word of the Lord is with you." Oh, how could God... Just like, "Even now, Lord! If You had been here, my brother would not have died." See, he wasn't confessing to me. He was confessing the Word of the Lord, you see, that I was preaching the Truth. He said, "I believe the Word of the Lord is with you. Just ask Him; my baby will live." In ten minutes from then, his baby was breathing normal, is well now.

L-318 My son standing here somewhere, Billy Paul, he had went out to talk to him. And I was there in my pajamas. And about a few minutes later he come back, said, "Daddy, Daddy, look at here!" And his throat all swelled out, and red, and a great big whelp, whelp about that big around. Said, "A big black-looking spider with a red spot on it! I was standing there, I was talking to John, and he bit me there. And look there, it's swelling out."

L-319 I said, "Oh, Billy, a black widow, maybe." And I said, "Look at your throat, how it's swelled."

L-320 I put my hand there, I said, "Lord Jesus," in ten minutes from then there wasn't even... you couldn't even tell the spot had ever been there. See? What is it? See?

L-321 Someone come in, the other day, and said, to the office. And one of the offices come out. And said, "Tell Brother Branham just to say that my child..." He said, "I believe if... what you'd say." But, see, I can't say it till He tells me.

L-322 But here I got the Word says this, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." Now, God can't do those things and leave you stand there. You've got to. You believe the same thing, it'll happen to you. But you've got to believe it, not just bluff it. You got to believe it.

Now let us pray, first, all together. [\[Mark 16:18\]](#)

L-323 I want each one of you all... while the brethren stand here at this microphone. I'm going down there so I can lay hands on them, too. They're my people, they're my... They're the stars in my crown, the same they are in your crown, my minister brothers. I'm coming there because we love them, and they're God's children. We're coming to help them.

Now let us pray.

L-324 Lord Jesus, the man that could say that Your Presence isn't here, would... there would be something mentally wrong. Just like a man who would refuse to accept the sunlight; somebody tell him the sun is shining, he would run down in the basement and shut the door, and say, "I just refuse to believe it! I refuse to believe it!" Well, we would know, Lord, that something mentally was wrong with the man. And so does the man that would shut up his bowels of compassion, in the Light of the Word of Jesus Christ being made manifest, would say, "I don't believe It," there is something spiritually wrong

with the man.

L-325 So we know that You're here, Father. Without a doubt, we believe it. We see Your--Your footprints. We see Your marks. We see Your Word.

L-326 There is hundreds standing here in this prayer line. And fine man of God standing here, great warriors of the Faith; I'm walking down to put my shoulder with theirs, Lord. When these sick people pass through this prayer line, may each one of them know that it's just not passing through by some man. They are coming under the Cross of the promise. May they go away from here healed, go away rejoicing, get well; tell their pastor. May that cause an old-fashion revival to break out, down around in this countries, Lord, bring many souls to You. Lord, they're Yours. Help them. Heal them, I pray, in Jesus Christ's Name.

I want everyone now with your heads bowed, praying.

L-327 And I want, as you... Listen, the prayer line now. When you pass through, just like you was under the Cross, believe with everything that's in you. Go away from here rejoicing, happy, saying, "Thank You, Lord. I believe my healing." And if you don't believe that, then you'd be just as well to take your seat, because it won't do one bit of good.

L-328 I want all the congregation, everybody, to just storm up to Heaven, like that, in the Presence of Christ, "Lord Jesus, make Yourself known to us now! Heal these sick!" Will you do it? [Congregation says, "Amen."--Ed.]

Brother Borders, while you sing, Only Believe.

64-0318 - Denham Springs High School, Denham Springs, LA (Paragraphs: 203 - 254)

L-205 Well, that's the same thing here now. And if He will grant it, will you believe it and accept it, know that His Presence is here? You won't need no prayer card then.

L-206 How about the--the Judge of Heavens and earth, as Abraham called Him, "Judge of Heaven and earth, would You do wrong?" See? If He, in this last days, according to His promise now... Through the week, we'll just keep throwing Scripture in there, showing you that's the Truth. And if He is here with us, tonight, so plain that you can see His works and know He's here, as His promised Word; not some mythical something, but what His Word promised He would be; then you believe Him.

L-207 Now, I don't know now. Sometimes, if the visions come, then it'll... I can't tell what I'm saying; so let the--the microphone, and whatever it is, ever who is on it, louden it up. I want you to be real reverent just a moment.

L-208 Now is this the--the lady? Now, here, it happens to be a woman, just what I was talking about, Saint John 4, a woman and a man meet for the first time in life. I'm a total stranger, and we're total strangers to one another. If that's right, just so you raise your hand, let the people, see, so we've never meet one another in life. There stands the woman, here I, just a perfect thing of our... You're not the woman there, and I'm not the Lord, but it--it's two people that meets here, just a little place like they met, first time in life. Now, if He is the same yesterday, today, and forever, He would perhaps talk to you a minute, see, like He did the woman. See? Now, the Father...

L-209 The other day, when, recently when Brother Borders here was, we had six hundred and something invitations in the States here, besides overseas. He said, "Baton Rouge, Louisiana, there is a group of man down there."

L-210 I said, "Go ahead, that's all right, set up the meeting down there." I felt to do that. Here I am. Now I don't know what next. I'm just here. That's all I know. See?

L-211 Now here you are, a person. I'm preaching the Word, saying that, "He is not dead. He's alive." He's alive, and promised to identify Himself in our flesh, human flesh, like He did back there. See? All that

God was, He poured into Christ; all Christ was, poured into the Church. That's Him, Christ in us. Now if the Lord Jesus has raised from the dead...

L-212 And I'd bring you up here and lay hands on you, and maybe like some of our evangelist brethren, which it's just exactly right, and lay hands on you, say, "Your infirmity is gone. The Lord has healed you." That would be all right. You could go. That's okay. I certainly endorse that, one hundred percent. That's what the Bible said.

L-213 But now what if He stands here and tells you something that you have done, or something that you ought not have done? If He knows what you have been, and tell you what you have been, and you know whether it's true or not, then if He tells you what your future is going to be; if that's right, this is going to be right, too. Is that right? That makes it Him, you see. Now I'm just saying that to contact your spirit. See, just like He did the woman at the well, "Bring Me a drink."

L-214 Now there is one thing I want you to notice now. Watch the woman, watch the expression change on her face, just now. See? She is conscious that something is going on. How many ever seen the picture of that Light? See, It's right on the woman now, see. See? See? See? See, It's... See It there? It's kind of an amber Light, moving. Now her trouble is this...

L-215 Now if I could heal you, I would do it, but I can't. I can't heal you. God is the healer; your faith in God.

L-216 You're extremely nervous. You're suffering with a nervous condition, and then you got something wrong with your throat. You can hardly talk, just above a whisper. It's a thyroid gland. That's right. Now do you believe? Now just a moment, just so that they wouldn't think I was guessing it, just a minute, see. I, yeah, I say it so the people wouldn't think... You're a nice person, and I got a good contact with the Holy Spirit, with you, see. So, now, yes, you've been advised to be operated on, but you turned it down. That's exactly right. You're expecting God... Yes, sir.

L-217 Another thing, you have an asthmatic condition that bothers you. That's true. Isn't it? Now, you see, Something here knows you. Isn't that right? Do you believe it's Him? Then believe it, and go off the platform, and get well. And believe with all your heart. Amen. Do you believe now with all your heart? "If thou canst believe!"

L-218 How do you do, sir? I'm a stranger to you, I suppose. If we... [The brother says, "I met you once before, at Baton Rouge."--Ed.] You, you met me when I was here before, at Baton Rouge. My, that's been quite a while ago, hasn't it? I guess it's been twelve years, or more, maybe longer, and maybe fourteen years. Well, I wouldn't know what, nothing about you, no more than you was in the meeting, or something, but God does know you.

L-219 And it's a Light. I have to watch It, see where It goes, you see, to other people. That, It's anointing. Now if the Lord Jesus will... Here we are... I-I believe the last person was a--a woman. Now it's just like a dream, you see, you dreamed something.

L-220 Now, now you are a man. And now when Jesus met a man, Simon Peter, when He identified Himself. His name was Simon, then. He called him Peter. Said his name would be, after that, be called Peter. If the Lord Jesus will tell me what your trouble is, will you believe me to be His servant, and believe that He is present?

L-221 Will every man in here believe the same thing? [Congregation says, "Amen."--Ed.] Perhaps you are known here, because you are from the city.

L-222 I see something, like you're excited about something. That's, yes, it is, because it's a blood, something wrong with blood. You're bleeding in the bowels. [The brother says, "Amen."--Ed.] That's exactly right. That ulcerates in there, too. See? Now, that's true, isn't it? ["Amen."]

Now you believe? [Congregation says, "Amen."--Ed.]

L-223 That's the way our Lord would have done it. Wouldn't He? That's Him doing it. Don't you believe it? [The brother says, "Amen."--Ed.] What if... Jesus told Simon what his name was. What if God would tell me what your name is, would you believe me? ["Amen."] All right, sir. Lewis Carrie. ["Amen."] That's exactly right. Go on your road. Amen. Have faith in God.

L-224 Do you believe? [Congregation says, "Amen."--Ed.] He's the same yesterday, today, and forever.

L-225 Now I'm a stranger to you, sister. I don't know you, I've never seen you, in my life. You're just a woman standing here. Younger than me, born miles apart, and years apart. But He's the same yesterday, today, and forever. Do you believe that? [The sister says, "Yes."--Ed.] Do you believe that--that?

L-226 Now, you know, standing by the side of a man, your brother here, wouldn't make you feel like that. You know there has got to be something else, in that Presence, real sweet, humble, meek. Isn't that right? If that's right, so the audience will know, just raise up your hand so they can see. See, I'm looking right at her, that Light circling right around her.

L-227 The lady is standing here for somebody else. She isn't here for herself. It's for a daughter. That's right. You believe the Lord can tell me what's... You're planning on bringing that girl to the meeting. But you--you believe God can tell me what's her matter? Will you believe and put that handkerchief on her, and believe that she'll get healed? It's in her back. That's right. That's exactly. Go, believe now. Put that on her, she'll get well. All right, just believe it.

L-228 Do you believe with all your heart? "If thou canst believe! All things are possible to them that believe."

L-229 How do you do? We are strangers to each other, I suppose. I don't know you, you don't know me, but the Lord knows both of us, so being man and woman meeting for the first time. Now, our Lord said that one thing to that woman, and the whole city believed. They didn't... He didn't do it no more. He just did it one time, and all the city believed.

L-230 Now don't--don't be afraid. There is nothing going to bother you. It's going to help you, see, 'cause I don't think you're a critic, or you... that vibration of what... the Spirit of the Lord wouldn't be coming in like that. You're a believer, so you have no reason to be alarmed about anything.

L-231 You are suffering from a--a rupture. That is exactly right. And do you believe that the Lord Jesus will heal you of that? What if I'd tell you something else was wrong with you, would it make you strong to believe? You got a knot. If I can tell you... It's not on your cheek. It's on your back. If that's right, wave. All right, now believe. Go, believe right, and be made well.

L-232 Do you believe now, every one of you, with all your heart? [Congregation says, "Amen."--Ed.] Now that ought to make everybody realize you're in the Presence of God. All right.

L-233 Sir, do you believe God can heal that arthritis and make you well? [The brother says, "Yes."--Ed.] If you do, just keep walking, saying, "Thank You, Lord Jesus."

L-234 Now come this way, lady. I see you trying to get up out of a bed, too, real slow, arthritis, also. If you'll believe with all your heart, God will make you well. Do you believe it? All right, just keep walking, saying, "Thank You, Lord Jesus. I certainly believe it, with all my heart. All right.

L-235 Come, sir. A condition of nervousness, and stuff, and prostrate. And, arthritis, also; and lay that upon her, believe with all your heart. Get well, also. Now just keep on walking, believing God. And it'll be all right, if you just can believe it. All right.

L-236 Come this way, lady. Do you believe me to be His servant? You do. Do you believe God can heal that heart trouble you got? [The sister says, "Yes."--Ed.] Well, just keep walking, saying, "Thank You,

Lord. I thank You for healing me of my heart trouble." All right.

L-237 Come, sir. Do you believe what you see to be the Truth? What if I told you that stomach trouble was healed, down there, and you go eat your supper. Would you believe it? All right. Go on, eat your supper, you're going to be all right.

L-238 You must... You're shadowed; cancer. Do you believe that God will make you well, and heal you? All right, just keep walking, saying, "Thank You, Lord Jesus. I believe it'll all be over."

L-239 Also, a nervous heart. Do you believe that God will heal it and make it well? Just keep walking, saying, "Thank You, Lord Jesus," and believe it with all your heart.

L-240 Come this way, lady. Look on here. Your main thing... You got several things wrong with you, a lady's trouble. But your main thing is the heart trouble that's bothering you real bad. Do you believe that God will heal it and make you well? Just keep going on, saying, "Thank You, Lord Jesus. I believe with all my heart." All right.

L-241 Come, sir. Got two or your three things wrong with you, complications. But your main thing you want me to pray for, or ask about, is that arthritis you have. Look at the arthritis... Just keep moving, believing, and you'll never have to take that stick. Amen. Believe it with all your heart.

L-242 You got stomach trouble. It's caused, had you for a long time, it's a nervous condition making an ulcerated stomach. You drink anything, that's--that's kind of like coffee or something, it gets sour in your mouth and things like that. Go, believe now, and it won't bother you no more. Jesus Christ will make you well.

L-243 Come, lady. Do you believe that Jesus Christ... Just a minute. Just a minute.

L-244 Do you believe God heals that sinus, sitting there, and make you well from the sinus? Do you believe it, with all your heart? The lady sitting there with the checkered-looking dress on. Do you believe that God will heal you and make you well of it? You had more faith than you thought you had. It's all right. It's over now. You believe.

L-245 What do you think? Do you believe that God will heal you and make you well of that nervous condition, sitting there, that man? [The brother says, "Yes, sir."--Ed.] You do, you believe it? Now Who did you touch? He never touched me. You touched Him. That's what did it. Amen.

L-246 You fell over in your lap, and you was having eye trouble. Your eyes are getting so bad you can't hardly get around. Do you believe that God will make you well? Believe it, and you can have it. Amen. I challenge you to believe it.

L-247 Trouble, stomach trouble, has just left you. Do you believe it? Now go on your road and rejoice, and say, "Thank You, Lord," be made well.

L-248 This little lady sitting right here, with the green-looking dress on. You're trying to touch something. You're praying. Do you believe God can tell me what you're praying about? Get rid of that gall bladder trouble, and you think you'd be all right? The lady, kind of heavysset there, with a dress on, big. Do you believe that God will heal you of the gall bladder trouble, if you could believe? God will grant it to you, and you can go and be made well. Amen.

L-249 You have to believe it. You can only do it as you believe. How many of you wants to believe with all your heart? [Congregation rejoices--Ed.]

L-250 Now, "Sirs, we would see Jesus." He is raised from the dead. He is alive today. He is here in His Church, showing that His Coming is drawing nigh.

L-251 The world is going to be burned like it was in the days of Sodom. The atoms has already gathered together in--in loads and things, to set her afire. And, but before that happens, the promised Son will arrive, in Person, Jesus Christ, to take Home His Church. Do you believe that with all your heart?

[Congregation says, "Amen."--Ed.]

L-252 Do you believe that He is the same yesterday, today, and forever? [Congregation says, "Amen."--Ed.] How many believes now that His Presence is here, and you believe that He made this statement, "These signs shall follow them that believe; if they lay hands on the sick, they shall recover"? Raise up your hands.

L-253 Now lay your hands on one another, where the sick people is, lay your hands. Yeah, I'm late, I'm afraid they'll make me close. Lay, put your hands, now you pray for each other. Don't pray for yourself, pray for the one you got your hands on. Now He is here to heal each one of you. Believe it!

L-254 Heavenly Father, we believe now with all of our heart, that in the Presence of Jesus Christ, the Son of God, that the devil has lost his power, his influence, and Jesus Christ lives now.

L-255 Come out, Satan! May these people be made well, for the Kingdom of God's sake.

64-0319 - Denham Springs High School, Denham Springs, LA (Paragraphs: 162 - 216)

L-163 How many is here sick and needy, raise up your hands. Let's see your hands, how many is sick and needy, anywhere. Well, the only thing He is waiting for is to be called on the scene. Just ask Him.

L-164 Now what if He was standing here with this suit that He gave me, and you come up in front of Him and said, "Lord Jesus, I want You to heal me," you know what He'd say? "I've already done it." [\[Isaiah 53:5\]](#)

L-165 "He was wounded for our transgressions; with His stripes we were healed." He can't do it the second time. So, see, He has already done it. You have to believe it. There is nothing you can do, meritorious to anything, to--to earn your salvation or healing. There is nothing you can do about it. It's a free gift of God. See, it's grace, a free gift. If I give you a million dollars and you straighten up my tie; I didn't give it to you; you done something for it. See? God's gifts is free. The only thing you have to do is believe it, that He has purchased this for you, you. He... It's already purchased. He did it for you. And there is not a man in the world... [\[Isaiah 53:5\]](#)

L-166 I don't know what you've had here in Baton Rouge. Everything is drifting the country, impersonations and that. We know that's just got to be that way. But when a man comes in and tell you he has power to heal you, he is lying. God alone can heal. "I'm the Lord thy God who heals all thy diseases." He'll not share His glory with anybody. There is no man has power to heal. [\[Psalms 103:2-3\]](#)

L-167 But there is man who has gifts, to manifest God. Your pastor... [Brother Branham coughs--Ed.] Pardon me. He can take God, by a gift of--of... A teacher, he can explain the Word so you're bound to see It. If you got any eyes to see with, you'll see it. There is another one, maybe some other gift. But there is always a gift that manifests the Presence of God, and, through there, you yourself have to believe it. [\[Ephesians 4:10-15\]](#)

L-168 A sinner might come here to the altar as a young man or woman, at the age of fourteen years old, and they would bring you your meals here, and you would cry to the Lord, until you were ninety years old, you would never be saved. But you've got to first accept what He done for you. See? You've got to accept it, yourself. Then when you accept it, then He is the High Priest, mediator, to make intercessions upon your confession of what you believe. [\[Isaiah 53:5\]](#), [\[Hebrews 4:15\]](#)

L-169 Now that's the same thing by a gift this way. It's getting your own mind away from you, and then see what He says do.

L-170 I see people come to the platform, they jump up-and-down and scream, and say, "Oh, Brother Branham, I got all faith in the world." What are you doing up here, then? See? That's--that's emotion, and not faith.

L-171 Genuine faith knows no defeat. It's already done. It's already over. God said so, and that finishes it,

you see. "God said so!" Now it's the same thing, any time. When you really believe it, that touches Him. [\[Mark 5:25-34\]](#), [\[Luke 8:43-48\]](#)

L-172 Now that little woman that touched His garment, she said, "If I but just only touch His garment, I'll be made whole," and she did it. And when she carried out what her faith wanted her to do, "touch it," He felt it, see, and He turned around and spoke to her. [\[Mark 5:25-34\]](#), [\[Luke 8:43-48\]](#)

L-173 Now, He is the same yesterday, today, and forever. If you will just only believe Christ, believe! Let your faith touch His garment. And He, right now, is the High Priest that can be touched by the feeling of our infirmities. We all know that. And if He's the same yesterday, today, and forever, He'll have to act today as He did yesterday if He's the same High Priest. Now won't you believe it? Just have faith in God. [\[Hebrews 13:8\]](#), [\[Hebrews 4:15\]](#)

L-174 If I have told you a lie, then God won't back it up. But I've told you the Truth, He'll--He'll back It. He is obligated to back the Truth up. [\[Hebrews 11:4\]](#)

L-175 Jesus said, "I have a witness." And the witness is God's Word, of course. Said, "There the Scriptures testify of Me. If they don't testify of Me, then don't believe it." See? [\[John 5:39\]](#)

L-176 And if the Scriptures doesn't testify of what I'm telling you now, that, "He's the same yesterday, today, and forever," then don't believe the Scripture. Because, the Scripture said He was, and He promised these things for this last age. Remember, just at the end of the Jewish age, that's how He reveal Himself, Messiah. The end of the--the age of the Samaritans, He did the same. Now it's the end of the Gentile age. He's the same yesterday, today, and forever. [\[Hebrews 13:8\]](#), [\[Luke 17:30\]](#)

L-177 Awaken Him in your conscience, call Him on the scene, while we bow our heads.

L-178 Heavenly Father, just a word from You now will be a sufficient. It'll be all that we need, just a word from You. May the people clearly understand what the achievement, what we are trying to do, Lord, is to--is to let them get the benefits of the Lord Jesus that they love and serve. May they do it tonight, Lord. Because, Your death was not in vain. You were "wounded for our transgressions, bruised for our iniquity." "The chastisement of our peace was upon Him, and with His stripes we were healed." I pray, God, that every one in here, in Divine Presence, will understand this and will get the vision, and will be healed for the glory of God. Through Jesus Christ's Name, I present myself with this congregation, to His honor and glory. Amen. [\[Isaiah 53:5\]](#)

L-179 Now be real reverent, just for a few minutes. Now just a word from Him will mean more than all I could say, or all anyone else could say, because it's Him a doing it. He is the one. He is the doer, and we are trusting that the--the Lord Jesus will grant these things to you now, each one.

L-180 Now let's see what time. I didn't know it was that. I tell you, to get out here on time, what we're supposed to, we haven't the time to bring up this line. Let's call it right from the audience.

L-181 Now let's just take the Scripture, just a minute. Now the Bible promises, in this day, that the repeat of Sodom and Gomorrah will be repeated. How many believe that now, raise up your hand? The Bible identifies that now. [\[Luke 17:30\]](#)

L-182 And then what was that at Sodom and Gomorrah? It was God in the form of human being. And the way that Abraham knowed it, is when He said, "Why did Sarah laugh in the tent, behind? Or, why did she doubt it, the words that He had spoke to be so?" He could perceive what Sarah was thinking, behind Him. Now you just see if that wasn't. [\[Genesis 18:13\]](#), [\[Luke 17:30\]](#)

L-183 Now, that wasn't to the church of Babylon, or the church of Sodom. No, no. That wasn't to them people down there in the denominational ranks. No, sir, never goes to them. They got their messenger. See?

L-184 But to the elected Church, the super Seed of Abraham that's supposed to believe the Word

regardless of what circumstances is, "Abraham called those things which were not as though they were." God said so, and He believed it. Now, friend, I--I know that God is obligated to this Word, to keep It. [\[Romans 4:17\]](#)

L-185 Now I want you, wherever you are in the building, to set reverent for a few moments, wherever you are. And believe, just believe with all your heart.

L-186 Now if I could heal you, if I could heal this little girl that my heart goes out for, if I could heal that little thing laying there, I--I--I would--I would crawl from here to the North Pole, if I could, to do it, or anybody that's got any human feeling. But I could no more do that than nothing. Maybe some of you there won't live but a little bit, with a cancer. If I could heal you, I'd be... I wouldn't be fit to stand in this platform if I could do it and wouldn't do it. Now, I couldn't. My heart goes for you. I'd do it if I could, but I can't. There is no other man can do it. That's right. But, you see, Jesus has already done it. See? And He is only trying to get you to believe that. But you... [\[Isaiah 53:5\]](#)

L-187 I feel sorry for the people. There's been so many things that's just blinded them, this way and that way, till, poor people, like sheep without a shepherd, hardly. They don't know what to do. One says this and one says that. Don't think what man has said. "Days of miracles is passed. There is no such thing as the baptism of the Holy Ghost."

L-188 And, remember, Peter said, on the Day of Pentecost, "The promise is unto you and to your children, and to them that's far off, even as many as the Lord our God shall call." See? [\[Acts 2:39\]](#)

L-189 Jesus promised these things would happen in the last days, that God would return in the form of human flesh, like you and I here tonight, and would work that same thing just before the world would be destroyed. And the world would be like a Sodom. See? Now we got the Sodom condition right; every position, every person, everything setting just exactly right. [\[Luke 17:29-30\]](#)

L-190 Now can't our faith come to that? Can't we call Him on the scene? Call Him on the scene. Your faith is the only thing can do it. Now you believe with all your heart, each one of you now.

L-191 And I want to ask you something. Without any prayer cards,... -out anybody up here, if that great Holy Spirit will come down here, and by the anointing of you and the anointing on me, and will identify that Jesus Christ is working in among us like this, what more could He do? There is not another promise in the Bible, above that. That's the supreme promise. How many knows that? Sure, it is. It's the--it's the last thing to the church age.

L-192 The Jews, in time of the Tribulation period, and on the... there they have a--a visit back there, but not to the Gentile church.

L-193 This is the last thing promised to the Gentile. It's true. See, it was the Gentiles down there in Sodom, was going to be burned. And that, here is the--the Bride, which was the Royal Seed of Abraham, being the Bride called out from amongst the Gentile. That's their ending sign, all of it. [\[Genesis 18:9-20\]](#)

L-194 Mark it in your book. I'm an old man. But just mark it in your book and see if it comes to pass, or not. See, you're at the end now. When? I don't know. I'm looking for Him today. If He isn't here today, I'll be looking for Him tomorrow. If He isn't there tomorrow, I'll be looking the next day. If He isn't here this year, I'll be looking next year for Him. I know He is coming. I don't know the minute or hour, but I know everything is fulfilled, ready for the Rapture. The Church is called out. It'll be a secret going; just vanish, and that'll be all.

L-195 And the world go right on just the same, people preaching, and people thinking they're getting saved, just exactly like they did in the days of Noah, so forth. Noah entered in the ark, and people went right on, and the world turning just the same. Think of it! And, Eternally lost, thinking they're saved.

L-196 Some of these days I'm going to bring a big tent in this country, and pitch it up here, so we can

have afternoon services, and instructions, so you can understand these things better. Get all our brethren together so we can have services.

L-197 Now if Jesus Christ fulfills His promise, then we are obligated to believe Him. I want you all, each one of you, just to have just simple child-like faith, to believe Him.

L-198 Now as you just kind of start with your heads bowed, and start praying, saying, "Lord Jesus, now I know that this man doesn't know me. And I am needy. And we're told that You're a High Priest that can be touched by the feeling of our infirmities. If You will just let him... If I can touch You, just speak through him, Lord, that I'll, I know his... know it's You. I know he doesn't know me."

L-199 And that's out there in the audience, just a mixed up audience; of belief, unbelief, make-belief; sinners, saint, and all together.

L-200 Now you must believe. Now if He will do this from this audience here, I want each one of you in here, say, "Brother Branham, I--I know that's--that's has to be Him that's looking upon the congregation as He did then." I want you, if you really will believe, I want you to raise your hand, say, "Lord, I'll accept it with all my heart, that I believe it's Christ Jesus, according to His promise." All over the building. God bless you. That's fine. Oh, it's just too bad we haven't got a month to be around here. See, just let... I'm new to you. See, it's hard. You just keep believing.

L-201 Now, it's a Light. God is Light, we know that, Pillar of Fire. And now you just pray and touch It, and may the Lord Jesus answer.

L-202 Now I take every spirit in here under my control, in the Name of Jesus Christ, for His glory. Now be real reverent. Pray. Be real reverent.

L-203 Now, here It is. There is a lady right here in front of me. She has got her head down, and she is praying for her own affliction. If you want to raise your head now, she is right here in front of me. Do you believe with all your heart? Do you believe that God can heal that diabetes and make you well? Now, that's what you have, diabetes. I do not know you. You're a total stranger to me. But do you believe me to be His servant? If--if we are strangers to one another, raise up your hand, like that, so the people will see. See? All right. See, here is the lady. And now she is suffering with a diabetic condition. And you believe that God can tell me who you are? Would it make you believe? You're Mrs. Martin. If that's right, raise your hand. See? You just have faith. Don't doubt. Have faith.

L-204 Now what did she touch? I want to ask the audience. What did she touch? There is a woman with her right hand up, and mine, too, before God. See? She touched Something. Just a simple little woman, it actually, to tell you the truth, now you see if this is the truth, it surprised her. She didn't know she had that much faith. Faith is not something you manufacture; it's something you have. See? She was surprised. Even right now the woman feels different than what she did a few minutes ago. She knows something has happened to her.

L-205 Here, don't you see that Light? Right. See It right here over this woman right here, right back here? She is suffering with a... She has got her head down. She is praying. But she is suffering with trouble with her back. If she'll believe with all of her heart, she can be healed of that back trouble. Sure.

L-206 She is going to miss it, as certain as anything. See, her prayer is still moving on. Lord, help me. Mrs. DeVille, it's you. That's grace. The woman was praying, wasn't even thinking, don't even hear me say nothing. Now you ask her if she knows me. That's who she is, and that's what her trouble.

L-207 So what did she touch? That's the vindication of Jesus Christ, the Word, discerns the thoughts that's in the heart.

L-208 Do you believe? Just have faith. Pray, anywhere. Just believe. That's all you have to do. Just believe, just believe I've told you the Truth. Now, I'm not He. I'm just His servant, just His servant.

L-209 If you'd just have faith enough! I can't call him. I know what his trouble, but, see, just wait a while and maybe it'll change. Certainly not impossible, but you got to move out of that bracket. He can't believe for himself. Got to believe for him.

L-210 A lady suffering with kidney trouble. She isn't from here. She is from Mississippi. She'll believe with all of her heart, God will heal the kidney trouble. Mrs. Palmer, if you'll believe with all your heart, you can be healed of it. It's left you. Turned Light over her. It's gone from her. Have faith in God. Don't doubt.

L-211 There is a lady sitting right next to her. She is suffering with arthritis. Do you believe me to be God's prophet, lady? You do? Do you believe if God will tell me who you are, will that help you to believe? Your name is Mrs. Meadow. You believe with all your heart now, you can be healed, too.

L-212 That caught fire to a lady next to her. She is sitting there, also. There It going, right down the line. A lady sitting there, she is suffering with... Next to her, suffering with a diabetes, a sugar diabetes. They want her to go at the hospital, but she refuses to do it. She's got a son she is praying for, also. That son isn't here, but do you believe God can tell me what's wrong with that son? He's got heart trouble. You believe, and He'll heal you. Do you believe God can tell me who you are? Mrs. Dufflee, D-u, double f, l, double e. Kind of... That's right. Is that right, raise up your hand, with your hands up. All right. Now you believe, and you can be made well, too.

L-213 Do you believe that that's the same thing that that... You believe that Jesus Christ's Presence is here now? [Congregation says, "Amen."--Ed.] How many accepts that? ["Amen."] Oh, what a security! What a security! See?

L-214 What did you do? You awakened Him. You brought Him on the scene. Here He is on the scene. That don't make any difference what the boats are saying. Remember, He can say, "Peace, be still."
[\[Mark 4:39\]](#)

L-215 Do you believe it with all your heart? [Congregation rejoices and says, "Amen."--Ed.] If you do, stand up on your feet and accept it. Stand up and say, "I believe it with all my heart." Raise right up to your feet. "I now believe." That's right, no matter what's your trouble, stand up, give Him Praise.

L-216 Heavenly Father, we bring to You this audience. They are conscious that You're here, Lord. May every devil, unbelief, may it leave its hold, and may Jesus Christ heal all of you.
